PRAISE FOR BEVERLY LEWIS

“Beverly Lewis is the biggest name in Amish fiction.”
—*Newsweek*

“No one does Amish-based inspirations better than Lewis.”
—*Booklist*

“Author Beverly Lewis has come up with a new magic formula for producing bestselling romance novels.” —*Time* magazine

“Much of the credit [for the growth of Amish fiction] goes to Beverly Lewis, a Colorado author who gave birth to the genre in 1997 with *The Shunning*. . . . The book has sold more than 1 million copies.”
—Associated Press

“Told in her inimitable way, author Beverly Lewis invites us into the world of the Amish. Lewis is considered the tops in the writing of Amish fiction for no small reason. Her stories are believable and well written. The plots transport readers into this religious culture that many find intriguing.”
—*Christian Library Journal*

Inspiring New Novel from the “Biggest Name in Amish Fiction”

- Lewis’s popularity has propelled her to perennially strong bestseller list performances
- Author supports each new release with active social media and numerous personal appearances
- More than 17 million books in print!

Eva Esch and her sisters are in a predicament. With the passing of their widowed mother, Eva’s older brother plans to move his growing family into the Eden Valley farmhouse where they all grew up, leaving little room for his three single sisters. Unless they marry within the year, the only apparent option is for two sisters to go to Indiana to live with an elderly great aunt. Eva hopes to be married, but she isn’t sure she wants to give up her sweet shop for the life of a farmer’s wife. And she can’t see how her prospects would be any better in Indiana.

When younger sister Lily disappears in the night, leaving only a brief note, Eva fears she has been wooed away from the People by an outsider. And when Jed Stutzman, a young Amish buggy maker from Ohio, shows up at Eva’s market stand in Lancaster with a photo of a Plain young woman, Eva’s world begins to tilt. She feels powerfully drawn to the quietly charming stranger—but the woman in the forbidden photograph is no stranger at all. . . .

EXCERPT

Miranda wrenched the door open and strode into the hall. Her stride was firm. Her posture perfect. Nothing would make her abandon the endless lessons she'd received in ladylike etiquette from her mother.

Then she walked into a wall.

Oh, very well, it wasn't a wall precisely. Walls weren't covered in wool. They were not positioned in the middle of hallways.

"I do apologize, my lady."

And they did not speak.

Miranda looked up at the obstruction that was not a wall, but a solidly built man with broad shoulders and dark hair. She fell back a step, until her shoulders pressed against the solidity of the actual wall. Up and up her gaze traveled.

With a deep breath she reminded herself who she was. A lady of the realm. The daughter of a duke. Somewhere inside her must lay the aristocratic arrogance she'd seen so many society ladies embody.

"Pardon me." Miranda almost clapped with glee at the clipped, snobby tone that indicated she wasn't begging anyone's pardon. "Who are you?"

The slam of a door down the hall caused both of them to swivel their heads in that direction. Miranda's brother, Griffith, hustled down the hall from the direction of the master's chambers. "There you are, Marcus." Griffith's arm curled around her shoulders as he gestured to the human blockade. "Miranda, this is my new valet."

She turned to properly greet the new servant. He leaned forward, nodding his head to acknowledge her. A small smile tugged at the corner of his lips and he didn't drop his gaze.

Air backed up into her lungs as she looked into his startling gray eyes. She had always considered gray a rather flat and lifeless color before. Mysterious and vibrant would be a more apt description when it came to this man's eyes. A world of secrets swirled in their depths.

Sparkling Regency Romance from a Captivating New Voice

- Regency romance is a beloved and ever-popular category for historical romance readers
- The glittering world of early nineteenth-century London's aristocratic society comes to life in this lively new entrée in the historical romance category
- Hunter will appeal to readers of all historical romance and especially to Regency lovers as she is an avid and well-informed fan of Regency romance and coordinator of a Regency fiction blog

Lady Miranda Hawthorne acts every inch the lady, but inside she longs to be bold and carefree. Entering her fourth Season and approaching spinsterhood in the eyes of society, she pours her innermost feelings out not in a diary but in letters to her brother's old school friend, a duke—with no intention of ever sending these private thoughts to a man she's heard stories about but never met. Meanwhile, she also finds herself intrigued by Marcus, her brother's new valet, and although she may wish to break free of the strictures that bind her, falling in love with a servant is more of a rebellion than she planned.

When Marcus accidentally discovers and mails one of the letters to her unwitting confidant, Miranda is beyond mortified. And even more shocked when the duke returns her note with one of his own that initiates a courtship-by-mail. Insecurity about her lack of suitors shifts into confusion at her growing feelings for two men—one she's never met but whose words deeply resonate with her heart, and one she has come to depend on but whose behavior is more and more suspicious. When it becomes apparent state secrets are at risk and Marcus is right in the thick of the conflict, one thing is certain: Miranda's heart is far from all that's at risk for the Hawthornes and those they love.

EXCERPT

I had just slipped a plain tunic over my head when we heard a pounding at the courtyard gate. Elisheba's wide eyes met mine, then she hurried to the front door and opened it, reflexively ducking when she saw the tall guard standing outside the house. "The king summons you," he said. "Do not delay, but come at once."

"The king?" My heart filled with fear as I turned to Elisheba. "Do you think something has happened to—"

"At once!" the guard repeated.

While Elisheba stared in disbelief, with trembling fingers I lifted a cloak from a wall hook and threw it over my shoulders.

When I reached the doorway, the guard gripped my arm with surprising force and we walked across the large paved courtyard, past a building with several doors, and finally through a long passageway and up a narrow flight of stairs.

A colorful canopy had been erected against a wall to provide shade from the slanting sun. Potted plants stood around the periphery as a sort of screen, I supposed, to offer a measure of privacy from the servants and guards. . . .

I walked past the line of potted palms and caught my breath when I recognized the red-bearded man seated on a couch. I had seen King David only from a distance, and from that perspective he had always seemed regal, strong, and impressive. Now, softened by twilight, he looked far less royal . . . until he lifted his gaze and I realized where I was.

"Oh king, live forever." I collapsed on the floor as my quivering knees gave way. "If I have found mercy in your sight, please tell me what news you have of Uriah the Hittite."

Keeping my gaze downcast, I heard him utter two words to the guard. "Leave us."

A Vivid and Moving Portrait of a Reluctant Queen

- Learn the story behind the woman whose beauty nearly brought a nation to its knees
- Hunt combines her novelist's storytelling gift with a PhD in biblical studies
- Bathsheba's harrowing but blessed life provides readers with rich lessons in faith
- A beautiful young woman in ancient Israel struggles against prophecies and curses to find purpose for her life

After sending his army to besiege another king's capital, King David forces himself on Bathsheba, a loyal soldier's wife. When her resulting pregnancy forces the king to murder her husband and add her to his harem, Bathsheba struggles to protect her son while dealing with the effects of a dark prophecy and deadly curse on the king's household.

Combining historical facts with detailed fiction, Angela Hunt paints a realistic portrait of the beautiful woman who struggled to survive the dire results of divine judgment on a king with a divided heart.

EXCERPT

Justin loosed a sigh nearly lost under the purr of the motorcar's engine. "The story she told seems to be true—she was in York with the opera at the time but did not have a child of her own."

Had Brook been anywhere else, she would have let her eyes slide closed so she could summon the image of beautiful Maman, try to conjure the sound of her sterling soprano. But the memory had faded over the years, until it was little more than a crystal echo.

"So Prince Louis was right to keep me always at a distance—I am not his daughter." At least she wasn't another cause for scandal in the Grimaldi line. But it meant Maman was not her mother. And Grand-père . . . he hadn't wanted her to ask these questions. She was, he had said, the only member of his family who acted like family, and what would he have if she left?

But she couldn't live her life as a pretender.

Brook pressed on the accelerator. "What am I, then? A farmer's daughter? An abandoned waif?" She glanced Justin's way, brows arched.

"Eyes on the road!"

Hopefully he saw only that she turned her face to the windscreen and not that she rolled her eyes in the process. "Was I right about the envelope? The seal?" Maman had left her with boxes upon boxes of correspondence, faded letters from faded loves. But one box had been different—the letters were in English, but that made them only rare, not unique. The tone was different too, though, not at all what amorous patrons had usually sent to Collette. And more, Brook had seen her own name on the ones on the top of the stack. *Give Little Liz a kiss from her papa*. But it had been signed only with *Yours Forever*, and the one envelope with the seal upon it had no address.

Brook had to resist the urge to touch her necklace, the necklace Maman had confessed with her last breath had belonged to that unknown she, Brook's true mother. The woman killed in the carriage accident from which Collette had rescued Brook. Perhaps the *my love* those English letters had been written to.

"The envelope was helpful. Brook . . ." Justin sighed again and rested a hand on her shoulder. "I found your mother. I saw a portrait of her, and it might as well have been you in a bustle. We found her. We found *you*."

Roseanna White Debuts Sparkling British Historical Romance

- An enthralling new Edwardian series perfect for fans of *Downton Abbey* and all things British
- Stellar writing mixed with intrigue, suspense, and high-society romance make this a novel destined for the bestseller charts
- “This installment’s intricate plot, terrific twists, and heart-stopping intrigue, as well as the heroine’s deeply moving journey of faith, grace, and redemption, create a memorable book to be devoured and cherished.” —*Romantic Times* on *Circle of Spies*, 4½ stars and a Top Pick

Brook Eden has never known where she truly belongs. Though raised in the palace of Monaco, she’s British by birth and was brought to the Grimaldis under suspicious circumstances as a babe. When Brook’s friend Justin uncovers the fact that Brook is likely a missing heiress from Yorkshire, Brook leaves the sun of the Mediterranean to travel to the moors of the North Sea to the estate of her supposed family.

The mystery of her mother’s death haunts her, and though her father is quick to accept her, the rest of the family and the servants of Whitby Park are not. Only when Brook’s life is threatened do they draw close—but their loyalty may come too late to save Brook from the same threat that led to tragedy for her mother.

As heir to a dukedom, Justin is no stranger to balancing responsibilities. When the matters of his estate force him far from Brook, the distance between them reveals that what began as friendship has grown into something much more. But how can their very different loyalties and responsibilities ever come together?

And then, for a second time, the heiress of Whitby Park is stolen away because of the very rare treasure in her possession—and this time only the servants of Whitby can save her.

Sleiman's VALIANT HEARTS Series Offers Unforgettable Heroines

- An action-packed love story of a strong young woman seeking freedom
- Combines history and legend, romance and medieval adventure
- For fans of Lisa Bergren, Melanie Dickerson, and the Arthurian legends

Strong and adventurous Gwendolyn Barnes longs to be a knight like her chivalrous brothers. However, that is not an option for her, not even in the Arthurian-inspired Eden where she dwells. Her parents view her only as a marriage pawn, and her domineering father is determined to see her wed to a brutish man who will break her spirit.

When handsome, good-hearted Allen of Ellsworth arrives in Edendale searching for his place in the world, Gwendolyn spies in him the sort of fellow she could imagine marrying. Yet fate seems determined to keep them apart. Tournaments, intrigue, and battles—along with twists and turns aplenty—await these two as they struggle to find love, identity, and their true destinies.

Saddle Up for a Wildly Fun Ride in Mary Connealy's Latest

- Bestselling author Mary Connealy delivers another laugh-out-loud, edge-of-your-seat romp
- Winner of two Carol Awards and a finalist for the Christy and RITA Awards, Connealy is a leader in the category of humorous historical romance
- Bailey and Gage each have something the other wants—but can these two headstrong homesteaders settle their differences long enough to find out?

Bailey Wilde is one of the best new ranchers in the West. She's been living disguised as a man for a while, but when Gage Coulter comes to drive her off her homestead, he quickly realizes he's dealing with a woman—a very tough, very intriguing woman at that.

Gage is an honest man, but he didn't make his fortune being weak. He won't break the law, but he'll push as hard as he can within it. Five thousand acres of his best range land is lost to him because Bailey's homestead is located right across the only suitable entrance to a canyon full of lush grass. Gage has to regain access to his land—and he's got to go through Bailey to do it.

Spending a winter alone has a way of making a person crave some human contact. In a moment of weakness, Bailey agrees to a wild plan Gage concocts. Can these two independent, life-toughened homesteaders loosen up enough to earn each other's respect—and maybe find love in the process?

**PRAISE FOR
LAURINE SNELLING**

“Snelling writes with her trademark richness, and her upright characters, intriguing stories, and vivid settings create a blissfully immersive reading experience. Norwegian language and other vernacular elements are seamlessly woven into the narrative, providing deep cultural authenticity. This symphony of immigrant farm-town life in the upper Midwest is so masterfully directed by Snelling, readers will be eager for the next novel about the good people of Blessing.”
—*Booklist* on *To Everything a Season*

“A wonderful prequel to the RED RIVER OF THE NORTH series with carefully thought-out characters, *An Untamed Heart* is the long-awaited story of Ingeborg Strand before she came to America and the decisions that change the course of her future. The historical details of 1800s Norway are vivid without being overbearing. Snelling brings to life Ingeborg in her 20s and answers many questions for readers.”—*Romantic Times*

“This faith-based novel of a strong woman made even stronger by surviving a tragedy will appeal to a broad audience. It is a prequel to Snelling’s popular RED RIVER OF THE NORTH saga . . . but would also work well as a stand-alone title.”
—*Booklist* on *An Untamed Heart*

“Those readers who want to know even more about the Bjorklund family . . . have their wish fulfilled in this prequel to the RED RIVER OF THE NORTH series. . . . The Bjorklund family backstory will certainly please fans of the series, who are numerous.”
—*Publishers Weekly* on *An Untamed Heart*

“The hard choices between family and career are extreme for a woman in the early twentieth century, and Snelling skillfully shows the effect on all involved. Readers who enjoy the books of such authors as Lynn Austin, Janette Oke, and Tamera Alexander will be moved by this emotion-filled story.”
— *Booklist* on *A Heart for Home*

“This second book in the WILD WEST WIND series is a good look at turning to God even in the most difficult situations.”
—*CBA Retailers & Resources* on *Whispers in the Wind*

The Heartwarming Drama Continues in the SONG OF BLESSING Series

- Sales of the Red River saga are nearing 1.5 million copies
- Author's books regularly grace the CBA bestseller lists
- Snelling is highly interactive with readers via social media and personal appearances

Anji Beard Moen, a recent widow, returns from Norway with her children. She quickly settles back into life in Blessing, teaching Norwegian history in the high school and writing articles for the *Blessing Gazette*. When tragedy strikes, Anji steps in to run the newspaper and soon finds a kindred spirit in the widower who owns the printing press. As they spend time together, Anji wonders if there's something more than friendship growing between them.

