## Militant Grace

*The Apocalyptic Turn and the Future of Christian Theology*

Philip G. Ziegler

“Philip Ziegler is one of our best new-generation theologians, with a fearless proclamatory voice. His rigorous, imaginative explorations of radical biblical theology are particularly valuable in an era when romanticized spirituality seems to be displacing the church’s apostolic confession. This book will be tremendously rewarding as a resource for those seeking to be refreshed in their confidence in the essential integrity of the Word of God.”—**Fleming Rutledge**, author of *The Crucifixion: Understanding the Death of Jesus Christ*

“Working at the creative interface between biblical studies and systematic theology, Ziegler brilliantly develops the apocalyptic turn in Pauline scholarship into a rich theological program. On this profound reading, Paul’s gospel speaks directly and boldly to the delusions and fears of a world in crisis.”—**John M. G. Barclay**, Durham University

“Anyone who believes that Christian doctrine cannot be grounded in an apocalyptic perspective needs to read *Militant Grace*. With his typical breadth of knowledge, clarity, and insightful observations, Ziegler shows that apocalyptic can inform Christians’ thinking about salvation and grace, ethics and discipleship. This book demonstrates that apocalyptic is not a fad but an essential aspect of interpreting the Bible and thinking theologically.”—**Nancy J. Duff**, Princeton Theological Seminary

“Ziegler’s long-standing interest in Pauline apocalyptic here engages the Reformed theological tradition to produce theology in ‘an apocalyptic key.’ Characterized by deep and generous engagement with exegetes and theologians alike and replete with stunningly fresh insights, *Militant Grace* will more than repay the careful reading it deserves.”—**Beverly Roberts Gaventa**, Baylor University

“This remarkable volume establishes Ziegler as the leading figure in shaping Christian theology in Pauline apocalyptic mode. Drawing on Martyn and Käsemann, Barth and Bonhoeffer, Calvin and Kierkegaard, Ziegler presents a clear, coherent, compelling vision of dogmatics and ethics ‘funded by a fresh hearing of New Testament apocalyptic.’ This is a serious work and demands to be taken seriously by all who would be faithful theologians in our time.”—**Douglas Harink**, The King’s University, Edmonton, Alberta

“From the title to the last word, Ziegler expounds God’s gracious apocalyptic advent in human history, and its outworking: a faith that is ‘militant in love.’ Bracing, erudite, passionate, exegetical, provocative—*Militant Grace* is destined to become a classic.”—**Susan Eastman**, Duke Divinity School

**Philip G. Ziegler** (ThD, University of Toronto/Victoria University) is personal chair in dogmatics at King’s College, University of Aberdeen. He is a senior fellow of the UK Higher Education Academy and is cofounder and cochair (with Douglas Harink) of the Theology and Apocalyptic network. Ziegler has written widely in the areas of systematic theology, apocalyptic theology, and theology and politics.

**A Peculiar Orthodoxy**  
*Reflections on Theology and the Arts*  
**Jeremy S. Begbie**

World-renowned theologian Jeremy Begbie has been at the forefront of teaching and writing on theology and the arts for more than twenty years. Amid current debates and discussions on the topic, Begbie emphasizes the role of a biblically grounded creedal orthodoxy as he shows how Christian theology and the arts can enrich each other. He explains the importance of critically examining key terms, concepts, and thought patterns commonly employed in theology-arts discourse today, arguing that notions such as “beauty” and “sacrament” are too often adopted uncritically without due attention given to how an orientation to the Triune God’s self-disclosure in Christ might lead us to reshape and invest these notions with fresh content. Throughout *A Peculiar Orthodoxy*, Begbie demonstrates the power of classic trinitarian faith to bring illumination, surprise, and delight whenever it engages with the arts.

**FROM THE BOOK**

This burgeoning activity is surely in large part to be welcomed, auguring well for the future health of both theology and the arts. If I had reservations about the present-day scene, they would not concern the liveliness of the field or its seriousness or depth. My misgivings would rather involve the theological resources being drawn upon. I welcome the sheer range and variety of ecclesial traditions currently being deployed, but what often seems to be lacking is the sustained exercise of what some have called a “scriptural imagination”—a sustained immersion in biblical texts that enables us to perceive and live in the world in a way that is faithful to Scripture’s theological coherence, and this together with an attention to the classic creedal traditions that seek to convey and foster such an imagination.

**Jeremy S. Begbie** (PhD, University of Aberdeen) is Thomas A. Langford Research Professor of Theology at Duke Divinity School. He previously served as honorary professor of theology at the University of St. Andrews, associate principal of Ridley Hall, Cambridge, and an affiliated lecturer in the Faculty of Divinity at the University of Cambridge. A notable pianist, Begbie has lectured widely in the UK, the US, and South Africa. He is the author of *Resounding Truth*, *Voicing Creation’s Praise*, and *Theology, Music, and Time*. He also edited *Beholding the Glory: Incarnation through the Arts* and *Sounding the Depths: Theology through the Arts*.

## How to Read Theology

*Engaging Doctrine Critically and Charitably*

Uche Anizor

This handy, accessible introduction to reading theology helps students engage doctrine both critically and charitably. It serves as a primer to theological texts and to the “behind the scenes” of those texts. It also offers practical guidelines for those reading theology and discussing doctrine in a classroom setting for the first time. An ideal theology textbook, *How to Read Theology* equips the next generation of pastors and theologians to read theological literature wisely—even when they might disagree with it.

### ENDORSEMENTS

“We live in a toxic age of ever-increasing polarization, where charitable discourse is too often the exception rather than the rule. Anizor calls us to read others as charitably as we can before criticizing them as fairly as we can. This is just the tonic we need. *How to Read Theology* does not simply prescribe but also casts a vision and offers concrete guidance for those who want to become the kind of person who can read theology well.”—**Kevin J. Vanhoozer**, Trinity Evangelical Divinity School

“This much-needed book guides students to a careful reading of theology that is both charitable and critical in a time when, far too often, readings of theology lack both characteristics. Anizor offers a guide replete with carefully chosen and diverse sources that will help readers understand how to read theology, a task that many times goes undiscussed in introductory courses. This book will be a vital resource to instructors, students, and general readers.”—**Mary M. Veeneman**, North Park University

*Created, Fallen, and Converted Humanity*  
**Herman Bavinck; John Bolt, editor**

Herman Bavinck's four-volume *Reformed Dogmatics* is one of the most important theological works of the twentieth century. Leading Bavinck expert John Bolt edited that work, which has received wide acclaim. Now Bolt has edited a recently discovered manuscript from Bavinck, in print for the first time, which serves as a companion to *Reformed Dogmatics*. *Reformed Ethics* follows the same method and explores the ethical and spiritual dimensions of key doctrines beyond that of *Reformed Dogmatics*. It mines the moral teachings of the early church and medieval and Puritan spirituality while addressing a variety of topics, offering scholars, pastors, and students Bavinck's mature reflections on ethical issues. This book is the first of three planned volumes.

# Luther for Evangelicals

*A Reintroduction*

Paul R. Hinlicky

This brief introduction to Luther's theology connects Luther with the evangelical tradition. Paul Hinlicky, one of today's leading Lutheran theologians, brings his years of Luther research to bear upon evangelicalism as he explores six key areas of doctrine for which Luther is regarded as an authority: the doctrine of God, the doctrine of Scripture, Christology, theological anthropology and the doctrine of sin, justification, and sacramental theology. Even though Luther is embraced as a leading light on these issues, his thought is often misunderstood or mischaracterized. Hinlicky corrects common misconceptions of Luther's thought in light of the whole of his theology and explores the problematic ways the legacy of the Reformation was subtly modified by the rise of empiricism and experimentalism in the Enlightenment, which obscured the profile of Luther as a dogmatic theologian.

*Luther for Evangelicals* regrounds evangelical mission in a new evangelism and catechesis on the basis of Luther's doctrine of the atonement as "joyful exchange." In addition to its classroom utility for courses on Luther, systematic theology, contemporary theology, and church history, it will be of interest to Lutheran pastors and church leaders.

## Cosmology in Theological Perspective

*Understanding Our Place in the Universe*

Olli-Pekka Vainio

*Cosmology in Theological Perspective* explores questions concerning the place and significance of humans in the cosmos. Some of the questions addressed include: How did early Christians understand the relationship between cosmology and their faith? How have changes in the world picture challenged Christian convictions and what can we learn from previous encounters? What is the proper theological attitude toward new discoveries?

Olli-Pekka Vainio, a leading expert in science and theology, introduces cosmology from a “state of the question” perspective, examining the history of the idea in dialogue with C. S. Lewis. This work, which is related to a NASA-funded project on astrobiology, ties into the ongoing debate on the relationship between Christian theism and scientific worldview and shows what the stakes are for religion and theology in the rise of modern science. It will appeal to professors and students of science and religion, Christian worldview, theology, and philosophy as well as theologians, scientists, and science and religion readers.

### EXCERPT

A proper Christian attitude toward the cosmos is one of awe and wonder—and the desire to understand it ever more deeply. Alas, as humans we often fail to live up to the high ideals handed to us by our tradition. The process of understanding requires the unity of intellectual virtues, which are endemic to any good scientific practice. Perhaps the most important of these is the recognition of how little we know.

**Olli-Pekka Vainio** (DrTheol, Habil, University of Helsinki) is university lecturer of systematic theology in the faculty of theology at the University of Helsinki, Finland. He previously served as a resident scholar at the Center of Theological Inquiry and taught at the University of Oxford. Vainio is the author or editor of numerous volumes, including *Justification and Participation in Christ*, *Engaging Luther: A (New) Theological Assessment*, *Disagreeing Virtuously: Religious Conflict in Interdisciplinary Perspective*, and *Virtues: An Introduction to Theory and Practice*.