But Anji has also caught the eye of a recent arrival to Blessing. He has put his carpentry skills to good use on the town's building projects, including Anji's house. But Anji is torn between her feelings of loyalty to someone who needs her and the chance to build a new life with this intriguing newcomer.

Where will her choice take her?

AUTHOR'S NOTE

My readers have been asking me to write more biblical fiction for quite a while now, so this three-book series was for them. I have always been fascinated with the biblical time period of Ezra and Nehemiah, and I wanted to capture the incredible faith and determination of these men and their families as they returned to God and to their land. I see so many parallels to our contemporary time period as we struggle to walk with God and avoid the temptation to adapt to our culture.

As I wrote this series, I journeyed with the exiles from Babylon to Jerusalem in *Return to Me* as they rediscovered their faith. I watched them overcome opposition and obstacles to rebuild God's temple in Jerusalem and heard the words of the biblical prophets Zechariah and Haggai in a new light. In *Keepers of the Covenant*, I was inspired by Ezra's commitment to not only read and study God's word but to live by it. And now, in *On This Foundation*, I've learned so much from Nehemiah and his determined commitment to follow God's call on his life and accomplish His work.

So, thank you to all my readers who asked me to return to biblical fiction. I hope you'll be as inspired and encouraged in reading *THE RESTORATION CHRONICLES* as I was in writing them.

The Powerful Concluding Novel to THE RESTORATION CHRONICLES

- A perennial bestseller with a global reach, Austin has fans across the country and the world
- Her novels continue to set the standard for historical and biblical fiction
- This rousing conclusion to her RESTORATION CHRONICLES gives readers a vivid look into Old Testament life

When news that the wall of Jerusalem is broken down, and its gates have been burned with fire, Nehemiah, Jewish cupbearer to King Artaxerxes in Persia, seeks God's guidance. After fasting and prayer, he's given leave to travel to Jerusalem and rebuild the city wall, not anticipating all the dangers that await him on his arrival.

The leaders of the surrounding nations become his fierce enemies, plotting to assassinate him and halt the work. A drought, meanwhile, has left the country impoverished, many families resorting to selling their children as bondservants just to keep from starving.

Capturing the rebuilding of the wall through the eyes of a number of characters, *On This Foundation* is a powerful exploration of faith in the midst of oppression, and hope that, in spite of appearances, the gracious hand of God is upon those who believe.

**PRAISE FOR
TRACIE PETERSON**

"Peterson is a long-time fixture on Christian market bestseller lists with her more than 100 novels, and this second in the LONE STAR BRIDES series will add to her shelf of successes."
—*Publishers Weekly* on *A Moment in Time*

"Award-winning Peterson and Woodhouse have coauthored a marvelous story of love and adventure in the Alaskan frontier. Their characters spring to life against a background of historical events."
—*Booklist* on *All Things Hidden* with Kimberley Woodhouse

"Peterson is well known for her strong research skills that really help to set a sense of time and place to the story. Her characters are diverse, yet are all very authentic in their actions and motivations."
—*freshfiction.com* on *The Miner's Lady*

"If it's romance you enjoy, you will find plenty of it in award-winning author Tracie Peterson's new book. . . . But at the heart of it all is the Christian faith of its main characters, and their prayers for God's guidance and protection."
—*The Good Bookstall* on *Taming the Wind*

"Peterson's second book in the historical series [LONE STAR BRIDES] offers a well-crafted narrative and engaging characters. A memorable and heartwarming pick for fans of novels by Beth Vogt and Cathleen Armstrong."
—*Library Journal* on *A Moment in Time*

The Exciting Conclusion to Tracie Peterson's BRIDES OF SEATTLE Series

- Peterson's thorough research brings historic Seattle, Washington, to life
- Readers can count on a strong spiritual message in every Peterson novel
- Tracie pens a suspenseful and satisfying finale to her latest series

Abrianna Cunningham has always viewed her longtime friend, Wade Ackerman, as a protective brother. Lately, however, she's begun to see him differently and finds herself attracted romantically to him. But she's confused and overwhelmed by these unfamiliar feelings.

Wade, on the other hand, has loved Abrianna for some time and has been waiting for her to realize they are more than just friends. When he asks her to marry him, she asks for time to adjust to their changed relationship.

And then there's Priam Welby, who has been relentlessly pursuing Abrianna. Will his underhanded tactics succeed in luring Abrianna into marriage with him?

Romantic Suspense to Keep Readers Guessing Until the Last Page

- Mehl returns to the town of Sanctuary for her third book in this exciting series
- Romantic suspense with skillfully-executed mystery, an engaging cast of characters, and a town that takes on a life of its own
- “Unexpected twists and suspense . . . will keep the reader guessing even as the plot takes several surprising turns . . . ultimately demonstrating the impact of forgiveness and the promise of hope.” —*CBA Retailers + Resources*

Sophie Wittenbauer left her strict Mennonite hometown under a cloud of shame and regret. After a rough childhood, her teenage poor choices harmed others, leaving her with no choice but to change her life. Her entry-level writing job at a newspaper puts her in the right place at the right time to overhear office gossip about a prisoner who has information on a decades-old unsolved crime. While the other reporters write off the tip as the ravings of an angry criminal, Sophie can't ignore it because she knows the name of this prisoner from her old life.

Upon learning from the man that one of the other suspects is hiding out in the Missouri town of Sanctuary, she takes on a false identity to investigate and meets the young pastor of a local church—the very man she'd loved as a troubled teenager. As she gets closer to finding the suspect, will the truth of her own past come out before she discovers the identity of the criminal—or the very person she's seeking puts a fatal stop to her investigation?

Patrick Carr Launches a New Suspense-filled Fantasy Epic

- Offers a blend of fantasy and suspense ideal for fans of Anthony Ryan, Mark Lawrence, and Brian Staveley
- Introduces readers to a new hero they'll be thrilled to follow
- Opens the door to a new realm where a small supernaturally gifted group is being hunted by an unknown enemy

When one man is brutally murdered and the priest he works for mortally wounded on the streets of Bunard, Willet Dunham is called to investigate. Yet the clues to the crime lead to contradictions and questions without answers. As Willet begins to question the dying priest, the man pulls Willet close and screams in a foreign tongue. Then he dies without another word.

Willet returns to the city, no closer to answers than before, but his senses are skewed. People he touches appear to have a subtle shift, a twist seen at the edge of his vision, and it's as though he can see their deepest thoughts. In a world divided between haves and have-nots, gifted and common, Willet soon learns he's been passed the rarest gift of all: a gift that's not supposed to exist.

Now Willet must pursue the murderer still on the loose in Bunard even as he's pulled into a much more dangerous and epic conflict that threatens not only his city, but his entire world—a conflict that will force him to come to terms with his own tortured past if he wants to survive.

Top-Notch Dramatic Historical Romance from a Rising Star

- "... [a] captivating, emotionally charged journey through America's past . . . truly satisfying." —*Publishers Weekly* starred review of *With Every Breath*
- Sweeping romance and historical depth in turn-of-the-century Hudson River Valley, New York, by an author who gains fans with every release
- "Camden has penned a truly eloquent Christian romance from start to finish." —*RT Book Reviews* on 4½ stars and Top Pick *With Every Breath*

A volunteer for the newly established Weather Bureau, Sophie van Rijjn needs access to the highest spot in her village to report the most accurate readings. Fascinated by Dierenpark, an abandoned mansion high atop a wind-swept cliff in the Hudson River Valley, Sophie knows no better option despite a lack of permission from the absent owners.

The first Vandermark to return to the area in sixty years, Quentin intends to put an end to the shadowy rumors about the property that has brought nothing but trouble upon his family. Ready to tear down the mansion, he is furious to discover a local woman has been trespassing on his land.

Instantly at odds, Quentin and Sophie find common ground when she is the only one who can reach his troubled son. There's a light within Sophie that Quentin has never known, and a small spark of the hope that left him years ago begins to grow. But when the secrets of Dierenpark and the Vandermark family history are no longer content to stay in the past, will tragedy triumph or can their tenuous hope prevail?

"Well-developed characters, plot twists, and attention to period detail make this a sure bet for fans of Regency novels."—*Library Journal*

Julie Klassen Is the Gold Standard for Inspirational Regency Fiction

- Klassen spurred the resurgence of Regency romance in the Christian market and remains the genre's bestselling, most-loved name
- Julie is a three-time Christy Award winner, RITA Award finalist, Carol Award finalist, and winner of Christian Retailing's BEST Award for Historical Romance
- This Regency-era spin on the popular marriage-of-convenience storyline will delight current fans and generate new ones

Sophie Dupont, daughter of a portrait painter, assists her father in his studio, keeping her own artwork out of sight. She often walks the cliffside path along the north Devon coast, popular with artists and poets. It's where she met the handsome Wesley Overtree, the first man to tell her she's beautiful.

Captain Stephen Overtree is accustomed to taking on his brother's neglected duties. Home on leave, he's sent to find Wesley. Knowing his brother rented a cottage from a fellow painter, he travels to Devonshire and meets Miss Dupont, the painter's daughter. He's startled to recognize her from a miniature portrait he carries with him—one of Wesley's discarded works. But his happiness plummets when he realizes Wesley has left her with child and sailed away to Italy in search of a new muse.

Wanting to do something worthwhile with his life, Stephen proposes to Sophie. He does not offer love, or even a future together, but he can save her from scandal. If he dies in battle, as he believes he will, she'll be a respectable widow with the protection of his family.

Desperate for a way to escape her predicament, Sophie agrees to marry a stranger and travel to his family's estate. But at Overtree Hall, her problems are just beginning. Will she regret marrying Captain Overtree when a repentant Wesley returns? Or will she find herself torn between the father of her child and her growing affection for the husband she barely knows?

A Winning Combination of Small-Town History and Sweet Romance

- “Fans of Jan Karon . . . should love Parr’s work.”—*Philadelphia Inquirer*
- A warmhearted and moving sequel to *The Midwife’s Tale*
- Ideal for readers of Janette Oke and Kim Vogel Sawyer, and viewers fascinated by *Call the Midwife*

Martha Cade is a midwife in the town of Trinity in 1830s Pennsylvania. In a time when the traditional ways of medicine are constantly being questioned by new doctors fresh from medical school, Martha tries to balance her life’s calling with the demands of her family. Recently reunited with her estranged seventeen-year-old daughter, Martha finds herself torn between guiding her child and allowing her to be an adult. And the town of Trinity itself is fraught with secrets: as a midwife, Martha knows which families are troubled, which wives are unhappy, and which husbands have crossed the line from discipline to abuse. . . .

As Martha struggles with the conflicts of being a mother, a midwife, and a woman, she learns the greatest lessons of all—that hope can shine even in the darkest hours, and that faith has a way of making the impossible possible.

- Jennings’s combination of wit and romance appeals to fans of Deeanne Gist, Karen Witemeyer, and Mary Connealy
- Buying a business sight unseen leads to hilarious complications in this humorous historical

After helping her grandfather at their Boston auction house, Miranda Wimplegate discovers she’s accidentally sold a powerful family’s prized portrait to an anonymous bidder. Desperate to appease the furious family, her grandfather tracks it to the Missouri Ozarks and makes an outlandish offer to buy the local auction house if they promise not to sell anything until he arrives.

Upon their arrival, however, they discover their new business doesn’t deal in fine antiques, but in livestock. And its manager, ruggedly handsome Wyatt Ballentine, is frustrated to discover his fussy new bosses don’t know a thing about the business he’s single-handedly kept afloat. Faced with more cattle than they can count—but no mysterious painting—Miranda and Wyatt form an unlikely but charged partnership to try and salvage a bad situation getting worse.

Take Off with Joy on the Christmas Adventure of a Lifetime

- Carlson's Christmas novels have sold over 400,000 copies
- Holiday-themed novels make excellent Christmas gifts
- "Carlson's steadily paced story line and multidimensional characters make this inspirational work come alive."
—*Library Journal on The Christmas Cat*

Miranda did not put adventure on her Christmas list, but thanks to her eighty-five-year-old neighbor Joy, that's exactly what she's getting this year. When Joy tells Miranda that she plans to drive an old RV decked out in Christmas decorations from their Chicago neighborhood to her new retirement digs in Phoenix—in the dead of winter, no less—the much younger Miranda insists that Joy cannot make such a trip by herself. Besides, a crazy trip with Joy would be more interesting than another Christmas home alone. Unemployed and facing foreclosure, Miranda feels she has nothing to lose by packing a bag and heading off to Route 66. But Joy has a hidden agenda for their Christmas joyride—and a hidden problem that could derail the whole venture.

No one captures the heartwarming fun of the Christmas season quite like Melody Carlson. Fasten your seat belt, because it's going to be an exciting ride!

- When years of holiday traditions are threatened, a box of handmade ornaments changes everything
- Walsh provides a satisfying, emotional novel to warm the holiday season
- Perfect for those who love Hallmark-style movies

For the first time since their children were born, empty nesters Judith and Stan Winters spent Thanksgiving without the kids, and it's looking like Christmas will be the same. Judith can't bring herself to even start decorating for the holiday; her kids always hung the first ornaments on the tree, ornaments they had made each year since they were toddlers. Sure they were strange-looking—some could be called downright ugly—but they were tradition. A tradition she's heartbroken to miss this year.

With Judith refusing to decorate the bare spruce tree in their living room, Stan knows something must be done. And his only hope for saving the holiday is found in a box of handmade ornaments.

Fan-favorite Dan Walsh invites readers to enjoy this nostalgic Christmas story that celebrates all of our most cherished seasonal traditions, especially the importance of family. Readers will join in remembering the things that make their own Christmas season so special.

Loyalties are Tested When Two Women Claim the Right to Be Mistress of Tall Acre

- Brilliant storytelling sweeps readers away with drama and romantic intensity
- Finely wrought and steeped in history, Frantz's style appeals to readers of Julie Klassen and Tamera Alexander
- In the aftermath of the American Revolution, secrets could keep the tenants at Tall Acre shackled to the past

The American Revolution is finally over, and Sophie Menzies is starved for good news. When her nearest neighbor, General Seamus Ogilvy, finally comes home to Tall Acre, she hopes it is a sign of better days to come. But the general is now a widower with a small daughter in desperate need of a mother. Nearly destitute, Sophie agrees to marry Seamus and become the mistress of Tall Acre in what seems a safe, sensible arrangement. But when a woman from the general's past returns without warning, the ties that bind this fledgling family together will be strained to the utmost. When all is said and done, who will be the rightful mistress of Tall Acre?

Triumph and tragedy, loyalty and betrayal—readers find it all in the rich pages of this newest historical novel from the talented pen of Laura Frantz. Her careful historical details immerse the reader in the story world, and her emotional writing and finely tuned characters never cease to enchant fans both old and new.

“Armstrong demonstrates her gift for creating moments of descriptive magic.”—*Booklist*

- Dr. Jessica McLeod and Coach Andy Ryan have nothing in common—except a high school football player who needs them both
- An inspiring conclusion to Armstrong’s *A PLACE TO CALL HOME* series, set in a small town full of drama and hopeful dreams for love
- “Armstrong will pull readers into the joys—and trials—of a small town.”
—*RT Book Reviews*

The inhabitants of Last Chance, New Mexico, could not be more pleased. Dr. Jessica McLeod has opened an office right on Main Street. Andy Ryan, the best athlete the little town ever produced, has ended his short career in the NFL and has come home to coach the mighty Pumas of Last Chance High. Unfortunately, Dr. Jess immediately gets off on the wrong foot when she admits that she’s never seen a football game, isn’t really interested in doing so, and, in fact, doesn’t know a first down from a home run. Meanwhile, Coach Ryan is discovering that it’s not easy to balance atop the pedestal the town has put him on. When this unlikely pair is drawn together over the future of a young player—whose gifts may lie in the laboratory rather than on the football field—they begin to wonder if they might have a future together as well.

With the flair that has made her Last Chance books a favorite among readers of contemporary fiction, Cathleen Armstrong draws on the passion Americans have for the traditions of small-town high school football.

EXCERPT

My earliest memory is of laughter inside a waterfall of words. I'm in a half-barrel that once held flour or maybe clothes sent by the American Board for Foreign Missions years before, but just now arriving here in Oregon Territory. Tree rounds act as wheels. My bare feet tease the knots of rope bored through the barrel's end; my dress covers my legs stuck straight out. My father always asked for bigger clothing so by the time the barrels arrived we'd have grown into those dresses or tailored pants sent from another country, the States. My hands grip the smooth sides of the half-barrel. A boy, with shiny hair as black as a moonless night, tows the rope over his shoulder pulling me in my makeshift wagon across the rubbled ground in front of our cabin-school-church.

"Timothy!" Shouts my father rushing toward us. "Stop now!"

Behind me, a girl pushes at my shoulder. I can't see her but smell wild onion on her laughing breath. My two-year old fingers hold the smooth side of the make-shift wagon. I lay my head back, close my eyes, feel the sun on my face, let my belly laughter jiggle over the rutted earth, laughter joined to theirs. Ecstasy.

A sudden jolt. The wagon stops. Eyes pop open. Before us stands my father, hands on hips, elbows out, eyes black as turned earth. A taller man, not Nez Perce, stands beside him wearing an expression I cannot read, but it is not like my father's scowl. Absent our laughter I can hear my mother's distant voice speaking to her criers inside, then Nez Perce voices repeating as a song: English. Nez Perce. English. Nez Perce. I let the words wash over me, as comforting as a quilt.

“Kirkpatrick exercises her considerable gift for making history come alive.”

- After surviving an Indian massacre which led to her captivity, Eliza must face the trauma of her childhood and find peace with what's left
- Well-established author with sterling reputation for quality writing and historical accuracy
- Award-winning and *New York Times* bestselling author has sold over one million copies of her books

Eliza Spalding Warren was just a child when she was taken hostage by the Cayuse Indians during a massacre in 1847. Now the young mother of two children, Eliza faces a different kind of dislocation; her impulsive husband wants them to make a new start in another territory, which will mean leaving her beloved home and her departed mother's grave—and returning to the land of her captivity. Eliza longs to know how her mother, an early missionary to the Nez Perce Indians, dealt with the challenges of life with a sometimes difficult husband and with her daughter's captivity.

When Eliza is finally given her mother's diary, she is stunned to find that her own memories are not necessarily the whole story of what happened. Can she lay the dark past to rest and move on? Or will her childhood memories always hold her hostage?

Based on true events, *The Memory Weaver* is *New York Times* bestselling author Jane Kirkpatrick's latest literary journey into the past, where threads of western landscapes, family, and faith weave a tapestry of hope inside every pioneering woman's heart. Readers will find themselves swept up in this emotional story of the memories that entangle us and the healing that awaits us when we bravely unravel the threads of the past.

A Young Marriage Hangs in the Balance until One Unthinkable Event Changes Everything

- Houston newlyweds are on the brink of divorce when a tragedy stops them in their tracks
- Gripping, emotionally-layered novel of self-discovery and forgiveness
- Gilbert thrills readers with her in-depth understanding of the human psyche under pressure
- *A Woman of Fortune* was named by *Library Journal* as one of the Best Books of 2014

As the host of her own television news show, Faith Marin works to expose the truth for her viewers. But in her personal life, she's anchored her world with firm boundaries in order to hide a family history she'd like to forget. Her pro bass fisherman husband Geary's life is an open book, and unfortunately his busybody family doesn't know the meaning of boundaries. Deception and crippling differences soon derail their tender relationship, leading Faith to believe her only option is to end the marriage. But while divorce papers sit on her desk waiting to be signed, tragedy strikes and her heartrending decision is interrupted. With her life in the balance, Faith finds that the one she has been shutting out may be the very one she cannot bear to lose.

Kellie Coates Gilbert takes readers on an emotional roller coaster as she weaves themes of unexpected trial, self-discovery, and forgiveness in this profoundly honest portrait of the tensions that can break a marriage—and the ultimate healing power of love.

Chilling New Suspense from 2014 Christy Award Winner

- Missing Persons Task Force detective Nikki Boyd's search for a missing girl takes a chillingly personal turn
- Will appeal to readers of Terri Blackstock and Kristen Heitzmann
- "Harris builds her characters exquisitely and balances them against the mystery very well."—FictionAddict.com

No one needs to push Nikki Boyd to excel on the Tennessee Missing Person Task Force. The case of her own missing sister, still unsolved after ten years, is the driving force in her work. When a Polaroid photo of a missing girl shows up at a crime scene, Nikki quickly recognizes similarities to the past. The closer she gets to the abductor, the more she feels that this case is getting personal, and that she is not the hunter at all—but actually the one being hunted.

With this explosive first book in the new NIKKI BOYD FILES, Lisa Harris takes readers on a fast-paced pursuit of justice that will have them holding their breath until the heart-stopping finish.

EXCERPT

Miss Willadean Dearmon found the body on the courthouse steps at exactly 8:59 a.m. Miss Willadean appeared at the courthouse every weekday morning at that exact time, barring holidays, major illnesses, or snow over her boot tops. As far as anybody knew, she didn't actually have a schedule written out, but were her day divided out on paper, that's what it would say. Courthouse steps, 8:59 a.m. Out of bed at 7:30, bran cereal and whole wheat toast with a smidgen of orange marmalade at 8:00 while listening to the local news to see if anyone she knew might have passed on during the night, a fresh dab of red rouge on her cheeks and a liberal coating of her favorite cherry red lipstick at 8:35. At 8:47 exactly she closed her front door behind her, patted her pinkish gray hair into submission and headed toward Main Street.

But this Tuesday morning when Miss Willadean climbed the courthouse steps, a man sat slumped against one of the stone columns that held up the porch entrance. The possibility the man might be dead never entered Miss Willadean's head. After all, this was Hidden Springs where people died in hospitals or at home in their beds or easy chairs. Folks didn't sit down and die on the courthouse steps. It just wasn't done.

So when the man didn't pay a bit of notice to her, Miss Willadean assumed he had overindulged in strong drink. That was enough to tighten her mouth into a thin straight line of disapproval, but added to that was the fact she'd never laid eyes on this particular man before in her life. She paused only a second to glare at him before she hurried on up the steps. Her high heels clattered on the polished tile floor as she rushed down the hall straight back to the sheriff's office.

New Cozy Mystery from a Bestselling Author

- A former Chicago cop expects to have no problem keeping the peace in tiny Hidden Springs—until a dead body shows up on the courthouse steps and the whole town begins to unravel
- Readers will enjoy the small town cast of quirky characters combined with a well-crafted mystery
- Will appeal to fans of *New York Times* bestselling author Lorena McCourtney

After a few years as a police officer in Chicago, Michael Keane has no trouble relaxing into the far less stressful job of deputy sheriff in his small hometown. After all, nothing ever happens in Hidden Springs, Kentucky. Nothing, that is, until a dead body is discovered on the courthouse steps. Everyone in town is a little uneasy. Still, no one is terribly worried—after all the man was a stranger—until one of their own is murdered right on Main Street.

As Michael works to solve the case it seems that every nosy resident in town has a theory. When the sheriff insists Michael check out one of these harebrained theories, his surprising discovery sends him on a bewildering search for a mysterious killer that has him questioning everything he has ever believed about life in Hidden Springs.

Bringing with her a knack for creating settings you want to visit and an uncanny ability to bring characters to life, A. H. Gabhart pens a whodunit that will keep readers guessing.

Her hip grazed his as she pushed past him to get to the stovetop. Prickles rippled up the side of her body, sharp and pointed. She tried to ignore them as she adjusted the heat under the sautéing onions. "Fine," she snapped. "Slice the peppers."

"Wow, that's a pretty intense scowl," he said. "Any chance you've been avoiding me lately?"

Yes! Of course she'd been avoiding him. She had already been down that particular road and she did not want to travel that way again. *So yes, I'm avoiding you*, she thought, *and you just don't seem to get the hint*. He was like Keeper that way. She glanced back at him, trying to look stern, but a corner of her mouth quirked. "You know"—her grin spread—"you are not exactly what I expected." She turned back to the stove to stir the onions.

"Hmm . . ." His voice rumbled up through his chest. "Such as?"

"Such as, I had you figured as the silent type," she said. "You're very talkative, actually."

"Not with everybody."

"It's just that, I usually have a sense about people." Maybe that—along with her confidence, her sense of well-being, her happiness—had abandoned her.

After a long moment he asked, "So what do you sense about me? Something bad?"

"No," she said, trying to capture the feeling she got when she was around him. "More like . . . sad . . . I guess. Like you have to get something off your chest."

"Funny . . .," he said.

She heard him move, felt him take a step toward her.

And then he was behind her, standing closer than he had any business being. "That's the same feeling I get around you."

She let the spoon rest on the skillet's edge, then turned and looked up at him, and he reached down to curl one of her prayer cap strings around his finger and give it a little tug. She knew she ought to pull away, that she ought not to encourage him, that she needed to keep their interaction businesslike. A soft glow filled the air as they stood there, inches apart from each other. A stillness came over them. Andy's gaze took in her face, then slowly dropped to her mouth, and for a minute she thought he might kiss her. She thought she might want him to . . . and that awareness shocked her.

Suzanne Woods Fisher Launches What Promises to Be Her Most Beloved Series Yet

- A young woman struggles to trust the handsome new farm hand who simply cannot be as perfect as he appears
- Suzanne Woods Fisher continues to raise the bar on Amish fiction
- Draws readers into the warmth, beauty, and simplicity of a Lancaster County Amish community
- “Fisher’s style is light and engaging. Moral elements are so deftly woven into the plot that most readers will learn the lesson before realizing there is one.”
—Publishers Weekly

Katrina Stoltzfus thought she had life and love all figured out: she was going to marry John and live happily ever after. Those plans started to crumble when her father moved the family to Stoney Ridge, then completely collapsed when John decided to marry someone else. Katrina is devastated. How could she have felt so loved, yet been so deceived? As she struggles to face a future without him, a widow asks for her help to start a new business and Katrina quickly agrees. She needs time to heal her broken heart, to untangle her messy life, to find a purpose. What she doesn’t need is attention from Andy Miller, a farm hand who arrives at the widow’s farm just when help is most needed—and who always seems to say the right thing, and be in the right place, at the right time. Is Andy for real, or too good to be true? Deceived once before, Katrina is determined to keep her feelings in check.

When a cascade of events is set in motion by some surprising information, the little Amish church is turned upside down. Soon, everyone has a stake in the outcome, and the community struggles to find the best response to an imposter in their midst. Can they forgive even the most deceitful deeds?

Bestselling author Suzanne Woods Fisher introduces her loyal fans to a brand-new series set in their favorite town—Stoney Ridge. As always, Fisher delivers endearing characters and plot twists that keep readers turning page after page after page.

EXCERPT

A shadow slid to the edge of the surrounding darkness in a doorway two building cavities away on her side of the street.

Selah stopped. Her chest constricted as her heart rate ticked up a fast notch pushing blood rushed starbursts into her vision. She squinted at the different shades of black, attempting to distinguish a face among the sprinkled flashes. Her brain deciphered the outline of a short club protruding from an overly-thick hand, probably gloved. Her mouth went dry. She sniffed at the air. She could almost distinguish his smell. Sweat and vegetation mixed with musk and dirt. A male.

The black-clad figure separated from the darkness and lunged onto the uneven sidewalk. She inhaled to draw in calm and studied the shape and posture of the figure. A little taller than her five-foot-six. Broad at the shoulders, rectangular stance between legs and hips. Yes, it had to be a man.

Her heart pounded a staccato rhythm against her ribcage drowning out her thoughts. *Control your breathing.*

She turned back. Adrenaline surged, prickling up the back of her neck and across her scalp. A movement whispered in front of her new direction.

Another figure emerged from one of the numerous doorways, blocking her retreat.

With Two Guys Competing for Her Love, What's a Girl to Do?

- **Katie Fisher has a problem. She has a new boyfriend, but her ex is determined to win her back. Who will keep her heart?**
- **Readers will enjoy the same laugh-out-loud style they first loved in Thompson's WEDDINGS BY BELLA series**
- **Author has a continually growing audience, now having sold more than 200,000 copies of her novels**

Katie Fisher and Brady James may be a match made in heaven, but that doesn't seem to guarantee them a happily ever after accompanied by angelic choirs. In fact, the sounds being heard at the bridal shop where she works are on the contentious side lately, as a bride- and groom-to-be try to mediate the growing rivalry between their basketball-obsessed families in the middle of play-off season. On top of that, Katie's parents are nagging her to get out of Dallas and come home to tiny Fairfield where her former boyfriend Carson is waiting for her, ready to rekindle their relationship. Oy vey! What's a girl to do? And will she ever be able to wear that gorgeous wedding dress she won?