**The Devil's Redemption, 2 vols.**  
*A New History and Interpretation of Christian Universalism*  
**Michael J. McClymond**

“An ambitious, wide-ranging theology of universalism in the Western tradition and its analogues elsewhere. The impressive scope of the work is supported by rigorous analysis and interpretation and aided by a clarity of style and presentation. McClymond gathers many different intellectual strands across time and space and weaves them into a coherent statement about the nature and scope of evil and redemption. Without question, the book will establish itself as a standard work of scholarship in the field.”—**Lamin Sanneh**, Yale Divinity School and Yale University

“McClymond’s magisterial study provides both a thorough historical investigation of the ancient and modern roots of Christian universalism and a thoughtful theological evaluation of their presuppositions, claims, and consequences. He shows that what on the surface appears to be not simply good but the best news on closer analysis ends up undermining the logic of the biblical gospel and of Christian orthodoxy. Important issues require important books, and McClymond has produced what I suspect will be the definitive treatment of Christian universalism for years to come.”—**Kevin J. Vanhoozer**, Trinity Evangelical Divinity School

“Erudite! Encyclopedic! Exhaustive! Even as McClymond is unflinching in defending the historic orthodox consensus against the idea of universal salvation, his is a generous orthodoxy, the persuasiveness of which undoubtedly rests at least in part on his having taken a long time to listen to marginal voices and seriously grapple with the broadest extent of their claims within local and even global contexts. It will be a long time before universalist theologians will be able to make a compelling case that is as comprehensive as that of *The Devil’s Redemption*.”  
 —**Amos Yong**, Fuller Theological Seminary

“As McClymond demonstrates in this timely magnum opus, the overwhelming majority of Christians down through the ages have rejected universalism. However, very few Christians know the history of this rejection—not to mention the reasons some have favored universalism and often suffered for it. This book is now the best place to start learning this history. A tour de force of historical theology.”—**Douglas A. Sweeney**, Trinity Evangelical Divinity School

“A timely and fascinating book on a crucial topic that probably only an omniscient historical theologian like McClymond could write. McClymond shows that while the notion of universal salvation has attractive features, it does not have a very encouraging spiritual or theological track record in the history of the church.”—**Craig S. ## Quest for the Historical Apostles

*Tracing Their Lives and Legacies*

W. Brian Shelton

The stories and contributions of the apostles provide an important entrée into church history. However, the legends of the apostles after the New Testament are confusing and steeped in myth. This comprehensive historical and literary introduction uncovers the apostles' lives and legacies, underscoring their impact on the growth of the early church. Brian Shelton explores biblical and apocryphal material, the witness of early church historians, the iconography of church art and liturgy, and contemporary scholarship to uncover the journey of each apostle, and he locates figures such as Paul, Peter, and John in the broader context of the history of the apostles. The author also explores the continuing story of the gospel mission and the twelve disciples beyond the New Testament, showing how their ministry encounters can provide inspiration for all students of the early church.

### ENDORSEMENTS

"This book is a treasure trove for those who wonder what happened to the twelve apostles of Jesus. Shelton provides a sympathetic but critical reading of the evidence for the missionary activity of the apostles by patiently sifting through biblical texts, early church witnesses, and later legends. I am especially grateful that the *Quest for the Historical Apostles* narrates how each apostle has been received in the life and faith of the church."—**Daniel A. Keating**, Sacred Heart Major Seminary

"Shelton combines a historian's knowledge of the sources, a scholar's respect for learning, a journalist's eye for detail, and a believer's awe before the transcendent. Here is a full accounting of the few brave men Jesus of Nazareth used to rock the world in ways still unfolding. It will inform and inspire all who seek to understand and connect with the early Christian legacy as preserved in historical sources, ancient literature and legends, art and artifacts, and critical reconstruction."—**Robert W. Yarbrough**, Covenant Theological Seminary

"Here, in a single volume, Shelton consolidates centuries of historiography into an accessible introduction to the men Jesus knew best, enabling us to sift through all the facts, stories, legends, and images that have accrued over time. Readers who join Shelton on his quest will come away with deeper knowledge not only of the apostles themselves but also of the New Testament, the early church, and the craft of historiography."—**Rebecca Rine**, Grove City College

## Selfies

*Searching for the Image of God in a Digital Age*

Craig Detweiler

Selfies are ubiquitous. They can be silly or serious, casual or curated. Within moments, smartphone users can capture their images and post them across multiple social media platforms to a global audience. But do we truly understand the power of image in our image-saturated age? How can we seek God and care for each other in digital spaces?

Craig Detweiler, a nationally known writer and speaker, a professor of communication, and an avid social media user, examines the selfie phenomenon, placing selfies within the long history of self-portraits in art, literature, and photography. He shows how self-portraits change our perspectives of ourselves and each other in family dynamics, education, and discipleship. Challenging readers to push past unhealthy obsessions with beauty, wealth, and fame, Detweiler helps them develop a thoughtful, biblical perspective on selfies and social media and to put themselves in proper relation to God and each other. He also explains the implications of social media for an emerging generation, making this book a useful conversation starter in classrooms, homes, and churches. Each chapter ends with discussion questions and a photo assignment for creating a selfie in response to the chapter.

### ENDORSEMENT

“*Selfies* helps us journey beyond our narcissistic culture, giving us language to move away from an ego-filled self-expression to our true identities hidden in Christ. Reflecting Detweiler’s impressive grasp of art history and deep wisdom attained in media ecology, *Selfies* is both an invaluable guide for understanding our techno world with all its trappings and a book full of delightful observations.”—**Makoto Fujimura**, Brehm Center for Worship, Theology, and the Arts, Fuller Theological Seminary

## A Beginner's Guide to Dante's *Divine Comedy*

Jason M. Baxter

"A wonderfully readable introduction to Dante's *Divine Comedy*. Learned yet lively, it will delight as well as richly instruct first-time readers of the poem. I highly recommend this book as a companion to Dante's text both in the classroom and for the general reader."—David Lyle Jeffrey, Baylor University

"Most modern readers of Dante are unable to follow the poet's journey except from a great distance, at too great a cultural, historical, and conceptual remove to understand and enjoy his imaginative landscape. Baxter's book provides the inestimable service of conducting the reader safely across that space of separation; it sets one upon the path, right at Dante's side."—David Bentley Hart, contributing editor for *First Things*

### EXCERPT

The *Divine Comedy* is the greatest work by the Florentine poet Dante Alighieri (1265–1321)—some would say the greatest work of the Western imagination. And yet, although the *Comedy* is an undisputed masterpiece, it has a peculiar medieval flavor to it, which makes it taste quite different from a Homeric epic, a tragedy for the stage, or a realistic novel. And this strong medieval flavor can sometimes spoil our appreciation. I have had students confess to me that they had eagerly looked forward to the *Comedy*, but when they actually got to it, they were put off by the work's difficulty and confused by its poetic form. I would like, then, to mention some of the obstacles that the *Comedy's* medieval form poses to first-time readers.

The *Comedy* has been likened to a medieval cathedral. Medieval cathedrals have a sweeping grandeur as well as an all-encompassing design. The face of the church, the façade, is divided into hierarchical layers and orderly portals. In a similar way, Dante's poem is famous for its architectural order.

At the most basic level, the *Comedy* relates the story of a man lost in a dark wood and saved by the ancient Roman poet Virgil, who had been commissioned by a whole hierarchy of saints. The pilgrim—Dante himself—travels through hell, climbs the mountain of purgatory, and rises through the spheres of heaven on his way to see (and be seen by) God. All of these realms and landscapes through which the pilgrim passes are neatly ordered. Each terrace or descending level corresponds to and gives flesh to the moral philosophical principles of Dante's day.

**Jason M. Baxter** (PhD, University of Notre Dame) is associate professor of fine arts and humanities at Wyoming Catholic College, where he worked with the Distance Learning Program to produce an eighteen-part introduction to the *Divine Comedy*. Baxter also codirected the college's Rome Immersion Experience, designed to introduce students to the highlights of Roman art, architecture, history, and culture. He has been invited to speak at universities across the country on the modern relevance of the liberal arts and on topics pertaining to Dante.

## Evangelical Dictionary of Theology, 3rd ed.

Daniel J. Treier and Walter A. Elwell, editors

This popular reference tool has been thoroughly updated and substantially revised to meet the needs of today's students and classrooms. Advisory editors include **D. Jeffrey Bingham**, **Cheryl Bridges Johns**, **John G. Stackhouse Jr.**, **Tite Tiénou**, and **Kevin J. Vanhoozer**.

### ENDORSEMENTS

"The *Evangelical Dictionary of Theology* and before it the *Baker Dictionary of Theology* have been valuable reference tools for decades. This latest edition, sixteen years after the previous one, is very welcome. Narrowing the focus to theology per se has created space for a fuller coverage of this area with many new entries. This book is no mere update or new edition but is a substantially new work in its own right."

—**Tony Lane**, London School of Theology

"Few reference works ever achieve the status of 'classic,' but the *Evangelical Dictionary of Theology* is one that has. I am glad to see this updated version ready to serve a new generation of theology students."

—**Timothy George**, Beeson Divinity School, Samford University; general editor, *Reformation Commentary on Scripture*

"For over thirty years the *Evangelical Dictionary of Theology* has been the first stop for students, pastors, and teachers to explore distinctly evangelical perspectives on crucial theological ideas, terms, and issues. This new edition brings much-needed voices from underrepresented communities to enrich and broaden our understanding. I could not be more pleased or enthusiastic about its release."—**Mark Young**, Denver Seminary

"I commend the robust theological focus of this new edition. The sheer scope of evangelical contributors is breathtaking! In a day when words are daily humiliated, this volume is a powerful reminder of the power of words and their meaning. The articles contained in this excellent volume are important and well researched. I heartily commend it!"

—**Timothy C. Tennent**, Asbury Theological Seminary

"This new edition is a monumental achievement of evangelical scholarship. The articles and essays produced by the outstanding group of contributors to this remarkable, wide-ranging, balanced, and accessible volume will ably serve the next generation of students, pastors, and scholars alike. It is a privilege to recommend this work."—**David S. Dockery**, Trinity International University

Awaiting the King

*Reforming Public Theology*

**James K. A. Smith**

CULTURAL LITURGIES

“Smith has written an essential guide to social life aimed at his fellow Christians but essential reading for all of his fellow citizens. His core insight, that the human being is created to pursue solidarity but must then be ceaselessly formed and re-formed to achieve and sustain it, is at least as bracing a critique of modern politics as it is a critique of the deficiencies of political theology.”

—**Yuval Levin**, editor of *National Affairs* and author of *The Fractured Republic*

“With characteristic verve and clarity—as well as honesty and nuance—this climactic volume of Smith’s trilogy offers a broadly Augustinian perspective on public life that takes us beyond genealogy and modernity criticism. It is a much-needed intervention in evangelical political thought. Appreciative yet critical of contemporary alternatives, Smith offers a liturgical and missional focus that represents a distinctive contribution from a leading public theologian.”—**Eric Gregory**, Princeton University

**James K. A. Smith and Michael L. Gulker, editors**

“The Colossian Forum is renewing the conversation on science in the church today. It’s the kind of conversation we need—starting with worship of the Creator, practicing humble dialogue within Christian communities, and remembering the limits of science as well as its importance in a Christian worldview. This volume presents the writings of leading philosophers, theologians, and historians on the role of Christian practice in forming virtues, the role of virtues in forming intellectual discourse, and the role of Christology in forming our understanding of science and creation.”—**Deborah Haarsma**, president, BioLogos

Introducing Theological Method

*A Survey of Contemporary Theologians and Approaches*  
Mary M. Veeneman

“I wish I’d had this book when I first started graduate school in theology. Veeneman picks out a large number of major theological movements and calmly rehearses their methodological commitments. She catalogs their sources, their orienting questions, and their starting points, sometimes comparing them to each other but rarely declaring her own judgments. The result is almost a cheat sheet, letting students know in advance what to look for as they go on to read these authors.”—**Fred Sanders**, Torrey Honors Institute, Biola University

“Veeneman offers us a wide-ranging and sympathetic study of theologians from a variety of traditions and schools of thought, allowing the reader to make independent judgments. This is an ideal introduction for students coming from many different perspectives. Nobody can relate equally well to every modern theologian, but this book will help us evaluate the approaches of those with whom we disagree as well as deepen our understanding of our own mentors. Highly commended!”—**Gerald Bray**, Beeson Divinity School, Samford University

*The Holy Spirit in Ecumenical, International, and Contextual Perspective, 2nd ed.*  
Veli-Matti Kärkkäinen

This revised and updated edition accounts for major developments in theology over the past decade.

PRAISE FOR THE FIRST EDITION

“The most comprehensive yet succinct introductory text on the doctrine of the Holy Spirit on the market today. It covers a tremendous amount of ground and does not miss much of importance in reflection on the Holy Spirit in the last two generations. Readers will come away with their appetite whetted for more in-depth study on this topic. Even seasoned theologians would be well-advised to look at Kärkkäinen’s text to ensure that they do not overlook important resources for reflection and engagement. Here is evangelical theologizing on pneumatology at its best: ecumenical, engaged, aware, and alert.”—**Amos Yong**, Fuller Theological Seminary

**Martin Luther and the Seven Sacraments**  
*A Contemporary Protestant Reappraisal*  
**Brian C. Brewer**

“The later medieval Western church’s narrow scholastic definition of the term ‘sacrament’ and its selection of seven rituals of the church for this nomenclature were problematic for the scriptural renaissance of the sixteenth century. Brewer presents a thorough and balanced study of Luther’s contribution to the debate and offers scholars of sacramental and historical theology a most useful, authoritative work. This book will be crucial reading for scholars and students alike.”—**Bryan D. Spinks**, Yale Divinity School and Yale Institute of Sacred Music

“Luther dismissed all but two of the seven sacraments of the medieval church. Yet Luther valued the spiritual support that people received from the ceremonies associated with penance, confirmation, marriage, ordination, and even extreme unction. Brewer reviews Luther’s teaching in this field, compares it with the opinions of subsequent reformers, and recommends methods of reviving the legitimate purposes of the seven sacraments in Protestantism today.”—**David Bebbington**, University of Stirling, Scotland; Baylor University

**Brian C. Brewer** (PhD, Drew University) is associate professor of Christian theology at George W. Truett Theological Seminary, Baylor University, in Waco, Texas. He is a seasoned pastor and the author or editor of several books.

*Lutheran and Reformed Theology in Conversation*  
**Robert Kolb and Carl R. Trueman**

“Lutheran theologian Robert Kolb and Reformed theologian Carl Trueman offer robust confessional approaches to classical theological loci, seeking to ground faith in the scriptural truth of the Word. This book invites both Lutheran and Reformed theologians and pastors to a greater appreciation, awareness, and understanding of each other’s traditions and in this way to become more fluent in each other’s milieu and more gracious toward each other. A needed book.”—**Mark Mattes**, Grand View University

“One could scarcely ask for any better-qualified exponents of classic Lutheran and Reformed views than Kolb and Trueman—two theologians who are well able to articulate a confessional stance while simultaneously nurturing friendship and a mutual Christian bond. This book can serve as a terrific introduction to the distinctive biblical interpretations and pastoral convictions of each of these two traditions, not only as usually attributed to Luther and Calvin but also as traced through the several generations (and controversies) that followed.”—**John L. Thompson**, Fuller Theological Seminary

## Calvin's Tormentors

*Understanding the Conflicts That Shaped the Reformer*

**Gary W. Jenkins**

"Jenkins's extensive survey of John Calvin's opponents, both in Geneva and further afield, offers fresh insights into the Reformer's theological outlook in one accessibly written volume. The book fills a noticeable gap in Calvin studies."—**Karin Maag**, H. Henry Meeter Center for Calvin Studies

"This provocatively titled book represents neither a defense of nor an assault on Calvin. Rather, Jenkins is exceptionally evenhanded in his treatment. He discusses the lives and exploits of those who attacked Calvin and also shows that Calvin frequently brought these attacks on himself. *Calvin's Tormentors* treats infamous fracasas as well as lesser-known ones. Its handling of the Servetus and Bolsec cases in particular is exemplary. Jenkins is a patient, thorough, and insightful scholar, not to mention a beautiful writer. This stimulating read is punctuated with lovely vignettes, pin-sharp detail, and plenty of grist for a graduate seminar or for private reflection."—**Jon Balsarak**, University of Bristol

**Volker Leppin**

Foreword by Timothy J. Wengert

"Volker Leppin tells the riveting story of the man who courageously championed reform and inspired the world. Drawing from the best scholarship on Luther, Leppin weaves new details into a biography that will now be the major work on Luther for years to come."—**Christine Helmer**, Northwestern University

"Beautifully crafted, deeply informed, and elegantly poignant, Leppin's account of Luther's life and thought is a masterwork of theological and historical writing. Leppin offers a subtle yet sympathetic portrait of a notoriously complex and controversial figure who remains shrouded in myth and legend. Luther's brilliance and flaws emerge from the pages, as one of the leading Reformation scholars of our generation expertly guides the reader through a revolutionary age. This book is essential reading for all who seek a thoughtful, balanced account of the origins and development of the Reformation."—**Bruce Gordon**, Yale Divinity School

*The Development and Meaning of Trinitarian Doctrine*

Foreword by Brian E. Daley, SJ

“With this impressive book, Anatolios takes his place alongside luminaries like R. P. C. Hanson and Lewis Ayres as one of the most distinguished interpreters of Nicaea and its legacy. Especially important is his sympathetic interpretation of Athanasius. For anyone who wants to understand Nicene Christianity and its relevance for today, Anatolios is quite simply indispensable.”—**George Hunsinger**, Princeton Theological Seminary

“A welcome addition to the flood of revisionary scholarship on patristic trinitarian theology in the last twenty years. Anatolios’s treatment helps us to see the perennial importance of the key figures of the fourth and fifth centuries for all of our thought on this central mystery of the Christian faith. The clarity of his exposition and his constant desire to draw out the consequences of historical exposition mean that this book will find a treasured place on the bookshelves of theologians and theology students across the board.”—**Lewis Ayres**, Durham University

Roman but Not Catholic

*What Remains at Stake 500 Years after the Reformation*

Kenneth J. Collins and Jerry L. Walls

“For decades, there has been a spirited polemic against Protestantism that sought intellectual solace and resolution in converting to Rome. It was only a matter of time before somebody, somewhere, would challenge this whole operation. Collins and Walls have done so in a way that lowers the temperature but does not shirk the full range of issues at stake. The claims of the Roman church are subject to searching examination in an irenic yet candid assessment. No doubt the debate will continue; we can only hope that the tone and content will be better as a result of their efforts.”

Dictionary of Latin and Greek Theological Terms

*Drawn Principally from Protestant Scholastic Theology, 2nd ed.*

Richard A. Muller

“Of the thousands of books in my academic library, there are only three titles that I treasure so highly that I keep one copy at my office and another at home. In the early years of my academic career, Muller’s dictionary was the very first to attain such esteemed status. Not only is it a repository of information impossible to find so quickly anywhere else, it is just a darn good read. It’s a primer of Latin syntax and at the same time a sophisticated introduction to careful theology. It’s a thrill to see it newly improved, some thirty years later! Serious students of Latin, serious students of theology, and—frankly—serious students of clear thought will be in Richard’s debt for another generation to come. Well done!”

## The Christian World around the New Testament

Richard Bauckham

*The Christian World around the New Testament* brings together Richard Bauckham's well-known work on Gospel origins, early Christianity, and patristic literature in one convenient volume.

Containing thirty-one studies published over Bauckham's distinguished career, this volume ranges widely over early Christianity and early Christian literature in the New Testament and the early patristic periods. It reflects the author's conviction that the historical study of early Christianity should not isolate New Testament literature from other early Christian literature but must take full account of such sources as the apostolic fathers and Christian apocryphal literature.

Some of these studies further develop themes from Bauckham's books on aspects of the Gospels, including the intended audiences of the Gospels, how Gospel traditions were transmitted, the role of the eyewitnesses in the origins of the Gospels, the importance of Papias's evidence about Gospel traditions, and the relationship between canonical and Gnostic Gospels. Some studies relate to important people, such as Peter, Barnabas, Paul, and James. Bauckham's work includes a full investigation of the evidence for the martyrdom of Peter, an attempt to locate the estate of Publius where Paul stayed on Malta, and studies on the Sabbath and the Lord's Day in both the New Testament and patristic periods. Other studies survey the main categories of apocryphal Christian literature, including the apocryphal Gospels and Acts, with a special focus on noncanonical apocalypses, such as the *Apocalypse of Peter* and the *Latin Vision of Ezra*.

Published simultaneously with Mohr Siebeck's hardcover edition, this paperback edition will be indispensable to scholars and students of the New Testament and the early church.

**Richard Bauckham** (PhD, University of Cambridge) is senior scholar at Ridley Hall, Cambridge. He is also a visiting professor at St. Mellitus College, London, and Emeritus Professor of New Testament at the University of St. Andrews. Bauckham is a Fellow of the British Academy and the author of numerous books, including *Gospel of Glory*, *The Testimony of the Beloved Disciple*, *The Jewish World around the New Testament*, and *Jesus and the Eyewitnesses*.