The breezy fun continues as Janice Thompson throws everyone's favorite small-town girl into big-city bridal chaos—and makes her choose between the love she thought she lost and the love she stumbled upon in the aftermath.

AMISH FICTION CONTINUES TO **TOUCH HEARTS OF EAGER READERS**

by **Ann Byle**

Author Beverly Lewis

Readers are drawn to a connection with a people group whose faith is entwined into the fabric of daily life, says Beverly Lewis.

AMISH FICTION—with its emphasis on the simple life and loves of a distinctive people—continues to be one of the most popular genres for Christian readers and a dependable category for publishers and booksellers. What began back in 1997 with the release of Beverly Lewis's *The Shunning* continues today with multiple authors writing myriad books that are snapped up by eager readers.

"Readers are drawn to a connection with a people group whose faith is entwined into the fabric of daily life," says Beverly Lewis.

"My readers yearn for simplicity, and are keenly interested in the centrality of what is most important in life. Reading Amish fiction offers a better understanding of a life lived when one has the discipline to turn off, and turn away from, technology."

The matriarch of Amish fiction, Beverly

Lewis is the author of nearly 100 books for adults and children and her books regularly appear on bestseller lists, have been made into movies, and have received numerous awards. Her first, *The Shunning* (Bethany House), was based on her grandmother's story and has sold than 800,000 copies to date. She credits booksellers for their initial excitement and hand-selling it and its two sequels. "The enthusiasm from booksellers was palpable when *The Shunning* released," she says.

Lewis has been writing Amish fiction ever since. Often called "the queen" and "the godmother" of Amish fiction, she is one of many other authors now writing in the genre. One popular writer is Suzanne Woods Fisher, author of several Amish series, including the bestselling *INN AT EAGLE HILL* series, and several nonfiction books such as *Amish Peace: Simple Wisdom for a Complicated Life*, all published by Revell.

Fisher, who speaks often on the topic of Amish fiction and its popularity, has found that Amish fiction is one of the New York City libraries' most popular subgenres, as it is in her own libraries in the San Francisco area. A 2013 *Library Journal* study says that Amish fiction remains the top fiction subgenre in public libraries, with 91 percent carrying at least some Amish fiction.

"Amish fiction brings a sense of pastoral setting, of calm, and of being in touch with the fundamental things of life," says Fisher. "But take away the bonnets and buggies and you get to the heart of the Amish as they try to live out the Sermon on the Mount, with their fundamental belief in forgiveness, no matter what."

Fisher believes that "the beauty of studying the Amish is that we can deepen our faith by looking seriously at some of their convictions because we should be sharing them."

Author Suzanne Woods Fisher

According to Lewis, Amish fiction explores the themes of grace versus legalism, a hot topic for churches today. “Amish fiction is a safe way to process how readers view their own faith in light of redemption versus rules and regulations. This isn’t just an issue for the realm of the Amish, but is cropping up everywhere.”

Lewis avoids the media-sensationalized aspects of some Amish communities, preferring to write novels that offer salvation from rebellion, pride, and disobedience, she says. “The Amish I know are not perfect, as they tell me continually, just as the sins of humanity can be exposed in any Christian group.”

While the deep issues of faith are part and parcel of much Amish fiction, the genre is also just plain enjoyable with its home gardens, quilting bees, courtship rituals, and barn-raising. Lewis loves to create

familial plotlines—especially those featuring sisters—as well as stories with a fierce and tender maternal love.

Readers love that simple life, and love to read about it in other venues besides novels.

Fisher’s new blog, AmishWisdom.com, morphed from her popular weekly radio show into a blog and monthly newsletter. Readers can get travel tips for visits to Amish country, get a sneak peak at first chapters of new releases, meet Amish fiction authors, and win free books. Readers can even ask questions that Amish guests will answer.

Says Lewis, “I believe the core readership continues to crave page-turning Amish stories featuring faith issues, family interaction, delicious food, and a tender love story as well.”

While some say the market is saturated with Amish fiction, it’s clear that readers still just can’t get enough of this genre.

While the deep issues of faith are part and parcel of much Amish fiction, the genre is also just plain enjoyable with its home gardens, quilting bees, courtship rituals, and barn-raising.

Amish fiction brings a sense of pastoral setting, of calm, and of being in touch with the fundamental things of life, adds Fisher.

Fiction buyer pours heart and soul into **MEETING READERS' NEEDS**

by Ann Byle

I try to read one book by every author that we stock on the shelves, says Jager

CHRIS JAGER

knows that stocking bookstore shelves with Christian fiction titles is more than just buying one of everything and letting customers fend for themselves. This fiction

buyer at Baker Book House, the largest independent Christian bookstore in West Michigan, knows her job is about reading, asking questions, and offering good deals.

"I try to read one book by every author that we stock on the shelves," says Jager, who has been fiction buyer at Baker Book House for 13 years and an employee there for 18 years. She knows that helping a customer narrow her search is key to putting the best book for her needs into her hands.

Jager has honed her ability to find out what a customer might like: "What is the last book you read? Do you like suspense or romance? Do you like books set in today's time or those set in a historical time period? What kind of television shows do you like? What authors do you particularly enjoy?"

Once she narrows down likes and dislikes, it's time to take a book from the shelves and hand it directly to the potential customer. A sale often results. "But I never sell just what I like; I sell what the customer wants," says Jager.

This veteran bookseller has several suggestions for selling fiction that she has found successful

over the years, even as bookstore shelf space has shrunk for fiction titles. Baker Book House has about 36 feet of shelves for fiction—about 4 percent of the store—which hold the roughly 625 fiction titles they keep in stock. New titles are faced out for at least two weeks after release. During the holiday season she adds a sticker with the release date so that customers, often men who are shopping for gifts she says, can recognize the newest books by authors their loved ones enjoy.

Almost all fiction titles are put on sale every six to nine months, with discount stickers added to those on sale. Jager works with publishers to get those discounts as well. "The discounts are out there," she says. "You just have to do the legwork to get them."

Discounts may be offered on backlist titles a publisher wants to promote, titles with large inventory, seasonal books, or books on a timely topic. The key is finding discounts and purchasing books that she knows her customers will enjoy at an attractive price.

She's also willing to do the research to hunt down unique or little-known titles that she's heard of or that customers recommend and order books she doesn't have in stock. When a new title by a well-known author comes out, several of that author's previous titles are put on sale.

Jager is quick to highlight sale books, new books, books signed by the author, seasonal books, and highly discounted books on end caps and display

tables. For example, she may pull books by Beverly Lewis for an end cap display when a new Lewis title releases, offering discounts on older titles and the new one as well.

She promotes books by local authors, or cozy mysteries, or love stories, or Victorian fiction, or even scary books at Halloween. Christmas books are an easy choice for end caps in December. She is constantly changing displays so that customers find variety and, perhaps, a new author to enjoy.

Another key market for Baker Book House fiction is libraries and the readers they reach. Jager and the bookstore host days and times specifically for librarians to peruse the shelves. Many church librarians attend—a ready audience for Christian fiction—and a fair share of public libraries are represented as well. Fiction is nicely discounted and much discussed as the librarians wander the store in search of books for their collections.

The bottom line for Chris Jager is putting the right book into the hands of the right reader. She reads as much Christian fiction as she can to offer clear information. She asks potential customers questions to discern their likes and dislikes. She puts a book directly into their hands. And she offers good prices on the Christian fiction so many readers love.

"I live and breathe books," she says. "To be able to talk about books with other readers, and perhaps sell them a book, is the greatest job in the world."

The Whole Truth About Sex for Teens and Preteens

- Perfect for parents to give to their kids as a way to start the conversation about sex
- Author's websites draw 125,000 unique visitors a month
- Author is a youth expert, international speaker, and trains youth workers around the world

While our culture claims to be completely open about sexuality, it hasn't been telling the whole truth. Too often we ignore or downplay the serious consequences of engaging in sex at the wrong time or with the wrong person. And it's not just about pregnancy or STDs. It's also about the emotional and relational pitfalls of misplaced sexuality.

Written directly for the teenager, preteen, or young adult, *Sex Matters* gives the frank, unvarnished truth about sex. While it celebrates sex in the context of marriage, it also serves as a warning against the misuse of sex outside this context. It's the perfect book for parents or youth workers to give to a teen or preteen in their lives.

EXCERPT

Dear Mary,

It's been over two thousand years since you felt Christ's first kick, but his life is still making an impact greater than you can imagine. I'll admit I haven't always believed that I deserved the grace his life delivered, but on the days that I do I feel invincible. . . .

For some time I thought that his perfect strength was reserved for people only our society deemed worthy. I tried to calculate why God blessed some and not others. I tried to make his ways fit my own instead of trusting that God knew what he was doing. That's what I admire about you. From the moment the angel Gabriel appeared and told you God had shown favor upon you (Luke 1:30), you believed. I would have needed a minute to process an angel appearing and bringing with him a virginal pregnancy, but not you. You didn't ask about Joseph. There's no mention of you asking for a press release for the naysayers. How did you see Christ's life as a blessing when there were so many reasons to view it as a curse?

Hopeful, Inspiring Message for Moms from Sarah Jakes

- From Sarah Jakes, daughter of Bishop T.D. Jakes, and a dynamic speaker in her own right
- Shows Christ's love and compassion through the lens of his mother, Mary
- For moms and other women looking for a closer encounter with Jesus

Mary, the mother of Jesus, is a remarkable example of quiet, resilient faith and courage in the face of adversity. From the angel's first announcement of her pregnancy to the death and resurrection of her son, Mary was witness to our Lord and Savior in a unique and special way.

And as a mother herself, she speaks to the modern-day mom in a way few have explored before.

Writing in the form of letters, Sarah Jakes examines the life of Mary—and through Mary, Jesus—to better understand what a life of faith looks like. Maybe you struggle to trust God's will for your life. Perhaps you have fears and insecurities that keep you from realizing the joy God wants for you, or the thought of raising little ones overwhelms you. Through the example of Mary, discover the freedom that only true faith can bring.

For All Women Who Want Faith that Engages Their Hearts and Minds

- Thousands of women have developed a more fully formed faith through Houser's teaching
- Empowers readers to be ready to "give an answer" for their beliefs
- Author has an MA in Christian apologetics from Biola University

God has given every woman the ability to have an extraordinary faith—one that involves both the heart and the mind. Yet many women's faith is grounded solely in their hearts, leaving them unable to defend their faith or susceptible to the latest spiritual fads. In this book, Patty includes real-life stories and examples, including her own experience coming to Christ after a ten-year search for truth. She reveals how beliefs are not just about the intellect—they play an active role in behavior, in relationships, and in families. Finally, she demonstrates how you can share and defend your faith to those you love in a persuasive yet relational way. Includes questions for personal study and large or small groups.

Popular Apologist Corrects the Record on What Christianity Is All About

- Author hosts daily radio program in 200 markets, including Houston, Atlanta, and Nashville
- Popular conference speaker, sharing the platform with Eric Metaxas, Josh McDowell, and others
- A needed corrective for those disenchanted by their view of Christianity

The Christianity our culture rejects may not be true Christianity at all. So many people today believe they have to be good to be accepted by God, or that the Bible is just a list of do's and don'ts, or that God is far away and unapproachable.

Instead of providing "proofs" about God and the Bible, in this book Alex provides a reason to want to know Jesus. By sharing his own story of the loneliness and alienation of his youth, Alex taps in to universal fears of rejection and loneliness. We all seek acceptance and purpose—and there's only one solution. Learn how to be anchored in the Truth and security that comes through Christ.

PRAISE FOR DARLENE ZSCHECH

“Darlene’s passion for the Lord and for worshiping him is clearly heard through her music and song. Be inspired as you read treasures from the heart of a true worshiper.”

—**Michael W. Smith**, songwriter, author, musical artist

“*The Kiss of Heaven* is the story of a remarkable composer and worship leader’s life and growth in learning the marvels that proceed from finding God’s favor, walking in it, and discovering with amazement the generosities heaven waits to bestow on any of us who will step forward with simplicity and sincerity into God’s pathways—to follow Jesus unto the highest purposes of the Father’s benevolent intent for each of our lives.”—**Dr. Jack W. Hayford**, chancellor, The King’s University

“Darlene teaches from a heart of integrity. She is someone who cares deeply about the praises of her God and longs to shepherd the people of God as they bring those praises.”—**Matt Redman**, worship leader, songwriter

“This book is rocket fuel for your worship. If there is any one voice that is identified with extravagant worship today it is Darlene Zschech.”

When we entered the house, we found that chairs had been set up in a large circle around the living room in preparation for visitors. Rosanna was there in a wheelchair. Cheri and I were immediately ushered over to sit right next to her. At six years old, Rosanna was such a beautiful little girl, so sweet and serene, though she could not speak.

In time she would become an important part of my life. But at that moment, all I could take in was how this cherished child's life had been turned upside down by my son. I smiled and spoke to Rosanna, chatted with her mother, Mary Liz. I don't remember what I said, but I managed to hold myself in check until Cheri and I were back in our vehicle.

Then I dissolved into tears and cried and cried. Rosanna was only six years old. She'd had a whole life ahead of her. Now that life had been snatched away, the road ahead for this child, this precious family, such a rocky one! How could this be?

God, you can bring beauty from ashes, you can bring good from evil. Let it be so in this child's life!

Mother of Amish Schoolhouse Shooter Gives Message of Hope and Healing

- Poignant, hopeful message that will resonate with all who have faced hardships
- Author speaks regularly and continues to be contacted by hosts of major media, including Dr. Phil, Anderson Cooper, and Katie Couric
- Appeals to readers fascinated by Amish culture
- Foreword by Beverly Lewis

Who would have believed all the beauty God would create over the nine years since that awful day. On October 2, 2006, a gunman entered an Amish one-room schoolhouse, shooting ten girls, killing five, then finally taking his own life. This is his mother's story. Not only did she lose her precious son through suicide, but she also lost her understanding of him as an honorable man. Her community and the world experienced trauma that no family or community should ever have to face.

But this is, surprisingly, a story of hope and joy—of God revealing his grace in unexpected places. Today Terri lives in harmony with the Amish and has built lasting relationships that go beyond what anyone could have thought possible. From the grace that the Amish showed Terri's family from day one, to the visits and ongoing care Terri has given to the victims and their families, no one could have foreseen the love and community that have been forged from the fires of tragedy.

Let Terri's story inspire and encourage you as you discover the wonder of forgiveness and the power of God to bring beauty from ashes.