## The Divine Christ

*Paul, the Lord Jesus, and the Scriptures of Israel*

**David B. Capes**

ACADIA STUDIES IN BIBLE AND THEOLOGY

Craig A. Evans, series editor

“Capes reprises his own foundational work on this topic and engages the converging approaches of other scholars. The result is a comprehensive and accessible account of Paul’s understanding of Jesus Christ as fully divine.”—**Richard Bauckham**, University of St. Andrews

“A brilliant examination of the meaning of ‘Lord’ in ancient Judaism, in modern scholarship, and in the Pauline Letters. What Capes demonstrates, with acumen and insight, is that Paul was among those who considered Jesus as Lord in the strongest possible sense, and the highest Christology we can imagine was indeed among the earliest. This erudite and learned volume is for anyone interested in the Christology of the early church.”—**Michael F. Bird**, Ridley College, Melbourne, Australia

“When do we consider all the New Testament texts that quote the Old Testament and apply to Jesus what is said about Yahweh, the one and only God of creation? English readers don’t usually think of these passages, because we just see the word ‘Lord’ and move on. Capes leads us on a sleuthing exercise to discover and understand the significance of these passages. Readers will be astounded at how many there are and will be greatly encouraged by what their meanings add up to.”  
—**Craig L. Blomberg**, Denver Seminary

“Capes extends the argument he first presented in his important book *Old Testament Yahweh Texts in Paul’s Christology* and responds to some recent developments in scholarly discussion. By pressing home useful distinctions and carefully attending to textual and contextual features, Capes elucidates crucial aspects of the earliest and fully divine Christology. This volume sparkles with common sense and judicious judgment, shedding light on a perennially contentious issue.”—**Chris Tilling**, St. Mellitus College

“Every generation of students has to struggle anew with complex questions regarding the status and nature of Christ in the New Testament and early Christian thought. To this weighty subject Capes brings proven expertise, crystal clarity of expression, and penetrating analysis of interpretations past and present.”—**Nijay K. Gupta**, Portland Seminary

“Capes extends the conclusions of his seminal work on Paul’s early high Christology and makes the best of contemporary scholarship accessible without getting lost in the weeds. Both beginning students and seasoned scholars will benefit from this valuable work.”—**Ben C. Blackwell**, Houston Baptist University

**David B. Capes** (PhD, Southwestern Baptist Theological Seminary) is associate dean of biblical and theological studies and professor of New Testament at Wheaton College. He previously taught at Houston Baptist University. ## Introducing the New Testament

*A Historical, Literary, and Theological Survey, 2nd ed.*

**Mark Allan Powell**

This engaging and up-to-date New Testament introduction has been carefully designed for the classroom. Mark Allan Powell presents disputed and controversial issues fairly, neither dictating conclusions nor privileging skepticism over faith-based perspectives. A recognized expert in New Testament studies, he nevertheless writes in a lively and lucid style that communicates well to undergraduates. Chapters appear in canonical order but are designed for assignment in any order. Besides helpful teaching aids like sidebars, maps, tables, charts, glossary terms, diagrams, and suggestions for further reading, this full-color textbook also includes beautiful artwork illustrating the reception of the New Testament through various times and cultures.

### PRAISE FOR THE FIRST EDITION

“Drawing on several decades of effective classroom teaching, Powell has produced the quintessential ‘user-friendly’ introduction to the New Testament, which should be a welcome addition to any New Testament teacher’s pedagogical resources. He has put student and teacher alike in his debt.”—**Mikeal C. Parsons**, Baylor University

“*Introducing the New Testament* is just what today’s students need. Adopting this book as the primary text for introductory Bible courses (in a college, seminary, or church) is a no-brainer. I recommend it highly.”—**Craig A. Evans**, Houston Baptist University

“Beautifully presented, accessibly written, clearly organized, and attentive to the beginning student. Both students and faculty will benefit from engaging this book.”—**Stephen E. Fowl**, Loyola College in Maryland

“This splendid introduction to the New Testament is vivid, engaging, and designed to reach a broad audience. As a resource for teachers and students, it is excellent.”—**Craig R. Koester**, Luther Seminary

“*Introducing the New Testament* is a real gem, a true diamond, not in the rough but well polished.”—**Raymond F. Collins**, The Catholic University of America and Brown University

“A fine introduction. . . . [Powell] has offered the fruit of his years of teaching to make ‘introducing the New Testament’ academically a lively and rewarding experience.”—**Peter J. Judge**, *Review of Biblical Literature*

“This elegant undergraduate introduction to the NT by Mark Allan Powell is as engaging, accessible, and instructive as it is beautiful.”—**Séamus O’Connell**, *Journal for the Study of the New Testament*

“The engaging style of writing and the aesthetically pleasing layout, as well as the maps, sidebars, and glossary, recommend this book to its intended audience of students at a college, university, or seminary.”—**Agnes Choi**, *Biblical Theology Bulletin*

“[An] excellent introduction to the New Testament. It is thoroughly geared to the classroom, offering clear and solid information on the context and content of the various New Testament books. The textbook is beautifully presented.”—**Donald Senior, CP**, *The Bible Today*

# “A lively and rewarding experience.”

—Review of Biblical Literature

**Fig. 1.2.** Death of a prophet. Mark 6:14–29 tells the story of a gruesome banquet in which Herod Antipas provides his stepdaughter with “the head of John the Baptist on a platter” after her mother, Herodias, prompts her to request this as a reward for pleasing the drunken ruler with her dancing. (Bridgeman Images)

**Herodias is a ruler of a quarter of a province (tetrarch).**

case, Herod Antipas ruled less territory than did Herod the Great (whose lands were divided when he died), and he was only a tetrarch, not a king. Still, his tenure was a long one, and it included the entire time of Jesus’s life and ministry in Galilee.

About the time Jesus began his public ministry, John the Baptist criticized Antipas for marrying his niece Herodias, who was already married to a different uncle. Antipas had John arrested and, later, beheaded at Herodias’s request (Mark 6:14–29). Luke’s Gospel reports that Antipas also took an ominous interest in Jesus, who refers to the ruler as a “fox” (13:31–33)—probably a reference to his penchant for violence (the Jews considered foxes to be rapacious animals that would kill not only for food but also for sport). According to Luke, Antipas heard speculation that Jesus might be John the Baptist raised from the dead (9:7–9), and he examined Jesus briefly when he was arrested in Jerusalem, hoping to see Jesus perform a miracle (23:6–12).

**Porcius Pilate**

Porcius Pilate ruled Judea as a prefect or procurator from 26 to 36 CE. He was, in essence, a governor who served as the representative of Caesar. Pilate is portrayed in some literature (notably the writings of Philo of Alexandria) as a cruel ruler who hated the Jews and did not understand their religion. Some scholars think that this vilification is perhaps exaggerated, but many reports do indicate that Pilate’s term in office was marred by episodes of conflict and violence. During his first week in power he sought to install imperial banners in Jerusalem, which precipitated a crisis among Jews, who saw the banners as idolatrous. Embarrassed, Pilate removed the banners in response to virulent protest and threats of riot. He later used temple funds to finance an aqueduct, and this precipitated more protests, but this time he did not back down; he sent soldiers (disguised as civilians) into the crowd of protesters and, at a prearranged signal, had them beat and kill people at random. The New Testament reports that Pilate was the governor who sentenced Jesus to be crucified while also declaring him to be innocent (Matt. 27:1–26; Mark 15:1–15; Luke 23; John 18:28–19:26). Some years later, Pilate was recalled after using extreme force to suppress a religious revival led by a Samaritan prophet. Two more procurators of Judea figure in later New Testament stories: Felix (33–40 CE) and Festus (40–42 CE), both of whom kept Paul imprisoned in Caesarea and presided over his hearings there (Acts 23–25).

**Herod Agrippa I**

Herod Agrippa I ruled Galilee (like Herod Antipas) from 37 to 41 CE and then became king over all of Palestine (like his grandfather Herod the Great) from 41 to 44 CE. He is also simply called “Herod” in the New Testament, which can be confusing for readers who do not realize there are three different people who bear that name; also, the person

**Map 1.2.** Palestine in the time of Jesus.

**Fig. 1.4.** Herod the baby killer. Herod the Great will always be remembered for “the massacre of the innocents” described in Matthew 2:1–18 and portrayed in this 16th-century fresco from Verona (northern Italy). The story is not mentioned in any other ancient record, but historians agree that it seems to be supported by the sort of atrocities for which the otherwise capable ruler was renowned. (Bridgeman Images)

Ethnically an Idumean, Herod was considered to be “half-Jewish,” but he was viewed by the Jewish people as a foreigner and a Roman collaborator. Though Herod the Great appears to have been a competent ruler in many respects, he was famously paranoid to the point that he actually inspired a Roman proverb attributed to Caesar Augustus: “Better to be a pig than a son in the house of Herod” (the Romans found it humorous that Herod did not eat pork but did kill three of his children when he suspected them of wanting to usurp his throne). Herod also murdered his Jewish wife, Mariamne, when he suspected her of plotting against him, and this incident inspired numerous legends (e.g., tales of how he remained hopelessly in love with her and/or was haunted by her ghost). Herod was ruler of Palestine at the time Jesus was born (Matt. 2:1), and he remains known to Christians for the biblical story in which he confirms the magi and orders a massacre of babies in Bethlehem (Matt. 2:1–18).

**Herod Antipas**

Herod Antipas ruled Perea and Galilee from 4 BCE to 39 CE. In Roman literature he is often referred to simply as “Antipas,” but the New Testament Gospels consistently call him “Herod,” and this can lead to some confusion, since Herod the Great is also called “Herod” in the New Testament. In any

## A Hermeneutic of Wisdom

*Recovering the Formative Agency of Scripture*  
J. de Waal Dryden

How does the Bible shape us in our deepest affections and convictions? In this book, experienced teacher and scholar J. de Waal Dryden develops an integrated hermeneutic that connects the Bible to spiritual formation and the development of Christian virtues. He argues that this is actually what the Bible was written for and explains how to develop reading strategies built around this central conviction. Dryden challenges conceptions of the Bible as a collection of texts whose primary purpose is to communicate theology, ethics, or history. He asserts that the whole Bible can be understood as a wisdom text that directs its readers morally, shapes them in their deepest affections and convictions, and impacts how they look at the world and live in it.

Offering an innovative hermeneutical approach that goes beyond theory to concrete exegesis, *A Hermeneutic of Wisdom* will serve as an ideal supplement to standard hermeneutics textbooks. It will also be useful for biblical scholars, theologians, and pastors.

# Interpreting the God-Breathed Word

*How to Read and Study the Bible*

**Robbie F. Castleman**

Christians often affirm that “Scripture is God’s Word.” But what do they truly mean by this affirmation, and why should it radically change the way they read and study Scripture? If Scripture is God’s Word, it is necessarily the God-breathed Word of who God is: Father, Son, and Holy Spirit.

Over the past few decades, a number of evangelical theologians and biblical scholars have become convinced that responsible biblical hermeneutics must, to some extent, pivot on the notion that the Bible is a form of divine communication. This biblical interpretation textbook provides an accessible introduction to the latest approaches in evangelical hermeneutics. Having many years’ experience teaching hermeneutics to undergraduates, Robbie Castleman explains complex themes in an engaging way. She addresses all the current schools of thought in contemporary evangelical hermeneutics and incorporates recent important trends in biblical interpretation.

*Interpreting the God-Breathed Word* helps students recognize the living Word as they read and study Scripture as an act of being engaged by the Triune God of grace who breathed and still breathes “the Word of the Lord.” The book will also appeal to pastors and Bible study leaders.

## The Letter and Spirit of Biblical Interpretation

*From the Early Church to Modern Practice*

Keith D. Stanglin

For the better part of fifteen centuries, Christians read Scripture on two complementary levels—the literal and the spiritual—and their interpretation was regulated by the common doctrine passed down in the rule of faith. In the modern period, a gradual but significant shift occurred in Bible reading. The spiritual sense became marginalized in favor of the literal sense, which came to be equated with human authorial intent. Doctrinal traditions were barred from consideration, and the Bible came to be read and interpreted like any other book.

This brief, accessible introduction to the history of biblical interpretation examines key turning points and figures and explains the principles behind the often confusing biblical interpretations of the early church. The author, an expert on biblical interpretation and church history, examines the assumptions behind premodern exegesis that were obscured in the modern era, arguing for a recovery of the premodern spiritual habits of reading Scripture. This work will be useful as a supplementary textbook for courses in interpretation and church history.

## Interpreting Scripture with the Great Tradition

*Recovering the Genius of Premodern Exegesis*

Craig A. Carter

“The rediscovery and celebration of patristic exegesis continues apace and across a wide ecumenical spectrum. Carter offers here a robust, readable, and bracing defense of a fundamental truth: patristic exegesis offers not only a ‘method’ for reading but a *theology* of Scripture. Following this insight Carter develops a theology of Scripture rooted deeply in the Nicene doctrine of God and poses a stark challenge to all who would separate the reading of the text and our theological confession.”—**Lewis Ayres**, Durham University

“I love this book! Carter unequivocally starts out with the Christian Platonism that informed the Nicene tradition and unabashedly takes aim at the naturalism that undergirds biblical exegesis in modernity. Carter’s contemplative logic is irrefutable: if Scripture participates in the Word of God, then we are surely right to see Christ sacramentally present also in the Old Testament Scriptures.”—**Hans Boersma**, Regent College

“Every academic in the fields of Bible and theology needs to read this book.”—**James M. Hamilton Jr.**, Southern Baptist Theological Seminary

“This is a stimulating and accessible account of how to carry on reading the Bible theologically.”—**Fred Sanders**, Torrey Honors Institute, Biola University

## Since the Beginning

*Interpreting Genesis 1 and 2 through the Ages*  
 Kyle R. Greenwood, editor

Few passages in the Hebrew Bible have been subject to more scrutiny than Genesis 1 and 2. In this volume, a diverse international team of experts guides readers through interpretations of the Genesis creation stories throughout history, inviting readers to consider perspectives from the earliest times to the present.

Written with the capabilities and needs of students in mind, this book offers an accurate description of how Genesis 1 and 2 have been read through the centuries and explains each interpretive approach in its own terms. Each chapter includes sidebars and suggestions for further reading. *Since the Beginning* is well suited for courses on the Old Testament, Genesis and creation, the history of interpretation, and science and religion. It will also appeal to teachers, pastors, and others following the creation debates and discussions.

## Ancient Near Eastern Thought and the Old Testament

*Introducing the Conceptual World of the Hebrew Bible, 2nd ed.*

**John H. Walton**

This volume surveys the literature of the ancient Near East, bringing insight to the interpretation of specific Old Testament passages. The new edition has been thoroughly updated and revised throughout to reflect the refined thinking of a mature scholar. It includes over thirty illustrations.

### ENDORSEMENTS

“Anyone seeking a better understanding of how the Hebrew Bible achieved its singular vision of the divine and forged a language that still speaks to many today should welcome this second edition of John Walton’s book. It delivers succinct presentations of major literary achievements among neighboring cultures even as it clarifies the many ways Israel shaped individual meanings and teachings from or against them.”—**Jack M. Sasson**, Vanderbilt University (emeritus)

“This is an amazing book. It takes the reader on a tour of the world of the Bible in a way that makes ancient texts come alive. Everything that matters is here, and Walton is the teacher we would all love to have. Unmatched for clarity of thought and power of presentation, this classic introduction to ancient Near Eastern culture is now available in an updated edition.”—**Karel van der Toorn**, University of Amsterdam

### PRAISE FOR THE FIRST EDITION

“Comparisons between the culture of biblical Israel and the other cultures of the ancient Near East have long been a fundamental part of biblical scholarship, but more often than not, they have been presented in piecemeal, isolated fashion. Walton offers a much broader reach, giving us arguably the most extensive review of these cultural comparisons now available together with a serious meditation on what the enterprise of cultural comparison is all about in biblical study. One may not always agree with his views, but invariably one will come away challenged to rethink the purpose and value of such comparisons for understanding the Hebrew Bible and its world.”—**Peter B. Machinist**, Harvard University

“While the book is designed for students and nonspecialists, the attempt to synthesize the material in such a thorough fashion should intrigue scholars.”—**Tammi J. Schneider**, *Religious Studies Review*

## Encountering the Book of Psalms *A Literary and Theological Introduction, 2nd ed.*

**C. Hassell Bullock**

ENCOUNTERING BIBLICAL STUDIES

Walter A. Elwell, series editor

According to Hassell Bullock, “No collection of poems has ever exercised as much influence on the Western world as the Book of Psalms.” The attraction for Jews, Christians, and nonbelievers is surely the personal element that pervades these poems, which describe the human situation in all its complexity. Though the Psalms are perhaps the most familiar portion of the Hebrew Bible, they are also among the most difficult to interpret.

In this thoroughly updated second edition, Bullock offers a guide to the Book of Psalms that is informed by current scholarship and written at an accessible level. Designed for the undergraduate classroom, *Encountering the Book of Psalms* includes photos, sidebars, and other pedagogical aids and features a new interior design.

### PRAISE FOR THE FIRST EDITION

“This is an excellent summary of information about the various scholarly opinions about the Book of Psalms. . . . The ‘Encountering’ series is designed to appeal to a modern reader. Clear headings, sidebars, study questions, tables, and various graphical elements make the pages visually interesting. . . . An excellent introduction to scholarly and devotional approaches to the Psalms. A student or pastor building a personal library should seriously consider adding this volume to his Psalms shelf.”—**L. Russ Bush**, *Southern Baptist Journal of Theology*

“A scholarly and quite detailed work. . . . It is a helpful, comprehensive, well-written, and well-presented introduction to the Book of Psalms. Anyone beginning serious study of the Psalms will find Bullock’s work to be an excellent starting point.”—**Jamie Grant**, *Themelios*

“Bullock’s book is a gift to all who pray, live, and love the Psalter. . . . Numerous pictures, charts, tables, definitions, and devotional thoughts are sprinkled throughout *Encountering the Book of Psalms*, making this book a treasure for those who seek a superb devotional and teaching resource on the Psalms.”—**Reed Lessing**, *Concordia Journal*

## Romans, 2nd ed.

Thomas R. Schreiner

BAKER EXEGETICAL COMMENTARY ON THE NEW TESTAMENT

Robert W. Yarbrough and Joshua Jipp, series editors

This substantive evangelical commentary on Romans is one of the most popular in the award-winning BECNT series and has been praised as a great preaching commentary. This new edition, updated and revised throughout, reflects Thomas Schreiner's mature thinking on various interpretive issues. As with all BECNT volumes, this commentary features the author's detailed interaction with the Greek text, extensive research, thoughtful verse-by-verse exegesis, and a user-friendly design, making it a useful tool for pastors, church leaders, students, and teachers.

### PRAISE FOR THE FIRST EDITION

"Schreiner's commentary on Romans is a very good contribution to the study of this Pauline epistle. Schreiner has asked the right questions about it and given balanced answers to them. His commentary will be a great help to students, teachers, and general educated readers of the Pauline Letters, especially to pastors who seek to preach on Romans."

—Joseph A. Fitzmyer, SJ, Catholic University of America

"Schreiner has produced an exemplary commentary on one of the most challenging books of the New Testament canon. His book contains the kind of incisive exegesis and theological astuteness that are mandatory for a Romans commentary. Schreiner's insightful discussions unflinchingly lead the reader to the heart of an issue, his arguments are clearly presented, and his conclusions are carefully and wisely drawn. The scholarship is informed and up-to-date. The end result is an exceptionally clear and concise treatment, yet with an impressive amount of detail. Schreiner's work will take its place among the best commentaries on Romans currently available."

—Donald A. Hagner, Fuller Theological Seminary

"A clearly written, well-informed guide through the text of this important letter."—James C. Miller, *Interpretation*

"This is a serious work which will be well received by those who wish to dig deeply into the riches of the Epistle to the Romans."—*Preaching*

"Sermons, Bible studies, and lectures all stand to benefit greatly from the wealth of material between its covers."—*Vox Reformata*

"Many excellent commentaries have been written on Paul's letter to the Romans, and this recent contribution compares favorably to the best in that tradition."—David K. Lowery, *Bibliotheca Sacra*

**Thomas R. Schreiner** (PhD, Fuller Theological Seminary) is James Buchanan Harrison Professor of New Testament Interpretation and professor of biblical theology at Southern Baptist Theological Seminary. He has taught at SBTS for more than twenty years. ## Judges & Ruth

Laura A. Smit and Stephen E. Fowl

BRAZOS THEOLOGICAL COMMENTARY ON THE BIBLE

R. R. Reno, general editor; Robert W. Jenson, Robert Louis Wilken, Ephraim Radner, Michael Root, and George Sumner, series editors

The Brazos Theological Commentary on the Bible encourages readers to explore how the vital roots of the ancient Christian tradition inform and shape faithfulness today. In this addition to the series, Laura Smit and Stephen Fowl offer a theological reading of Judges and Ruth. As with other volumes in the series, this commentary is designed to serve the church—providing a rich resource for preachers, teachers, students, and study groups—and to demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible.