Bestselling Author Reveals the Key to Fixing Broken Relationships

Repackaged

- Author of bestsellers *Victory Over the Darkness* and *The Bondage Breaker*
- This book presents a key message of Dr. Anderson's ministry
- First time this content has been in trade paper

Conflict is a part of life, but that doesn't mean we need to accept bitterness and broken relationships. But before we can properly heal our relationships with others, we must let God heal our relationship with himself. In this book, Neil Anderson invites you to see how Jesus brings about the miracle of reconciliation.

Learn how to go beyond conflict management to freedom and healing by learning the basics of repentance, reparation, and forgiveness. Through true stories of people who have found reconciliation with God and with each other, you'll understand how to identify relationship problems, find effective solutions, and guide yourself and others through the process of forgiveness and healing.

A.W. Tozer's Follow-up to *The Knowledge of the Holy*

- Drawn from sermons, this material has never been available in print before now
- Tozer continues to be one of the most influential pastors in recent history
- Teaches readers how to reflect God's attributes

We were created in the image of God, and to understand who we are, we need to understand who God is. His very character and nature are reflected through us. Unless we fully grasp who we are, we'll never become all God wants us to be.

Delighting in God is the message Tozer intended to be the follow-up to *The Knowledge of the Holy*. He demonstrates how the attributes of God—those things God has revealed about himself—are a way to understand the Christian life of worship and service. We are here to serve and adore him, but we can only fulfill that role by acknowledging who he is, which is the essence of the Christian life and the source of all our fulfillment, joy, and comfort.

EXCERPT

As we begin this book, we have a question for you: *Who are you chasing?*

As we grew up, our parents and mentors used the Bible to guide us along a narrow path pointing toward a future planned for us by God. That path shaped who we are today. And we hope this book—along with the Bible—will help guide you in that same way.

No, you aren't going to be perfect. You'll probably make some wrong steps along the way. But at the end of the day, always ask yourself, *Who am I chasing?*

Is it God?

If his name isn't your first answer, then you aren't headed in the right direction—his direction. In this book we want to remind you to check your calendar and make sure that your first appointment and your top priority is to chase God.

In the chapters ahead, you'll hear stories and advice from each of us individually as well as some things we'll share together as a couple. That way you can hear both a girl's and a guy's perspective on all of the topics we're about to cover. Think of this book like a night spent hanging out with your best girlfriend talking about life and love and relationships, when suddenly there's a knock at the door and a guy walks in and sits down with you. In the chapters to come, he'll join in the conversation to give you the real inside scoop into what a guy thinks about love and relationships.

Ultimately, we want this book to inspire you to chase after the one person who matters most: Jesus Christ. He knows everything about you and he loves you. More than you know. He has the most amazing plans for you and desires a close personal relationship with you.

God's dreams for you are out of this world, girls. Keeping chasing after him, and you'll see.

His-and-Hers Perspectives on Chasing after God instead of Chasing after Boys

- Frequent speakers across the country, Kyle and Kelsey encourage girls to chase after God, allowing Him to write their happily-ever-after.
- Kyle is a recording artist who has toured with Lecrae, MercyMe and Steven Curtis Chapman, and Kelsey is an actress and the designer of a DaySpring card and gift line, Possibilities, with her mother, Karen Kingsbury
- Foreword by #1 *New York Times* bestselling author Karen Kingsbury

Kyle and Kelsey Kupecky couldn't have dreamed a better love story for themselves had it been scripted by a bestselling novelist like Kelsey's mom, Karen Kingsbury. In fact, if you asked them, Kyle and Kelsey would name God as the author of their story. And they're glad they trusted him to write it for them.

Unfortunately, too many girls hoping for their own happily-ever-after have taken matters into their own hands, chasing after boys when they should be chasing after God. And that inevitably leads to heartache, low self-esteem, and poor choices as girls give in to pressure from media and peers to look and act a certain way to attract guys.

Kyle and Kelsey want girls to know that it's never too late to trust God with their love lives, that wherever they are, there's always hope for the future. Through their own story and the stories of others who long for love, they show girls how to put God first, how to value and protect their purity, how to deal with loneliness and bullying, and how to see themselves as God does—a one-in-a-million girl who deserves no less than God's best.

EXCERPT

What was true for Abram then is true for you today: *if God is sending you to a new place, he's sending you with a promise.* Whether you experience transition under your feet, in your heart, or both, the Lord is bringing you to something new for the purpose of blessing you, and blessing you beyond anything you could ever dream for yourself. In the deepest parts of my soul, I know *change is an absolute provision of God's grace.*

Change isn't something to be feared or dreaded. It's just the next step, his next best thing for you.

The problem, however, is this: *we know too little of what could be to feel discontent with what is.* When change that isn't our own idea comes into our life, it's easy to hold on white-knuckled to what we already have where we already are. After all, it may not be a terrible or unhealthy place. It may be exactly what you imagined for yourself: beautiful, predictable, and reliable. Why rock the boat?

Or maybe the view from where you sit today isn't quite so ideal. Difficult situations still require courage to change. After all, an undesirable familiar place is still familiar, right? Sometimes we'd rather put arms around unhealthy predictability than take a chance on a better brand-new.

Either way, what if God wants something more for you? If God knows all our *could be's*, perhaps he's divinely orchestrating your life to help you know them too. In his infinite wisdom, he is moving you in a new direction toward all that could be.

But when we don't see any of this clearly, it's hard to hang on to belief.

It's my fervent prayer that from the first pages onward, this book shows you how to do just that.

“Kristen Strong is an uncommon gem whose Gospel-brilliant writing makes Jesus shine.”—Ann Voskamp, *New York Times* bestselling author

- For any woman experiencing the anxiety and stress that change brings, Kristen Strong walks alongside as a true friend
- Author draws on her own experience as a military wife, the stories of others, and stories from Scripture
- Kristen is a blogger at DaySpring’s (in)courage and at her own blog, *Chasing Blue Skies*
- Foreword by Myquillyn Smith “The Nester”

Whether chosen and celebrated—like going off to college or welcoming your first baby—or unexpected and anxiety-inducing—like losing a job or grappling with a broken trust—all change brings stress. Kristen Strong knows about change—especially the kind you didn’t choose or expect. What she’s fought hard to learn over the years is that change is not something to be feared but something to be received as a blessing from a God who, more often than not, works through change, not in spite of it. Strong has learned to see change not as a grievance but as a grace.

In this hope-filled book, she shows women how when we follow God’s will, we receive blessings of contentment, purpose, and renewed strength. She encourages women to see change not as the end of their story but as the scenery for this part of life’s journey. And she offers practical advice for coping with change in every part of life. Anyone who has struggled to adjust to life’s transitions will welcome this warm and personal perspective.

How Women Can Prioritize Their Best Work over Busy Work

- Helps women identify why they procrastinate and take back their lives from busy work
- Shows women that their goals and dreams don't have to be put on hold during busy seasons of life
- Author is the executive director of communications for Proverbs 31 Ministries

No matter how hard women work or how much they accomplish in a day, there's lingering anxiety and guilt over what they *didn't* do. We just wish the world would stop for a day so we could catch up.

Glynnis Whitwer has identified what makes us feel so overburdened—and it's probably not what you think. *Taming the To-Do List* exposes a seismic shift in our society: from one in which most of us were proactive toward one where we now carry the burden of having to *respond*—to every email, text, tweet, and message we receive. This major shift creates a cycle where everyone else sets the priorities for our days, rather than us designing our own lives.

Taming the To-Do List addresses this significant change in how we manage our time and the issue of procrastination from a woman's point of view. It addresses the common household tasks many women put off, like doing housework and scheduling doctor's appointments, and moves on to the larger, more life-impacting delays of dreams and goals. Combining practical, easy-to-apply advice with solid research and biblical truth, this book is a compassionate yet challenging message of hope for those struggling to choose their *best* work over *busy* work.

Overcoming Relationship Dependency

- Helps readers break the cycle of codependency and unhealthy relationships
- Authors are experts in the fields of addiction and relationships
- Fills a unique niche in the marketplace that is underserved and often misunderstood

“You complete me” may be a romantic line in a popular movie, but it’s not a healthy basis for a real relationship. Unfortunately, many people are drawn into relationships that are unfulfilling precisely because they are looking to other people to fill in the places where *they* are lacking—they are looking for a person who will “complete” them. At the heart of relationship dependency is a person’s belief that he or she alone is not enough. But using others to provide wholeness simply does not work, because while we are made to be relationship dependent, it is God we must turn to in order to find wholeness.

In a warm, engaging style, Drs. Jantz and Clinton walk readers through patterns of relationship dependency, helping them unravel why they are drawn back to the same dry well of unfulfilled relationships over and over again. Readers will discover how to break the cycle, banish their fears, and find wholeness in the God who designed them to be in relationship first and foremost with him, thus freeing them to find healthy relationships with others. Includes a twelve-week personal recovery plan.

A Stirring Call to Respond to God's Nudges to Pray

- Through astounding true stories of answered prayer, readers see the proof of what happens when we pray
- Shepherd encourages readers to respond when God nudges them to pray and to have faith he will do amazing things
- Shows readers how to seek a deeper prayer life and relationship with God

Most of us have felt it: that unexplained prompting in our hearts to stop and pray for a friend, a loved one, or even a stranger. Sometimes we dismiss the feeling as a stray thought about friends, families, or situations. Sometimes we are even awakened from a deep sleep with an even deeper need to go to God in prayer. Where do those urges come from? Are they truly from God? And do those prayers have any effect on the one we're praying for?

In *Called to Pray*, Linda Evans Shepherd shares dozens of inspiring true stories of people who have felt God's call to pray—and the astonishing results of those impromptu prayers. For those who wonder if prayer has any effect or doubt that God communicates with us personally, this heart-stirring book will amaze, inspire, and equip them to respond to those holy promptings.

As our use of technology has increased, our communication skills have decreased. We text when we should talk. We tweet firings and breakups. Technology creates the illusion of being in touch, but we lose the deeper meaning conveyed by body language, facial expression, and tone of voice. What we need are real, face-to-face conversations. Have we lost that art?

Whether it's with a spouse, a friend, a boss, a co-worker, or children, tough conversations can create high anxiety. Communication expert Mike Bechtle offers practical help. He shows readers how to build strong relationships and teaches tried-and-true methods to navigate the muddy waters of tough conversations. Readers learn to be better listeners, give and receive genuine feedback, saturate their relationships with kindness, and much more. With the right skills and tools, anyone can feel more confident handling a tough conversation.

Now in paper

- Practical ways to build family unity that leads to communication, respect, and fun
- Lemman's Have a New series has sold more than 1 million copies
- Bonus Q&A section shows readers how to apply this practical advice immediately

Every member of a family plays a vital role in the health and happiness of the household. Everyone is important, deserves to be treated with love and respect, and needs to know that when they make mistakes they will still be loved unconditionally. And when every member of the family is pulling for each other and on the same team, everybody wins. But is possible?

Dr. Kevin Lemman says it is. He shows families how to

- communicate honestly and kindly
- prioritize the right things
- maintain great attitudes and behaviors
- determine the role each plays in the family structure
- make family time count

As always, Dr. Lemman's outstanding advice is laced with humor, great stories, and the wisdom that comes only from a lifetime of experience. For parents who've had it up to here with bickering, hurt feelings, and emotional exhaustion, *Have a Happy Family by Friday* is just what the doctor ordered.

EXCERPT

Have you ever wondered if someone left the door open in your house and let an alien into your family room? Suddenly that sweet son who picked a dandelion from your yard and presented it to you like a prize rose, and that precious daughter who snuggled by your side on the sofa and told you all the secrets of her heart, have morphed into middle schoolers you can't recognize—complete with smart mouths and self-centered attitudes . . .

Entering middle school is like stepping onto a different planet for both you and your child—an expanding universe where peer pressure, society, media, and technology influences, as well as hormone changes, can create havoc in your child's life and in your relationship. Your home environment can sometimes feel more like a red-hot planet, about to spontaneously combust.

You can't change those ever-present facts of life. But you can learn to be smart about them. The middle school years don't have to create chaos in your family. Whether you're smack in the middle of them or nervously anticipating them, you can navigate this new universe with confidence and a steady hand. With a little knowledge and some key principles, you can steer your middle schooler toward life-long success.

Yes, your middle schooler will still be weird at times. No doubt about it. But armed with the insight and practical principles of this book, you can make the middle school years the best and most fun age of all. Someday, in fact, you and your grown-up kids will be sitting around the dinner table, laughing and swapping stories about these memorable years. Just like my beloved bride, Sande, and I do with our five children now.

I guarantee it.

Leading Expert Guides Parents on the Fantastic Journey of Parenting Middle Schoolers

- Equips parents with the tools they need to handle the conflicts, emotions, and attitude of their middle school child
- Helps parents find common ground with their kids during this critical time in the parent-child relationship
- Dr. Kevin Leman is a *New York Times* bestselling author, psychologist, and parenting expert

It happens to every parent. One day, you have a sweet son or daughter who loves to snuggle on the couch and who puts a smile on your face just by walking into the room. The next day, it's as if someone left the door open and let in an alien with a smart mouth and an attitude that, frankly, you could do without. Entering middle school is like stepping onto a different planet—for parent and child alike. It's a planet where peer pressure, social media, and hormones can wreak havoc in your child's life and in your relationship with him or her.

But these years don't have to create chaos in your family. Parenting expert and *New York Times* bestselling author Dr. Kevin Leman's time-tested principles will aid parents in helping their middle schooler not only survive but thrive during these turbulent years on Planet Middle School. He shows parents how to

- understand their child's rapidly expanding world
- respond rather than react to emotional swings
- tell their child about sex (before someone else tells them *their* version)
- create opportunities for their child to practice selflessness and gratitude
- ensure that their kid is one who loves home and family

Middle schoolers can be a weird, unpredictable species. But with a little help from Dr. Leman, parents will be able to ride out the interstellar storm with humor and confidence.

EXCERPT

In Zephaniah 3:17 we read, “Yahweh your God is there with you, the warrior-Savior. He will rejoice over you with happy song, he will renew you by his love, he will dance with shouts of joy for you” (NJB). God doesn’t just smile—he sings and dances with shouts of joy—for you! My friend, he knows all about you. He knows how often you fail to get it right; he knows the truest intentions of your heart; he knows what no one else will ever know. And his response to all he sees within you . . . within me? This makes me weep. He dances for us with shouts of joy. This is the God I want a watching world to know through me.