## Psalms 101–150

Jason Byassee

BRAZOS THEOLOGICAL COMMENTARY ON THE BIBLE

R. R. Reno, general editor; Robert W. Jenson, Robert Louis Wilken, Ephraim Radner, Michael Root, and George Sumner, series editors

“In his earlier writing Jason Byassee has indicated a readiness and capacity to read the Psalms with a christological tilt after the manner of Augustine. Here he carries out that interpretation with verve and with imaginative freedom. His commentary serves well in the Brazos series and will be a ready and compelling resource for the church in its thinking, singing, praying, and preaching.”—**Walter Brueggemann**, Columbia Theological Seminary

“Only when we go ‘hunting for Jesus’ do we end up reading the Psalms aright. Such is the bold claim that undergirds Byassee’s beautiful commentary on the Psalms. Byassee makes clear that figural or allegorical readings of the Psalms do not abandon the world or deny the flesh. Instead, drawing on ‘christologically maximalist’ readings of Augustine and others, Byassee shows that we come to know the God of time and place—the God of the incarnation—when we turn to Christ not only as the goal of our reading but also as the very location where it all starts.”—**Hans Boersma**, Regent College

**Jason Byassee** (PhD, Duke University) is the inaugural Butler Chair in Homiletics and Biblical Hermeneutics at Vancouver School of Theology. He previously served as senior pastor of Boone United Methodist Church in the Western North Carolina Conference and taught at Duke Divinity School. He serves as a contributing editor to the *Christian Century* and is the author of numerous books, including *Trinity: The God We Don’t Know*, *The Gifts of the Small Church*, and *Praise Seeking Understanding: Reading the Psalms with Augustine*.

## Scripture and Its Interpretation

*A Global, Ecumenical Introduction to the Bible*

Michael J. Gorman, editor

“A treasure-house of resources for teachers and students of the Bible, as well as for anyone who wants to become more deeply informed about the texts that are Sacred Scripture for the Christian church. The volume provides balanced attention to history and hermeneutics, with particular attention to the reception of the biblical writings in various global and ecclesial contexts. I am not aware of any other book that packs so much valuable information about the Bible into such a concise and readable form. Its essays demonstrate the distinctive, twofold character of fine teaching: they are accessible for serious introductory study while, at the same time, full of mind-expanding perspectives for readers who may have studied the Scriptures for a lifetime.”—Richard B. Hays, Duke Divinity School

“Scholarly yet eminently accessible to the nonspecialist, this work is enlightening both as a historical introduction to the Bible and as an overview of how it has been read from ecumenical, intercontinental, and thematic perspectives. A tour de force!”—Brother John, Taizé Community, France

## The Sermon on the Mount and Human Flourishing

*A Theological Commentary*

Jonathan T. Pennington

“A remarkable piece of work: erudite, careful, balanced, and fresh. Grounded in meticulous historical exegesis but shaped by a distinctive sensitivity to theological hermeneutics, the book succeeds in proclaiming what is often undersold in our evangelicalism—the goodness of the good news by which we come to flourish.”—Grant Macaskill, University of Aberdeen

“When it comes to the Sermon on the Mount, many scholars find it difficult to comprehend the Sermon, let alone to make a contribution to the history of Christian thinking about it. Pennington has accomplished both, baptizing this great collection of Jesus’s teachings into the wisdom tradition of human flourishing and virtue ethics. Even where I disagree with Pennington, I have learned from his logical and clear case for the Sermon as a summons to human flourishing. An exceptional classroom tool as well as a preacher’s steady resource.”—Scot McKnight, Northern Seminary

**Jonathan T. Pennington** (PhD, University of St. Andrews) is associate professor of New Testament interpretation and director of research doctoral studies at the Southern Baptist Theological Seminary. ## The Bible in a Disenchanted Age

*The Enduring Possibility of Christian Faith*

R. W. L. Moberly

THEOLOGICAL EXPLORATIONS FOR THE CHURCH CATHOLIC

“This delightful little book addresses a very large question: How does reading the Bible differ from reading works that are comparable to it in important ways? Scrupulously fair and, in fact, generous to non-Christians (including contemporary skeptics), its author draws on his profound engagement with Christian sources and his immense humanistic learning to probe the challenges and subtleties—and also the rewards—of holding a commitment to a scriptural religion in our time. I highly recommend this thoughtful, sensitive, and stimulating volume.”—**Jon D. Levenson**, Harvard University

“In this gem of a book, Moberly addresses the difficult question of what it might mean to trust the Bible in an era marked by distrust, particularly when any sort of religious claim is at stake. With his characteristic clarity, candor, breadth of learning, and intellectual generosity, Moberly proves a sure-footed guide through the thicket of challenges to trusting both the Bible and the God to whom it bears witness.”—**Marianne Meyre Thompson**, Fuller Theological Seminary

## A Concise Guide to Reading the New Testament

*A Canonical Introduction*

David R. Nienhuis

“Nienhuis offers a robustly theological proposal about how to read the New Testament as a collection of texts that are foundational for Christian faith and practice. His reading highlights the carefully structured architecture of the generally received NT canon, as well as the way in which the texts form Christian disciples. Not to be overlooked are his illuminating citations of passages illustrating the reception of the NT books by patristic interpreters. A thought-provoking resource for all who seek to introduce students to the NT as Christian Scripture.”—**Richard B. Hays**, Duke Divinity School

“Of the making of New Testament introductions there is no end—yet this volume is truly unique: a guide to the New Testament as a coherent, ordered, and interconnected collection of writings about God’s saving work in Jesus and the call to discipleship. This fascinating and insightful volume will benefit readers of Scripture in various settings, from the formal classroom to the church to the home.”—**Michael J. ## Introducing Medieval Biblical Interpretation

*The Senses of Scripture in Premodern Exegesis*

Ian Christopher Levy

“This is not simply a book about the past. It is a sly way of showing how to interpret the Bible today. Levy, a learned scholar thoroughly at home in medieval culture and thought, introduces contemporary Christians to the deep spiritual world that opens up when the Bible is read as the Word of God.”—**Robert Louis Wilken**, University of Virginia

“Levy has taken a vast amount of information that is often available only to the specialist and made it easily and enjoyably accessible to nonexperts. For those unfamiliar with medieval biblical interpretation, this volume is a readable yet rich introduction to the topic.”—**Greg Peters**, Torrey Honors Institute, Biola University

“Levy’s book provides a rich banquet for both specialist and nonspecialist readers interested in the history of biblical exegesis and offers food for thought for scholars currently engaged in biblical study.”—**Marcia L. Colish**, Oberlin College and Yale University

## Romans

Scott W. Hahn

CATHOLIC COMMENTARY ON SACRED SCRIPTURE

Peter S. Williamson and Mary Healy, series editors

“A masterful commentary on Romans that is theologically insightful and pastorally relevant. While dealing adeptly with the historical and literary background of Romans, Hahn always keeps the focus on its theological content and meaning for our lives. I recommend Hahn’s work to all who want to discover the powerful message of Paul’s great Letter to the Romans.”—**Frank J. Matera**, Catholic University of America

“Hahn’s commentary on Romans is lucid, penetrating, theologically alert, and a joy to read. It will be of interest to both scholar and nonscholar alike. His status as one of the most prominent Catholic converts from Protestantism makes his treatment of this great Pauline text, which was of such significance to Luther and the other Reformers, of particular interest.”—**Robert Barron**, Auxiliary Bishop of Los Angeles

“One of the best commentaries available on Romans from within the Catholic tradition. A treat to read and a treasure to hold.”—**Michael F. Bird**, Ridley College, Melbourne, Australia

**Scott W. Hahn** (PhD, Marquette University) is the Father Michael Scanlan, TOR, Chair of Biblical Theology and the New Evangelization at Franciscan University of Steubenville and is founder and president of the Saint Paul Center for Biblical Theology. ## Jesus the Lord according to Paul the Apostle

*A Concise Introduction*

**Gordon D. Fee**

Foreword by Cherith Fee Nordling

"Gordon Fee is among the most respected New Testament scholars of our time. With this focus on Jesus as Lord he offers the church a practical, compelling, and even eye-opening demonstration of Paul's high Christology. He gives sound treatment of crucial texts and of the relation of the Father, Son, and Spirit in Paul's letters. This book deserves your attention."—**Klyne Snodgrass**, North Park Theological Seminary

"Exegetically grounded and theologically synthetic, academic and devotionally reverent, grounded in research but practical and simple to follow, Fee's *Jesus the Lord according to Paul the Apostle* makes the fruits of his years of careful work on Paul's letters and Christology more widely available. Intertextually rich and theologically provocative, this book invites us to rethink traditional academic constructions of Paul's theology in light of the primary data provided rather conspicuously by Paul's own letters."—**Craig S. # Cultural Insights for Christian Leaders

*New Directions for Organizations Serving God's Mission*

**Douglas McConnell**

MISSION IN GLOBAL COMMUNITY

Scott W. Sunquist and Amos Yong, series editors

This volume helps leaders and leaders-in-training become students of culture who can then contextualize what they learn for their own organizational settings. Missiologist Douglas McConnell considers how new insights from cognitive studies in anthropology and psychology impact our understanding of the role of Christian organizations. He explores culture and human nature as the context underlying all the various worlds in which leaders serve. *Cultural Insights for Christian Leaders* enables readers to understand intercultural dynamics so they can shape their organizational cultures and lead their organizations in a missional direction.

This latest volume in an award-winning series that emphasizes mission as partnership with Christians around the globe will appeal to professors and students of leadership, mission, and intercultural studies; pastors and leaders of Christian organizations; and mission organizations and training institutions.

## ABOUT THE SERIES

The Mission in Global Community series reframes missiological themes and studies for students under the common rubric of mission as partnership with Christians throughout the global community. Series authors draw upon their own global experiences and those of their global colleagues to illumine present realities and chart a course into the future. Series editors are Scott W. Sunquist, dean of the School of Intercultural Studies and professor of world Christianity at Fuller Theological Seminary, and Amos Yong, director of the Center for Missiological Research and professor of theology and mission at Fuller Theological Seminary.

**Douglas McConnell** (PhD, Fuller Theological Seminary) is professor of leadership and intercultural studies at Fuller Theological Seminary. He previously served as dean of the School of Intercultural Studies and as provost at Fuller. McConnell spent fifteen years as a missionary in Australia and Papua New Guinea, taught at Wheaton College, and served as the international director of Pioneers. In addition to his leadership and teaching responsibilities at Fuller, he continues to be actively involved as a mission advisor and workshop leader worldwide. He has edited several volumes and is coauthor of *The Changing Face of World Missions*.

## Intercultural Discipleship

*Learning from Global Approaches to Spiritual Formation*

**W. Jay Moon**

ENCOUNTERING MISSION  
 A. Scott Moreau, series editor

“*Intercultural Discipleship* offers a treasure trove of perceptive insights and practical suggestions for effective discipling across cultures. Jay writes for the practitioner, but does so in a way that is anchored in a solid theoretical framework. Rather than offering quick fixes or simplistic solutions, he welcomes the reader into a communal process for the purpose of contextualizing discipleship. No cross-cultural worker should be without this book!”—**Gregg A. Okesson**, E. Stanley Jones School of World Mission and Evangelism, Asbury Theological Seminary

“The cry for better discipleship methods is heard around the globe, but most methods take a fill-in-the-blank approach. *Intercultural Discipleship* charts a comprehensive and creative way forward like no other book in the field. I believe it will soon become a classic text in the discipleship literature.”—**Darrell Whiteman**, publisher, American Society of Missiology

**W. Jay Moon** (PhD, Asbury Theological Seminary) is professor of church planting and evangelism and codirector of the Office of Faith, Work, and Economics at Asbury Theological Seminary. He previously taught at Sioux Falls Seminary and also served in Ghana, West Africa, with SIM.

## Intercultural Discipleship, Video-Enhanced Ebook Edition

*Learning from Global Approaches to Spiritual Formation*

**W. Jay Moon**

ENCOUNTERING MISSION  
 A. Scott Moreau, series editor

Today's students predominantly receive information via digital sources, which has led to an increase in an oral (versus print) learning preference. This enhanced ebook edition integrates videos throughout the text so instructors can teach and educate in a way that is conducive to the learning preferences of today's digitally oriented students. Digit-oral learners can access information in three ways:

- **Graze:** Each chapter has a two-minute video summarizing the main content and material found within that chapter.
- **Dive:** Each video contains a “hook” that motivates the reader to dive into the chapter and read.
- **Connect:** Discussion blogs in each chapter connect readers to a learning community through a shared story.

Available for purchase through the Apple iBooks store.

## Preaching Jesus Christ Today

*Six Questions for Moving from Scripture to Sermon*

Annette Brownlee

“Drawing on the work of Lindbeck and Frei, Brownlee provides not only a substantive account of what the Holy Spirit does in and through the sermon but also develops what I can only describe as exercises to help preachers get out of the way of the Spirit. I cannot imagine a better book for teaching seminarians not only the ‘what’ but also the ‘how’ of preaching. The book is also invaluable for those who have been overdetermined by theories of preaching.”—**Stanley Hauerwas**, Duke Divinity School

“In this well-researched volume, Brownlee has produced a treasure for preachers. She asks six probing theological questions about how preachers relate to biblical texts and then provides solid advice on how to explore each of them. She has a profoundly theological vision of preaching and a firm grasp of the practicalities of crafting weekly sermons. This book will be extraordinarily effective in both broadening and deepening one’s repertoire of sermons.”—**Thomas G. Long**, Candler School of Theology, Emory University

“Brownlee honors the theological turn of homiletics with a compelling vision: an evangelical, postliberal understanding of preaching as a theological practice. Through six key theological questions, she invites preachers to dwell in the house of Scripture intratextually and thereby discern the gospel of Christ with greater depth and focus for the sake of God’s people, the church.”—**David Schnasa Jacobsen**, Boston University School of Theology

“The retrieval of figural exegesis has lacked a homiletics text until now. I pray a generation of seminarians will learn to preach from Annette Brownlee.”—**Jason Byassee**, Vancouver School of Theology

## Evangelism after Pluralism

*The Ethics of Christian Witness*

Bryan Stone

What does it mean to evangelize ethically in a multicultural country? Following his successful *Evangelism after Christendom*, Bryan Stone addresses reasons evangelism often fails and explains how it can become distorted as a Christian practice when it is narrated and constructed in the context of empire, the nation-state and its military, and consumer culture. Stone urges readers to consider a new approach, arguing for evangelism as a work of imagination and a witness to beauty rather than a crass effort to compete for converts in pluralistic contexts. He shows that how we embody the life of Christ in our own lives is the most compelling form of evangelism in today's rapidly changing world.

## Christ-Centered Preaching

*Redeeming the Expository Sermon, 3rd ed.*  
**Bryan Chapell**

In this complete guide to expository preaching, Bryan Chapell teaches the basics of preparation, organization, and delivery—the trademarks of great preaching. This new edition of a bestselling resource, now updated and revised throughout, shows how Chapell’s case for expository preaching reaches twenty-first-century readers.

### ENDORSEMENTS

“Bryan Chapell’s *Christ-Centered Preaching* was a pathbreaking book in 1994. While some writers had been urging preachers to treat every text within the redemptive flow of biblical history—always culminating in Jesus Christ—this book was the first one to tell us how to do it.

Though one of many classic manuals on expository preaching, it has always been the most detailed, analytic, practical, and comprehensive of them all. This third edition has been updated to address current issues and challenges preachers face and includes many new resources, only making this volume more invaluable.”—**Tim Keller**, pastor emeritus, the Redeemer Presbyterian Churches of New York City

“Good, better, best!’ That is how I describe editions one, two, and three of Bryan Chapell’s *Christ-Centered Preaching*. The insights, wisdom, prescriptions, and balance that have for decades made this a foundational preaching textbook have been updated, clarified, reinforced, nuanced, and thoroughly documented. Dr. Chapell expertly and seamlessly includes more material throughout. I am eager for my students—and every serious preacher—to read this new edition and let its rich and comprehensive contribution bear lasting fruit in faithful preaching.”

—**Greg R. Scharf**, Trinity Evangelical Divinity School

“Whether you’re just starting out in Bible college or have been in the pulpit for many years, this seminal book must be within arm’s reach so it can help you grow in your preaching ministry.”—**Julius J. Kim**, Westminster Seminary California

“Even if you’ve read a previous edition of this critical work, don’t fail to get this fresh edition and glean from its present-day application. This book is a necessary resource for all who feel the weight of and embrace the privilege of exalting Jesus through biblical preaching.”—**Jim Shaddix**, Southeastern Baptist Theological Seminary

**Bryan Chapell** (PhD, Southern Illinois University) is senior pastor of Grace Presbyterian Church in Peoria, Illinois, as well as president emeritus at Covenant Theological Seminary and distinguished professor of preaching at Knox Theological Seminary. He also teaches at Covenant Theological Seminary, Reformed Theological Seminary, and Trinity Evangelical Divinity School. ## The Worlds of the Preacher

*Navigating Biblical, Cultural, and Personal Contexts*

Scott M. Gibson, editor

Foreword by Bryan Chapell

“Scott Gibson by training, theory, and practice stands in a rare place to discuss the complex intersection of text, history, context, communication, and mission. His erudition, practical experience, and wisdom hand us a volume for our times. He has selected a top-tier panel of interpreters to navigate for the reader the crosscurrents that push and pull the contemporary proclaimer. Preaching has always been a complex task, and that challenge only escalates. This contribution gives a homiletical GPS for those who ride the pulpit in stormy weather.”—**Joel C. Gregory**, George W. Truett Theological Seminary, Baylor University

“With Haddon Robinson’s passing we have lost a giant of the homiletical world, but through the book *The Worlds of the Preacher* we have a remarkable piece of Haddon’s legacy that will bless a new generation of preachers. This volume is a tribute to Haddon in that his students and colleagues further develop his insights on the context of the preaching task. Anyone who preaches or teaches the Word of God will be blessed and encouraged by this outstanding volume.”—**Michael Duduit**, executive editor, *Preaching* magazine; dean, Clamp Divinity School, Anderson University

“This excellent book will make preachers aware of the many worlds that shape the sermon. From the world of the text to the world of the preacher to the multiform world of cultural diversity, today’s sermon enters a landscape that is more like a universe than a single world. Skillfully written by some of the best minds and voices in homiletics, this book will stretch your thinking and improve your preaching. I am happy to recommend it.”—**John Koessler**, author of *Folly, Grace, and Power: The Mysterious Act of Preaching*

## It Takes a Church to Baptize

*What the Bible Says about Infant Baptism*

Scot McKnight

Foreword by Todd D. Hunter

Afterword by Gerald R. McDermott

The issue of baptism has troubled Protestants for centuries. Should infants be baptized before their faith is conscious, or does God command the baptism of babies whose parents have been baptized?

In *It Takes a Church to Baptize*, renowned New Testament scholar Scot McKnight makes a biblical case for infant baptism, exploring its history, meaning, and practice and showing that infant baptism is the most historic Christian way of forming children into the faith. He explains that the church's practice of infant baptism developed straight from the Bible and argues that it must begin with the family and then extend to the church. Baptism is not just an individual profession of faith: it takes a family and a church community to nurture a child into faith over time. McKnight explains infant baptism for readers coming from a tradition that baptizes adults only, and he counters criticisms that fail to consider the role of families in the formation of faith.

*It Takes a Church to Baptize* will appeal to pastors seeking an easy-to-relay message about the biblical justification for baptizing infants, readers with a background in adult baptism considering infant baptism, parents and grandparents considering baptizing their infant children, and Christians attracted to the Anglican Church, The Book of Common Prayer, the lectionary approach to Sunday worship, and the liturgical ordering of the church calendar.

### ENDORSEMENT

“McKnight provides a controversial though ultimately compelling case for infant baptism. He narrates his own journey from previously holding to believer's baptism as an Anabaptist to now settling on infant baptism as an Anglican. McKnight offers here a robust biblical defense of infant baptism. But it not just the who and how of baptism that he tackles; the genius of this book is that McKnight elegantly explains what baptism is even about, what it means, what it does for the recipient, and why it really does take a church to baptize a child. Read it with caution: this book could change your whole view of conversion, faith, family, children's ministry, and the church!”—**Michael F. Bird**, Ridley College, Melbourne, Australia

**Scot McKnight** (PhD, University of Nottingham), Julius R. Mantey Professor of New Testament at Northern Seminary, is a world-renowned scholar, writer, and speaker. His blog, *Jesus Creed*, is one of the most popular and influential evangelical blogs. McKnight is the author or editor of more than sixty books, including *Adam and the Genome*, *Kingdom Conspiracy*, *The Jesus Creed*, *The Blue Parakeet*, *The King Jesus Gospel*, and *The Apostle Paul and the Christian Life*. He is also a canon theologian for the Diocese of Churches for the Sake of Others.