I love the Phillips translation of Luke 7:34: “Then the Son of Man came, enjoying life.” It doesn’t say the Son of Man came weeping copiously. Or the Son of Man came bent over in pain. Or the Son of Man came with a scowl on his face. It says the Son of Man came enjoying life. That blows my mind, and messes with my stereotype of Jesus as a kill-joy or a man who couldn’t survive without his box of Kleenex. He came eating and drinking—“feasting,” says the Message paraphrase. That sounds like a man who experienced joy as well as sorrow. He sounds like someone I’d like to get to know! If he could experience joy, maybe I can too . . . and maybe you can as well. And a watching world will see us live out the truth about God—that he is a God of joy, the Bible is a book of joy, and Jesus was a man of joy.

30 Warm, Personal Devotional Readings from a Beloved Author and Bible Teacher

- Teaches readers that joy is a choice and it can be theirs
- Shows how to choose and live with joy regardless of circumstances
- *Choose Joy* products have sold over 100,000 units

Kay Warren's *Choose Joy* helps readers discover how to live with joy despite their circumstances. The *Choose Joy Devotional* helps put those joy-filled principles into focus each day. Each of the thirty entries begins with an encouraging Scripture, followed by Kay's wise words on how to live with joy even when life is challenging, our plans are shattered, our health fails, or it feels like we are walking through life alone. Each devotional ends with a short prayer to help bring the reader closer to the true source of all joy—their loving God.

Perfect for anyone who wants to experience joy in daily life, the *Choose Joy Devotional* also makes a thoughtful gift.

Two Friends Share Ways to Make Your Marriage HOT

- Gives women the encouragement they need to reinvigorate their sex lives
- Full of simple and creative ways to make marriage sizzle again
- A natural follow-up to Kathi Lipp's bestseller *The Husband Project*

If you ask the average woman how much sizzle there is in her marriage, she'll probably answer, "Not enough!" Being a mom is overwhelming, and it's easy for moms to slip into the habit of allowing responsibilities for kids, work, and church to interfere with their relationship with their husbands. They don't have the energy or the ideas they need to have a spicy, satisfying sex life. *Hot Mama* to the rescue!

Kathi Lipp and Erin MacPherson set out on a mission to find out what it takes for busy moms to feel confident and sexy. In this witty book, they share hilarious stories and creative ideas from moms all over the country that will help readers build a relationship with their spouse that's happy, healthy, and fun. From building confidence and banishing guilt to flirting (remember that?) and wearing clothes that make you—and him—feel hot, Kathi and Erin offer women all the encouragement, motivation, and know-how they need to take their sex lives from ho-hum to *hot*.

Steps to Creating a Life That Makes Time for You

- Leads readers through inspiring steps toward a more creative, intentional, and fulfilled life
- Helps women discover how to use their fringe hours well every day
- Turner writes at her popular lifestyle blog, *The Mom Creative*, for DaySpring's (in)courage, and for *A Deeper Story*
- Shauna Niequist, Brigid Schulte, Tsh Oxenreider, Crystal Paine, and many more offered their support for *The Fringe Hours*

Women are tired of getting to the end of the day and realizing they haven't done one thing for themselves. In *The Fringe Hours*, Jessica Turner revealed the pockets of time women already have in their day and encouraged them to use those fringe hours to practice self care and do the things they love. Now she's ready to take readers a step forward, leading them through their own inspiring journey to a changed life.

Equally practical and beautiful, *My Fringe Hours* offers busy women both inspiration and a space to make its concepts their own. Each section includes thought-provoking questions, space for reflective journaling and planning, and targeted motivation to help them use their fringe hours to live more creative and fulfilled lives.

The perfect gift for the busy woman, this unique, interactive book gives clear guidance on how to begin a practice that will change her life.

Heartwarming True Stories Celebrate God's Gift of Horses

- A collection of warm, inspirational stories that will touch the hearts of any animal lover
- Editor's previous animal story collections have sold over 100,000 copies
- Horse books have been a staple in American literature and the basis of countless movies for generations

Few of God's creatures are as noble and soul-stirring as the horse. Even those of us who don't have horses of our own love to read inspiring stories of these beautiful, regal beasts.

With contributions from well-known authors such as Lauraine Snelling, Susy Flory, Rebecca E. Ondov, Wanda Dyson, and Sarah Parshall Perry, these true stories of horses and the people who love them are sometimes touching, sometimes humorous, and sometimes miraculous. As she did in her dog and cat story collections, Callie Grant Smith has compiled another perfect read for animal lovers—time with horses as the subject.

Get Happy, Stay Happy

- *New York Times* bestselling author teaches readers proven ways to get happy—and stay that way
- Fully revised and updated to reflect the most current brain research on happiness
- Chapan's coauthored book *Telling Yourself the Truth* has sold over 700,000 copies

We all desire peace and contentment in our lives. But for all of our chasing after happiness, do we ever really achieve it? We think if we can get one step higher on the ladder, lose those last ten pounds, or find that one perfect person, then happiness will be ours for the taking. But the things of the world don't offer lasting peace and contentment.

How to Be Happy in an Unhappy World unveils the secret to finding—and maintaining—true happiness. Diving deep into the core of the heart where true and perfect happiness waits, Marie Chapan guides readers in discovering this largely untapped source of peace. Based on solid biblical principles and scientific brain research, this book unlocks the door to freedom from depression, anxiety, frustration, and the despair of life's endless emotional roller coaster. It includes revealing self-discovery questions, short quizzes, and practical how-to lists that will enable readers to discover an inner radiance and happiness that cannot be extinguished.

Understand the Relationship between Spiritual Life and Psychological Health

Whether depression is felt mildly or acutely, temporarily or persistently, it strikes just about everyone at some point. Drs. Minirth and Meier believe, however, that the emotional pain of depression can be overcome and avoided. Drawing from their professional training, counseling experience, and biblical knowledge, they explore the complex relationship between spiritual life and psychological health. They then spell out basic steps for recovering from depression and maintaining a happy, fulfilling life.

Now in paper

- Shows how the miracles of Jesus reveal what he wants to do in your life
- Stories of everyday people demonstrate that God still performs miracles today
- From the *New York Times* bestselling author of *The Circle Maker*

There are miracles all around us all the time,” says *New York Times* bestselling author Mark Batterson, “but you won’t see them if you don’t know how to look for them.” Batterson reveals the incredible power of the seven miraculous signs of Jesus found in the Gospel of John, showing how they were not simply something Jesus did in the past but are something he wants to do *now*, in the present. He shares true stories of people today who are experiencing miracles in their lives. And he brings to light countless miracles, big and small, that we take for granted every day that point us toward the One who healed the sick, calmed the storm, and yes, even raised the dead.

Nothing has changed since Jesus called Lazarus out of his tomb four days after his funeral. Our impossible situations still double as God’s greatest opportunity to reveal his glory. No matter how big the problem is, God is bigger still. Anyone who longs to see God work in miraculous ways today will love Batterson’s faith-building, life-giving message.

Breaking through our Comfortable View of Jesus

- Author is a popular Christian blogger whose work has been featured by *The Washington Post*, *Focus on the Family*, *First Things*, *Christianity Today*, *Relevant*, and *Beliefnet.com*
- Easy-to-read, inspiring call to follow the Christ of the Scriptures with abandon
- Challenges ten pervasive “Americanized” views of Jesus

From hit songs to bumper stickers to eye-black, Jesus is trending high wherever you look. But at the end of the day, many “try Jesus” and come away disappointed in the experience. That’s because the Jesus of popular culture looks much more like us than the God-man who appeared in the flesh two thousand years ago. We’ve got Guru Jesus, Braveheart Jesus, Dr. Phil Jesus, Free-Range Jesus, and plenty more imposters that feed into our selfish desires. The problem is, they don’t have the power to save us or transform us into new creations. Luckily, it doesn’t have to be that way.

The Original Jesus calls readers back to the Jesus who demands our worship—the potter who molds us, the clay. Seekers, skeptics, and sojourners in the way of faith will see Jesus for who he really is: God in the flesh, calling us to surrender our very lives that we may truly live. Foreword by Russell Moore.

ENDORSEMENT

“If you have questions, or even frustrations, about the person of Jesus Christ—this book is for you. It cuts through our society’s confusing and contradictory opinions about Jesus to find the glorious, wonderful reality of him spread throughout the pages of Scripture.” —**Jim Daly**, president, Focus on the Family

EXCERPT

Following God in the dark places is scary, but not paralyzing. He knows when we should make a trail and where to pitch the tent. Where the next stream of life-giving water is and what the village on the other side of the mountain looks like. He sees what I cannot and illuminates the path. Not running ahead of me; not forcing me. But side-by-side, as trusted friends, we walk step in step. And I realize I am walking on holy ground. My lostness is made holy, my journey made bearable, my unknowing state becomes fully known as God journeys deep into the dark places with me. He is the treasure. His presence, the riches found in secret places. With each step the detour feels less like a curse and more like a holy excursion. Jesus has become the guide and the Guide is teaching me how to move forward in the dark.

Do you trust Me? I hear him ask.

My answer is sheepish and small. I don't yet have the courage to look him full in the eyes.

"Yes. I mean, I don't know how. But I'm trying. I want to trust You."

Then take My hand. Oh, and Jenny? Fear not. Fear not. Fear not. Fear not.

The *treasure of darkness* tells me not to fear. The *riches hidden in secret places* invite me to follow him deep into the unknown. I am not alone in my lostness.

Lean into Life's Uncertain Seasons

- Beautiful and engaging writing style that will appeal to readers of Ann Voskamp, Margaret Feinberg, Jen Hatmaker, and Bob Goff
- Author is singer/songwriter and popular blogger with over 150,000 followers on social media
- Vulnerable, hopeful, and humorous guide to living through tragedy and doubt and moving forward

No matter how great or how terrible life is going, one thing is for sure—it's going to change. Sometimes it happens in an instant—you get married, you have a baby, you lose a loved one, you lose a job. Sometimes, it happens over time—you drift away from a friend, you discover you're not the same person you used to be, you find yourself struggling with doubt. But no matter what, we must deal with both the change we choose and the change foisted upon us.

Jenny Simmons is no stranger to both kinds. In this thought-provoking book, she shares her final days as the lead singer of the band Addison Road and the subsequent journey that led her through seasons of change, lostness, and finding new life. The result is a painfully vulnerable, laugh-out-loud, honest, and hopeful reflection on life's uncertain times. This encouraging book invites readers to view their not-how-I-planned-it moments as holy seasons that didn't catch God off guard at all.

A World Traveler's Guide to Finding Home and Identity

- “Emily is an immensely gifted writer with a knack for taking her reader on a journey of experience.”
—Tsh Oxenreider, author of *Notes From a Blue Bike*
- Wierenga is an award-winning journalist, the author of five books, an active blogger, and founder of the nonprofit The Lulu Tree
- Answers the age-old questions “Who am I?” and “Where do I belong?”
- Women will realize their source of identity lies nowhere around them but rather within them

For women who have grown up in the tension between third-wave feminism and Martha Stewart, it can be a struggle to define and embrace the meaning of *home*. There is constant pressure to do things a certain way, and sometimes intense criticism from those who think you’re doing it wrong. But what if home isn’t really about whether or not you homeschool or have a career? What if it’s more about who you *are* than what you do?

A self-proclaimed “former subversive,” Emily T. Wierenga has learned the art of making a home and the joy of settling down. Emily takes readers on an unconventional journey through marriage, miscarriage, foster parenting, and the daily struggle of longing to be known, inviting them into a quest for identity in the midst of life’s daily interruptions. Through soul-stirring writing, she helps women understand that homemaking is much more than old-fashioned tradition; rather, it’s a timeless art requiring mind, body, and spirit.

Cultivating Peace in Our Time-Obsessed Culture

- Reveals a biblical understanding of time, releasing readers from cultural expectations
- Success of titles like *Crazy Busy* and *Margin* show a receptive market
- Lyrical, transformative writing in the tradition of Eugene H. Peterson
- Provides a Christian framework for both thinking about time and living faithfully within it

There's never enough time. So we try to cram as much as possible into what little time we have—work, friends, play, rest. But what if *How do I fit it all in?* isn't the right question?

Scripture has a lot to say about time. Taking a cue from Ecclesiastes—"Better one handful with tranquility than two handfuls with toil and chasing after the wind"—and drawing on everything from Augustine's *Confessions* to conversations with air traffic controllers, David W. Henderson encourages us to move beyond merely trying to open up a bit of margin or to say no once in a while, and to take a purposeful step back from our lives to examine those internal and external dynamics that propel us into busyness and hurry. Sharing honest stories about his own struggles with busyness, he helps readers explore the way the Scriptures frame our time—understanding the times, making the most of the time, and trusting God with the rest.

For anyone who is tired of feeling the push and pull of our time-bent culture, this book will be a welcome invitation to rest and to live artful and faithful lives marked by peace and tranquility.

Focused Biblical Scholarship to Teach the Text Effectively

- Helps pastors move seamlessly from the meaning of the text to its effective communication
- Each preaching unit includes five sections: Big Idea, Key Themes, Understanding the Text, Teaching the Text, and Illustrating the Text
- Full-color illustrations, maps, and photos illuminate the text

To craft informed sermons, pastors scour commentaries that often deal more with minutia than the main point. Or they turn to devotional commentaries, which may contain exegetical weaknesses. The Teach the Text Commentary Series bridges this gap by utilizing the best of biblical scholarship and providing the information a pastor needs to communicate the text effectively. By concentrating each carefully selected preaching unit into six pages of focused commentary, each volume in this series allows pastors to quickly grasp the big idea and key themes of each passage of Scripture. Each unit of the commentary includes the big idea and key themes of the passage; sections dedicated to understanding, teaching, and illustrating the text; and full-color illustrations, maps, and photos.

The newest release in this innovative commentary series is Joe M. Sprinkle's treatment of Leviticus and Numbers.

Spiritual Warfare Explained for Every Christian

Updated & Expanded

- Author is teaching pastor and CEO of *Living on the Edge* radio program, reaching more than one million active listeners each week
- A balanced approach to spiritual warfare for the next generation of believers
- Ingram's books continue to sell, year after year

Some Christians believe strongly in the existence of demons and spiritual warfare. Others downplay or even ignore the idea. With such divergent views, how are Christians supposed to know the truth about demonic forces at work in this world? *The Invisible War* examines what every believer needs to know about Satan, demons, and spiritual warfare, offering a balanced look at this controversial subject. This provocative book will help Christians understand what the Bible says about these threats and will show them how they can safeguard themselves and their families through prayer. Now repackaged for a new generation, *The Invisible War* offers a balanced look at what is going on in the spiritual realm and what believers can do to defend themselves.

EXCERPT

Theologian and pastor, John Piper, calls the eighth chapter of Romans the greatest chapter in the Bible. Or in shorthand, The Great Eight. Who am I to argue with him? Martin Luther called it “the clearest gospel of them all.” William Tyndale, who was martyred for translating Scripture into English, called it “the most excellent part of the New Testament.” I’ve always thought of it as the *What If* chapter because it’s so full of possibilities.

It’s Da Vinci’s Mona Lisa.

It’s Beethoven’s Symphony No. 5.

It’s Abraham Lincoln’s Gettysburg Address.

The Great Eight starts out in storybook style: *There is therefore now no condemnation to those who are in Christ Jesus.* It has a fairytale finish: *Nothing can separate us from the love of Christ.* Right in the middle, it crosses the Brooklyn Bridge of the Bible—*all things work together for good to those who love God and are called according to His purpose.* And then there’s the subplot—*in all these things, we are more than conquerors through Him who loved us.* But the touchstone is a little two-letter word in the middle of the chapter. It’s the linchpin, the kingpin. It’s the hinge on which the greatest chapter turns.

If God is for us, who can be against us.

That’s the game-changer, the life-changer.

If you have subconscious doubts, it’ll manifest in a thousand forms of fear.

If you believe it, it turns *if only* regrets into *what if* possibilities.

God Is for You. All the Time. In Every Way Imaginable.

- From the *New York Times* bestselling author of *The Circle Maker* and *The Grave Robber*
- Unpacks the promise of Romans 8:31 to reveal the possibilities available to those who discover that God is for them
- Simultaneous curriculum release with full church campaign resources

If is a powerful little word. Some people are stuck in “if only,” trudging through lives marked with regret. But God wants us to live lives marked with possibilities, with the “what if” attitude that looks forward to the future with confidence. Why? Because the answer to “If God is for us, who can be against us?” is “No one.” God is always on our side. Every day, in every way.

With his trademark enthusiasm and contagious joy, Mark Batterson helps readers overcome feelings of guilt, fear, and doubt because in Christ there is no condemnation. Unpacking the promises of Romans 8, he shows readers that they are more than conquerors—right now and forever. And because of that, the possibilities for their lives are limitless.

Christians from all walks of life will find themselves set free by this inspiring and entertaining read.

Make a Difference Right Where You Are

- Shows readers that God made them just the way they are for a reason
- Author is an active speaker, thought leader, blogger, and managing editor of TheHighCalling.org
- Helps women transform feelings of uselessness into grace-filled, impactful living
- Foreword by Ann Voskamp

Every woman has had that moment—we see a need in our church, our school, our neighborhood, our family, or our world and we think, *Someone really should get to work on that*, never imagining that *we* might be the answer to that need. We don't have the time, the expertise, the money. We've got careers to manage, bills to pay, meals to prepare, and way too much laundry piling up. Besides, who are we to think we can change the world?

In this encouraging and empowering book, Deidra Riggs calls women to accept God's invitation to join him in making a difference right where they are, regardless of their current life stage. She shows women that they were created with a purpose and with the capacities to fulfill that purpose. And she reminds readers that it's not up to us to fix the world, but it *is* up to us to join God—and the rest of his people—in his redemptive work. For when God calls and the timid reader looks over her shoulder and answers, "Who, me?" God always emphatically answers, "Yes, you."

Riveting Story of Pain, Friendship, and Triumph

- Beautifully written, gritty narrative encourages readers toward friendship, faith, and fortitude
- Author speaks to over 100,000 people annually
- Foreword by Mike Huckabee

In 1953, in Jonesboro, Arkansas, a baby boy was born—dead. The attending physician set his little body aside and tended to his mother for eighteen minutes. Now, more than sixty years later, that boy leads an internationally known ministry that encourages hundreds of thousands every year. *The Boy Born Dead* tells his incredible story from the perspective of his best friend, David Wideman.

As a teenager in the small town of Liberty, Missouri, in the late 1960s, David Ring grew up with the challenges that come with cerebral palsy, a result of his eighteen minutes of newborn silence. Along with his physical limitations, Ring was orphaned and shuffled from home to home, finally landing in an abusive situation that made him feel unworthy of love and, eventually, unworthy of life. But God had a purpose for Ring's life, and sent an agent to help him achieve it. Through the friendship of David Wideman, a boy he met in the halls of Liberty High School, Ring found strength he didn't know he had and went on to face his demons, marry the love of his life, and start an international speaking ministry.

Full of hope, this moving story illustrates how friendship and love triumph over adversity. Anyone who faces tough times will treasure this story of hope and courage.

Pastors! Break Out of the Trap of Average and Pursue God's Best

The average church in America is declining by 9% every year, is behind on budget, and is unable to move forward with the kingdom plans God has in store. The average pastor is stressed out and struggling to maintain healthy relationships and life balance. But there is a way to overcome the cycle of average and step into a life of impact and excellence. *The Renegade Pastor* is a relevant, step-by-step resource for church leaders who are ready to step up in surrender to the pursuit of God's best for his or her life and work.

Surviving Jihad, Finding Jesus, and Seeking Redemption

- The incredible story of an Egyptian boy bent on revenge becoming a force for forgiveness in his majority-Muslim country
- Personal account demonstrates the transforming power of forgiveness
- Author has an international platform as an advocate for the Christian church in a majority-Muslim Middle Eastern country

When Brother Nathan was a child in Egypt, he witnessed the unthinkable—his own father’s murder at the hands of terrorists. At first, he struggled with his powerful urge to seek revenge against his father’s assassins. Today, he ministers in the very village where his father was killed, as well as in countless other cities and villages across Egypt and throughout the Middle East.

Love Casts Out Fear tells the gripping story of a deadly attack, Nathan’s initial anger, and forgiveness that makes way for redemption. It also gives a firsthand account of the challenges faced today by Middle Eastern Christians, and of God’s provision for a ministry that touches the lives of thousands. Readers will passionately come alongside Brother Nathan in this true-life thriller as he shares the love of Christ in a dangerous place to claim Christ as Lord.

ABOUT THE AUTHORS

Brother Nathan is a Christian leader currently working in **Egypt**, where Christians are a small minority and are subjected to many forms of discrimination on a daily basis. He graduated from university as a veterinary surgeon, but followed the call of God he felt on his life by leaving his job in 1986 to study at New Life Bible School in New Zealand. Upon completion of his studies, he returned to Egypt to begin his ministry. He and his wife have three children.

David Culross has been involved in various ministries for over forty years, including church music ministry and sacred and symphonic music publication. His global mission work has taken him to more than sixty countries around the world, including Eastern European countries during the days of communism and throughout nations in Africa and Asia. His up close and personal encounters with Christians all over the world give him unique insight into the persecuted church. He currently lives in **Grand Rapids, Michigan**, with his wife Sharon.

Helping New Pastors Start Off Strong—and Smart

- Encouragement and practical help to discern a call, start a pastorate well, and avoid common pitfalls of the first years of ministry
- Advice to help a new pastor prepare for ministry and thrive in their unique call
- Written in a warm, conversational style from a pastor who's been there

Most seminary graduates will begin their ministries with plenty of important head knowledge to share—but with a deficit of some of the most practical aspects of doing ministry, such as

- which ministry role most suits them
- how to start out strong at a new church
- persevering during difficult seasons of ministry
- leading meetings and delegating tasks
- safeguarding their family
- fighting discouragement, pastor envy, and a lack of contentment
- navigating special ministry needs, such as hospitals, weddings, and funerals
- and much more

Through his hard-won wisdom, Jason Helopoulos comes alongside new pastors as a trusted friend and mentor, ready to guide them through their first years of ministry with intelligence and compassion.

How to Prepare Now for Pastoral Succession

Every pastor is an interim pastor. While there is no simple, one-size-fits-all solution to the puzzle of planning for a seamless pastoral succession, *Next* offers church leaders and pastors a guide to asking the right questions in order to plan for the future. Vanderbloemen, founder of a leading pastoral search firm, and Bird, an award-winning writer and researcher, share insider stories of succession successes and failures in dozens of churches, including some of the nation's most influential. Through case studies, interviews, and real-time research, the authors demystify successful pastoral succession and help readers prepare for an even brighter future for their ministries.

EXCERPT

I find that most people, whether Christ-followers or not, have a horrible view of heaven. At best it's a cloudy, ethereal, disembodied, non-physical experience—yeah, maybe with love, joy, and no suffering sprinkled in—but if we're honest, we don't really get *excited* about it. We can't imagine actually *liking* it. At worst, people think of it as an endless, boring church service, singing songs you're not excited about—forever! That sounds horrible to me, and I'm a pastor!

How you think about heaven affects everything in life—how you prioritize love, how willing you are to sacrifice for the long-term, how you view suffering, what you fear or don't fear. I'm convinced we can't even begin—but we should try—to picture how magnificent, how spectacular, how much fun heaven will be—how much of what we love about this life and more awaits us in eternity. As the Scripture says, "No eye has seen, no ear has heard, and no mind has imagined what God has prepared for those who love him" (1 Corinthians 2:9, NLT). But that doesn't mean we shouldn't push our imaginations to the limit trying to understand.

I'm convinced that a poor view of the life to come is one of the primary reasons many people (Christian or not) live materialistic, self-centered lifestyles. They can't imagine heaven, so they don't live for it. But all the great heroes of faith "were looking for a better place, a heavenly homeland. That is why God is not ashamed to be called their God, for he has prepared a city for them" (Hebrews 11:16). Imagining and living for heaven is not optional in God's eyes—it's the hope God wants us to hold in our mind's eye.

Fascinating Near-Death Experiences Reveal Scripture's Heaven

- Bestselling author of *No Perfect People Allowed* and pastor of a growing megachurch in Austin, Texas
- Author speaks to church leaders around the world on a regular basis
- Books about heaven and near-death experiences remain popular
- Puts NDEs to the test, comparing them with Scripture and encouraging a holy imagination when we think of heaven

It's obvious from the bookshelves and the big screen that heaven is on everyone's mind. All of us long to know what life after death will be like. Bestselling author John Burke is no exception. For decades, he has been studying accounts of people who have had near-death experiences (NDEs). While not every detail of individual NDEs correlate with Scripture, Burke shows how the common experiences shared by thousands of survivors clearly point to the God of the Bible and the exhilarating picture of heaven he promises.

Imagine Heaven is an inspirational journey through the Bible's picture of heaven, colored in with the real-life stories of heaven's wonders. Burke compares gripping stories of NDEs to what Scripture says about our biggest questions of heaven: *Will I be myself? Will I see friends and loved ones? What will it look like? What is God like? What will we do forever? What about children and pets?* This book will propel readers into an experience that will forever change their view of the life to come and the way they live life today. It also tackles the tough questions of heavenly reward and hellish NDEs. Anyone interested in NDEs or longing to imagine heaven more clearly will enjoy this fascinating and hope-filled book.

Exploring the Hope and Tenacity of Jesus' First Followers

- Energetic communicator and pastor of Houston's First Baptist Church helps readers become part of something bigger than themselves
- Offers an engaging look at the Book of Acts that weaves the modern world with the biblical world
- Inspires readers to pursue what could be instead of being held back by what is
- Celebrates the church as a powerful force of renewal

The path of least resistance is seldom the path of greatest impact. This is a truth that the apostles knew intrinsically, but from which we, the modern church, seem to shy away. They boldly proclaimed the Gospel, in season and out of season. We want to avoid risk, avoid stepping on toes, avoid any bad publicity that might come with going out on a limb. But much like the first rockets to leave Earth's atmosphere, giant leaps forward in God's kingdom don't come without a big vision and a great big dose of risk.

In *Unstoppable Gospel*, pastor Gregg Matte calls readers to take up the task of the early church and go change the world. He shows how using ordinary, everyday people has been God's plan from the beginning and how we all have a part in that plan. He shares many practical ways Christians can get involved in their churches and communities to take advantage of the countless opportunities God provides for us to make a lasting kingdom impact in our world.

God Is at Work—and Invites Us to Join Him

- Inspires discouraged Christians who yearn to see and be part of God's restoring work in this world
- Will appeal to readers of *WORLD* magazine and listeners of *BreakPoint*
- Foreword by *Focus on the Family's* Jim Daly

It's easy to get discouraged by the headlines. It can often feel as if God has left the building, like we are on our own. We want to believe God's promises to us, and we search for signs of his continuing restoration of the world in which we live. Now, with passion and heart, two leading experts on Christianity and culture cut through the chaos and uncertainty to show readers how God is powerfully active and intensely engaged in fulfilling his promise to restore all things unto himself. Through inspiring real-life stories of justice, mercy, love, and forgiveness in our midst, Smith and Stonestreet present a God who is intimately involved in his creation and using his church to work out the redemption of this world.

Cultivating a High View of Scripture in a Relativistic World

Now in paper

In a culture in which all truth is relative and there are no absolutes, what does it mean to trust in God's Word? Do we really believe that such ancient texts have meaning for us today? How can we get the most from God's Word? Esteemed Bible teacher John MacArthur examines these and other questions regarding the authority, infallibility, and trustworthiness of the Word of God. Includes a Bible reading plan, a new preface, and helpful tools and resources for studying the Bible.

Discover and Embrace the Extravagant, Unconditional Love of the Father

- Foreword from John Eldredge
- Neal Lozano is a well-respected speaker and teacher, and his previous book, *Unbound*, continues to sell well
- A moving message that speaks to the deepest longings in our souls

How is it that so many believers get stuck when it comes to entering into a relationship with God the Father? Rather than basking in the Father's endless love, compassion, and delight, we seem to hesitate, like orphaned children unsure of a place to call home.

Neal Lozano breaks through the obstacles that keep us from growing in this pivotal relationship. He shatters fear and estrangement in his joyful exploration of Jesus's promise to show us his Father—and ours. It is a heartwarming journey, starting with the universal experience of loss and ending in the Father's welcoming arms as dearly loved children.

New Content and Look for This Perennially Bestselling Spiritual Warfare Book

- More than 100,000 copies sold
- Reveals a seven-step purification process for immediate, practical help
- Helps believers protect their homes and families where they are most vulnerable

Demons are nesting in Christian homes—and even churches. Hard to believe? As Eddie and Alice Smith explain, a small opening is all it takes for evil spirits to gain access. Once in, they defile the spiritual atmosphere and damage our relationships, our ministries, our success, even our health.