## Subversive Sabbath

*The Surprising Power of Rest in a Nonstop World*

A. J. Swoboda

Foreword by Matthew Sleeth

“If I were permitted to recommend only one book on Sabbath-keeping, *Subversive Sabbath* would be it. This one volume acquaints the reader with a vast literature on Sabbath from both the Jewish and Christian traditions. Through practical reflection questions at the end of each chapter, it provokes changes in doing as well as thinking. It explores the implications of Sabbath not only for one’s personal life but for relationships, for worship, for public life, and for the whole of creation. No one can read this book and ever again associate Sabbath-keeping with ‘blue laws’ or legalism or boredom. *Subversive Sabbath* dares one to do life as God intended from the beginning.”—**Shirley A. Mullen**, Houghton College

“Do you ever just want to pull the plug on your schedule? *Subversive Sabbath* shows you why you should and how you can; it will fundamentally change your life.”—**Joel Salatin**, Polyface Farm; editor of *The Stockman Grass Farmer*

**A. J. Swoboda** (PhD, University of Birmingham) pastors Theophilus Church in urban Portland, Oregon, and speaks regularly at conferences, retreats, churches, and seminars. ## A Guide to Christian Spiritual Formation

*How Scripture, Spirit, Community, and Mission Shape Our Souls*

**Evan B. Howard**

“The contemporary spiritual formation movement has been with us for forty years, and here we have its rich and mature fruit. The book is grounded in a solid ecumenical evangelicalism that draws deeply from historic and time-tested patterns of formation, yet is well informed by wise, current patterns and insights from the social sciences. Readers will find a comprehensive, inviting, and practical guide to spiritual formation.”—**James C. Wilhoit**, Wheaton College; author of *Spiritual Formation as if the Church Mattered*

“Howard has provided a concise ‘systematic theology’ of Christian spiritual formation in which the personal, corporate, and missional dimensions of the Christian life are closely interwoven. There are few works, if any, that match it in conciseness, practicality, and theological integrity. I highly recommend it as a course textbook.”—**Simon Chan**, Trinity Theological College, Singapore; author of *Spiritual Theology: A Systematic Study of the Christian Life*

**Sondra Wheeler** (PhD, Yale University) is Martha Ashby Carr Professor of Christian Ethics at Wesley Theological Seminary. She has decades of experience preparing ministers and teaching advanced courses in the practice of ministry. She is the author of several books, including *The Minister as Moral Theologian*.

## Sustaining Ministry

*Foundations and Practices for Serving Faithfully*

**Sondra Wheeler**

“With unusual good sense and insight Professor Wheeler has written a book that is sorely needed if we are to understand pastoral theology as integral to the theological task.”—**Stanley Hauerwas**, Duke Divinity School

“Wheeler points beyond a rules-based model to the necessity of practicing the deeply rooted Christian spiritual disciplines that form emotional and moral health. *Sustaining Ministry*, along with Wheeler’s earlier *The Minister as Moral Theologian*, is a must-read for everyone in ministry, from bishops to lay pastors.”—**Kathryn Greene-McCreight**, author of *Darkness Is My Only Companion: A Christian Response to Mental Illness*

“This is an excellent book, full of wisdom and insight for sustaining the church’s ministry and its ministers. A must-read for every seminarian and ecclesial leader.”—**Brent Waters**, Stead Center for Ethics and Values, Garrett-Evangelical Theological Seminary

**Integrative Preaching**  
*A Comprehensive Model  
 for Transformational Proclamation*  
**Kenton C. Anderson**

“Anderson brings together fascinating insights, drawn from years of experience as a preacher and teacher, in crafting a sermon model that is both cross-centered and transformative in nature. This is a book that will be of value to both novice preachers and veteran communicators.”—**Michael Dudit**, executive editor, *Preaching* magazine; Clamp Divinity School, Anderson University

“Anderson has found the right balance between proclamation that is bold and proclamation that is appropriately humble. The world lacks both, and in his person as well as his homiletical theory, Anderson models for us a manner of proclamation that is ripe for our current age. The wisdom contained in these pages will not only strengthen those of us who preach, but more importantly make the message of the One we proclaim more accessible and livable.”—**Javier A. Viera**, Drew University Theological School

**Kenton C. Anderson**, PhD, is president of Northwest Baptist Seminary and professor of preaching at ACTS Seminaries of Trinity Western University. A past president of the Evangelical Homiletics Society, he has offered [www.preaching.org](http://www.preaching.org) as a service to preachers for more than twenty years.

“An essential text for anyone who takes seriously the call to love our neighbors through preaching, regardless of denominations, ethnicities, genders, locations, and religions.”—**Luke A. Powery**, dean, Duke University Chapel

“I couldn’t be more thrilled to commend this book to preachers everywhere. It should be read by any preacher wishing to communicate effectively with the twenty-first-century congregation.”—**David Livermore**, author and thought leader on cultural intelligence and global leadership

**Matthew D. Kim** (PhD, University of Edinburgh) is associate professor of preaching and ministry at Gordon-Conwell Theological Seminary and is a past president of the Evangelical Homiletics Society. **Pete Ward** (PhD, King's College, London) is a professorial fellow in ecclesiology and ethnography at St. John's College, Durham University. He also teaches at MF The Norwegian School of Theology, Oslo, and is the author, coauthor, or editor of numerous books.

## Introducing Practical Theology

*Mission, Ministry, and the Life of the Church*  
**Pete Ward**

"An excellent introduction to practical theology that brings the church and academy together. Most importantly, it is rooted in the gospel and mission of congregations."—**Richard Osmer**, Princeton Theological Seminary

"A rich and intellectually significant account of the fundamentally practical character of theological knowledge. Ward's constructive proposal emerges from a critically respectful review of the field of practical theology, offering an account that transcends its boundaries in deeply profound ways."—**Mary McClintock Fulkerson**, Duke Divinity School

"*Introducing Practical Theology* no doubt introduces practical theology, but it goes much further, introducing a whole way of thinking about the field. Ward is a unique thinker that uncompromisingly demands that practical theology attend to real people's experiences by respecting their tacit and meaningful lived theology."—**Andrew Root**, Luther Seminary; author of *Faith Formation in a Secular Age*

**R. Robert Creech** (PhD, Baylor University) is Hubert H. and Gladys S. Raborn Professor of Pastoral Leadership and director of pastoral ministries at Truett Theological Seminary, Baylor University.

## Ethics for Christian Ministry

*Moral Formation for Twenty-First-Century Leaders*

**Joe E. Trull and R. Robert Creech**

"Two experienced, inspired pastoral theologians have given us a thorough, judicious book that is sure to become the standard text on pastoral ethics."—**Will Willimon**, Duke Divinity School; United Methodist bishop, retired

"Few things harm a congregation or ministry more than the profound moral failure of a trusted leader. Trull and Creech understand this reality, and they have created a comprehensive resource for pastors and congregations that addresses the importance of ethics in ministry. From ministers in training to seasoned pastors, all who read this book will benefit from the opportunity to think through the real temptations ministers face, the meaning of leading with integrity, and the absolute necessity of peer support and accountability. It is possible to create healthful boundaries for long-term ministry, and this book is an excellent guide for getting started."—**Angela Reed**, Truett Seminary, Baylor University

The Baker Compact Dictionary of Biblical Studies

Tremper Longman III and Mark L. Strauss

“The Baker Compact Dictionary of Biblical Studies is exactly that—a nice, handy, quick reference to technical terms, literary concepts, key people, and important topics tied to biblical studies.”

—Darrell L. Bock, Dallas Theological Seminary

“It is so helpful now to have a compact dictionary that focuses not just on ‘the Bible’ but also on ‘biblical studies,’ produced by two of the foremost scholars in the two testaments. I can see my own students keeping this book within arm’s reach as they pursue their coursework.”—David A. deSilva, Ashland Theological Seminary

“This dictionary supplies succinct, accurate, and readable summaries of the most important items a serious reader of the Bible might want to understand. Highly recommended.”—Craig L. Blomberg, Denver Seminary

Ezra, Nehemiah, and Esther

Douglas J. E. Nykolaishen and Andrew J. Schmutzer

TEACH THE TEXT COMMENTARY SERIES  
Mark L. Strauss and John H. Walton, series editors

“Nykolaishen and Schmutzer have done a superb job at bringing the stories in Ezra, Nehemiah, and Esther to life. Packed with colorful historical background material and cogent theological insight into the narrative stories, this is one of the most helpful commentaries I know of on these important books. Anyone planning to teach or preach from Ezra, Nehemiah, or Esther would be wise to drink deeply from this expertly written volume.”—J. Daniel Hays, Ouachita Baptist University

“The idea and the design of the Teach the Text Commentary Series are winsome, readable, and practical, and Nykolaishen and Schmutzer have done an admirable job of achieving the goals of the series. They provide helpful insights all along the way about three Old Testament books not that well known among most Christians. I recommend this book highly.”—David M. Howard Jr., Bethel Seminary

## POLICY

### Examination Copy Policy

Professors in the United States are invited to examine academic titles for possible classroom use. Exam copies may be requested online (<http://bakerpublishinggroup.com/contact/request-exam>), on institutional letterhead, or via email. Exam copy requests must include the professor's name, the course name, and the anticipated enrollment.

Exam copies will be mailed with a provisional invoice billed at a 50% discount. Professors may examine the book for ninety days before taking one of the following actions: (1) adopt the textbook; (2) pay the invoice; (3) return the book. If the textbook is adopted and ten or more students are required to purchase it, the exam copy becomes a free desk copy (please notify us of the adoption).

Exam copies are limited to one copy per title, per professor. We reserve the right to refuse exam copies to individuals who abuse the policy.

Please direct mailed exam copy requests to: Order Department, Baker Publishing Group, P.O. Box 6287, Grand Rapids, MI 49516-6287. Emailed requests may be sent to: [orders@bakerpublishinggroup.com](mailto:orders@bakerpublishinggroup.com).

Lecturers in the United Kingdom and Ireland can obtain an examination copy order form from:

**SPCK**

Fax: 1 800 461 8575

### Faculty Discount Policy

Faculty at recognized institutions may purchase one copy of any Baker Publishing Group title for personal use at the faculty discount of 25% (US customers only). Please email, mail, or fax your request to our customer service department on institutional letterhead.

### Bookstore Orders

Bookstores may order books from this catalog through their normal suppliers or directly from Baker Publishing Group. See your Baker sales representative or contact our sales department for details. Please note: book prices ending in \$.00 have a maximum discount of 40% unless otherwise indicated.

### Library Orders

Libraries may order books from this catalog through their normal suppliers or directly from Baker Publishing Group. Library orders sent to Baker Publishing Group on library purchase order forms will receive a 40% discount. We offer the Library Approval Plan for those libraries in the US that would prefer automatic shipments of our academic titles with the option of returning any titles not suitable for their collections. Please address inquiries to Steve Ayers, Academic Sales Manager, Baker Publishing Group, P.O. Box 6287, Grand Rapids, MI 49516-6287 (email: [sayers@bakerpublishinggroup.com](mailto:sayers@bakerpublishinggroup.com)).