We can stop these evil infestations. In this newly revised and expanded edition, the Smiths offer amazing real-life stories showing the inroads that spiritual pollution makes—and how to get rid of it. Readers will learn to detect the presence of demons, follow the seven-step biblical process of purification, and close the door behind these intruders for good.

EXCERPT

Imagine a city filled with the thick, almost tangible atmosphere of peace enabling people to think for themselves, to dream and to celebrate life. Imagine a place where hope is real and actually measurable, with the prevailing attitude of "Anything is possible." Imagine a city where prosperity touches every citizen—a place where there is not only no lack, but where there is creativity, beauty, and stunning design everywhere you look. Prosperity takes on purpose as God's nature is evident in what people have created. Imagine government that makes you proud to be a citizen. Can you imagine the sense of pride in seeing dignitaries from around the world coming to visit your leader, who is serving the best interests of the community?

This was the reality in Jerusalem for a season during Solomon's reign.

Jerusalem was possibly the most transformed city in all of history, and Israel the most transformed nation. And it all started in the heart of the man Solomon, who was trained by his father, David, to value the presence of God as his greatest gift. All the benefits and blessings that came to the city were the result of the influence of that one gift.

Such a transformed culture seems too good to be true in this lifetime. Yet Jerusalem testifies that it is, in fact, possible for those who believe. Even more, the transformation of Jerusalem was accomplished under the Old Covenant, at a time when the people of God did not have access to the fullness of the Holy Spirit living in and through them, as is available for us today. How much more possible, then, is this kind of transformation in our day? And how do we help achieve it?

Exciting New Teaching from Bestselling Author and Bethel Church Leader Bill Johnson

- Bill Johnson and Bethel Church are at the epicenter of a thriving global movement
- Gives readers hands-on ways to create eternal impact and significance in the here and now
- Shows that healing and miracles are only the beginning of what God wants to unleash in the world

Two realities are evident in today's broken world: Our culture is in desperate need, and our God is a miracle-working God. How do believers answer the world's cries for help in a way that exhibits God's heart of compassion?

According to bestselling author Bill Johnson, we simply embrace two additional realities: God's wisdom and his power. With biblical insight and extensive experience of seeing God's hand at work, Johnson offers keys to how believers can have the greatest impact on society. When we understand the long-term strategy of God's wisdom and the immediacy of his miracle-working power, we can create eternal impact and significance in the here and now, whether in our own lives and communities or in the farthest reaches of the world.

A Practical Journey of Transformation for Any Marriage

Now in paper

- From marriage experts and leaders at Bethel Church in Redding, California
- Based on years of successful marriage counseling and workshops
- Authors host their Love after Marriage workshops around the world

God created marriage as a good thing. So why do untold numbers of married couples live together in frustration, mistrust, and broken dreams? Is there hope for change? Absolutely, say the Byrnes.

This new trade paper edition offers the same successful strategies and practical tools as the popular Love after Marriage workshops held around the globe. As couples learn to break unhealthy patterns, move into a place of transparency, and build an atmosphere of trust, they develop the spiritual, emotional, and sexual oneness God intends for marriage. No matter how estranged the relationship, every marriage can grow into a living example of God's amazing love.

Exchange Fear and Doubt for a Life of Radical Possibility

- Dawkins is a popular, powerful international and intergenerational speaker
- An action-oriented guide to removing the limits we place on ourselves and God
- Reveals the essential truth that sets believers free to enter the unimaginable realm of life in God

Since the Garden, our true identities have been hijacked—stolen by Satan. We’ve fallen prey to the subtle, believable lies of the enemy that we are inadequate, powerless, ineffective. As a result, God’s purposes for our lives are short-circuited.

Robby Dawkins, a most engaging storyteller, shows how the enemy has shattered our understanding that we are made in the image and likeness of God. When we grasp the truth of who we are in Christ, we can walk with him into the realm of power reserved for each of God’s children. We can do the things Jesus commanded us to do—heal the sick, rout demons, deliver the captives. The thief comes to steal, kill, and destroy. Don’t let him. Reclaim your true identity and live a life of purpose, passion, and power.

Bestselling Author Makes Spiritual Warfare Strategies Accessible to All

- Larry Richards conducts Freedom Workshops across the country and is a well-known and respected name in Christian publishing
- Reveals the motives, methods, and strategies of Satan
- Equips all believers with practical tools to hinder the enemy's schemes

It seems strange to consider: The Creator of the universe is at war with one of his own creatures. The cosmic battle with evil is real, however, and spilling over into the lives of unsuspecting dwellers here on earth.

In this evangelically friendly approach to spiritual warfare, Richards describes the invisible war raging around us. Through careful analysis and exceptional scriptural insight, he exposes the origin of evil, the demonic hierarchy, and Satan's current strategies. Richards then helps God's people go on the offensive. This revealing look at deliverance will help even the most cautious believers participate in Jesus's victory and move confidently to defeat the power of darkness in their own lives.

Understanding the Character of God through the Book of Acts

This engaging book guides readers through one of the most colorful books of the Bible, illuminating passages from Acts that show the Christian gospel expressing itself through the lives, speech, struggles, and adventures of Jesus's followers. The book emphasizes the disruptive character of the Christian gospel and shows how Acts repeatedly describes God as upsetting the status quo by changing people's lives, society's conventions, and our basic expectations of what's possible. Suited for individual and group study, this book by a New Testament scholar with a gift for popular communication asks serious questions and eschews pat answers, bringing Acts alive for contemporary reflection on the character of God, the challenges of faith, and the church.

New in the Brazos Theological Commentary on the Bible

The biblical psalms are perhaps the most commented-upon texts in human history. They are at once deeply alluring and deeply troubling. In this addition to the acclaimed BRAZOS THEOLOGICAL COMMENTARY ON THE BIBLE, a highly respected scholar offers a theological reading of Psalms 1–50, exploring the various voices in the poems to discern the conversation they engage about God, suffering, and hope as well as ways of community belonging. The commentary examines the context of the psalms as worship—tending to both their original setting and their subsequent Jewish and Christian appropriation—and explores the psychological dynamics facing the speaker. Foreword by William Brown.

Protecting the Religious Freedom of Faith-Based Organizations

- Authors have extensive political experience at the state and national levels
- Carlson-Thies served in the White House Office of Faith-Based and Community Initiatives and has appeared on numerous major media outlets
- Equips readers to protect the religious freedom of FBOs for all faith traditions

What do Hobby Lobby, InterVarsity Christian Fellowship, Wheaton College, World Vision, the Little Sisters of the Poor, and the University of Notre Dame have in common? All are faith-based organizations that have faced pressure to act contrary to their religious beliefs. In this book, two policy experts show how faith-based groups—those active in the educational, healthcare, international aid and development, and social service fields—can defend their ability to follow their religiously based beliefs without having to jettison the very faith and faith-based practices that led them to provide services to those in need. They present a pluralist vision for religious freedom for faith-based organizations of all religious traditions. The book includes case studies that document the challenges faith-based organizations face to freely follow the practices of their religious traditions and analyzes these threats as originating in a common, yet erroneous, set of assumptions and attitudes prevalent in American society. Helpful perspectives from experts representing various faith traditions are also interspersed throughout the book.

Understanding the Heart of Pastoral Ministry

This book by a well-respected teacher of preachers develops an integrated biblical and theological vision for preaching that addresses the essentials of this most important activity in the church. Drawing on influential voices from church history, Abraham Kuruvilla reclaims what has been lost through the centuries and offers fresh insights, showing preachers what they can aim for as an ideal in their preaching. He helps preachers have a better conception of what it means to preach, a fuller understanding of the divinely granted privilege of preaching, and a greater excitement for the preaching ministry. Concluding biblical reflections reinforce the teaching of each chapter.

Rethinking How We Read the Old Testament

How can an evangelical view of Scripture be reconciled with modern biblical scholarship? In this book Peter Enns, an expert in biblical interpretation, addresses Old Testament phenomena that challenge traditional evangelical perspectives on Scripture. He then suggests a way forward, proposing an incarnational model of biblical inspiration that takes seriously both the divine and the human aspects of Scripture. This tenth anniversary edition has been updated throughout to account for developments of the past decade and includes a substantive postscript that reflects on the reception of the first edition.

Integrating the latest research in theology, philosophy, and biblical studies, this substantive hermeneutics textbook is robustly theological in its approach, takes philosophical hermeneutics seriously, keeps the focus throughout on the actual process of interpreting Scripture, and argues that biblical interpretation should be centered in the context and service of the church—an approach that helps us hear God’s address today.

A Trinitarian Theology of Church

This comprehensive textbook by a well-respected Reformed theologian brings together two perennial issues in Christian theology: the doctrine of the Holy Spirit and ecclesiology. It demonstrates the importance of the Holy Spirit in empowering the being and mission of the church and shows how the church’s identity and calling are embedded in the larger covenantal purposes of the triune God. Accessibly written with pastors in training in mind, the book probes the classic rubrics of the church as the people of God, the body of Christ, and the temple of the Holy Spirit, igniting readers’ ecclesiological imaginations and reclaiming a more biblical, theological, and pastoral vision of church.

A Leading Theologian Offers a Redemptive Vision of Creation

How does Christianity change the way we view the natural world? In this addition to a critically acclaimed series, renowned theologian Norman Wirzba engages philosophers, environmentalists, and cultural critics to show how the modern concept of nature has been deeply problematic. He explains that understanding the world as creation rather than as nature or the environment makes possible an imagination shaped by practices of responsibility and gratitude, which can help bring healing to our lands and communities. By learning to give thanks for creation as God's gift of life, Christians bear witness to the divine love that is reconciling all things to God.

A Distinctly Protestant Approach to Spiritual Formation

Among the smiling faces in church on Sunday mornings are those who long for deeper, more genuine relationships within their local congregations—active, intentional relationships that nurture the soul and encourage personal encounters with God. Drawing on decades of experience in spiritual direction, congregational ministry, and seminary teaching, this book offers a clear and rich introduction to the theology and practice of spiritual companionship in the Protestant tradition. The authors explore the topic in a biblically based and historically informed manner and give practical help for cultivating spiritual relationships in congregations and beyond, using stories throughout to illustrate key ideas. Discussion questions are included.

The Final Volume of Craig Keener's Magnum Opus

Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research. This commentary on Acts, his magnum opus, may be the largest and most thoroughly documented Acts commentary ever written. Useful not only for the study of Acts but also early Christianity, this work sets Acts in its first-century context.

In this volume, the last of four, Keener finishes his detailed exegesis of Acts, utilizing an unparalleled range of ancient sources and offering a wealth of fresh insights. This magisterial commentary will be an invaluable resource for New Testament professors and students, pastors, Acts scholars, and libraries. The complete four-volume set is available at a special price.

Rethinking the Nature of Conversion in Luke-Acts

Repentance and conversion are key topics in New Testament interpretation and in Christian life. However, the study of conversion in early Christianity has been plagued by psychological assumptions alien to the world of the New Testament. Leading New Testament scholar Joel Green believes that careful attention to the narrative of Luke-Acts calls for significant rethinking about the nature of Christian conversion. Drawing on the cognitive sciences and examining key evidence in Luke-Acts, this book emphasizes the embodied nature of human life as it explores the life transformation signaled by the message of conversion, offering a new reading of a key aspect of New Testament theology.

A Comprehensive Introduction to Youth Ministry from Leading Practitioners

Kids desperately need healthy, committed adults who can help them thrive in their faith and become active participants in the life of the church. This requires the efforts of the whole faith community. Chap Clark, one of the leading voices in youth ministry today, brings together twenty-four experts from a variety of denominations and traditions to offer a comprehensive introduction to adoptive youth ministry, a theologically driven, academically grounded, and practical youth ministry model. The book shows readers how to integrate emerging generations into the family of faith, helping young adults become active participants in God's redemptive community.

A Classic of Modern Christology, Now in English

This major work, now available in English, is considered by many to be one of the finest and most significant contributions to modern Christology. Preeminent scholar and theologian Ingolf Dalferth argues for a radical reorientation of Christology for historical, hermeneutical, and theological reasons. He defends an orthodox vision of Christology in the context of a dialogue with modernity, showing why the resurrection, not the incarnation, ought to be the central idea of Christological thinking. His proposal is both pneumatological and Trinitarian, and addresses themes such as soteriology, the doctrine of atonement, and preaching.

Understanding the Unity and Diversity of Global Christianity

- Author is a noted expert and author on global church issues
- Presents a way forward for a unified Christian movement within a diverse but globally connected church
- Contains over seventy-five maps, charts, and illustrations

This book, by a noted expert on the worldwide church, introduces the unity and diversity of the complex worldwide Christian movement and helps readers become more globally minded in their faith and practice. Douglas Jacobsen explains how Christianity differs on five continents—Africa, Asia, Europe, Latin America, and North America—covering history as well as the lived experiences and theological perspectives of Christians around the world today. He also reflects on what Christians around the globe might learn from each other, presenting a way forward for a unified Christian movement within a diverse but globally connected church. The book contains over seventy-five maps, charts, and illustrations and offers online teaching resources at www.globalchristianity.info.

Christianity's Shift from Western Empires to the Global South

In 1900 many assumed the twentieth century would be a Christian century because Western “Christian empires” ruled most of the world. What happened instead is that Christianity in the West declined dramatically, the empires collapsed, and Christianity’s center moved to Africa, Asia, Latin America, and the Pacific. How did this happen so quickly? Respected scholar and teacher Scott Sunquist surveys the most recent century of Christian history, highlighting epochal changes in global Christianity. He also suggests lessons we can learn from this remarkable global Christian reversal. Ideal for an introduction to Christianity or a church history course, this book includes a foreword by Mark Noll.

Global Perspectives on Christian Theology

Global theology represents one of the most important trends in theology today. What does it mean to do theology in a global context? How can Christian theology be understood as a conversation between different parts of the world and various streams of Christian history? This concise introduction explores the major issues involved in rethinking theology in light of the explosion of world Christianity. Combining the voices of a Western and a non-Western theologian, it integrates Western theological tradition with emerging global perspectives. This work will be of interest to theology and missiology students as well as church leaders and readers interested in the changing face of world Christianity.

New Edition of a Trusted Textbook

This comprehensive yet user-friendly primer to the Septuagint (LXX) acquaints readers with the Greek versions of the Old Testament. It is accessible to students, assuming no prior knowledge about the Septuagint, yet is also informative for seasoned scholars. The authors, both prominent Septuagint scholars, explore the history of the LXX, the various versions of it available, and its importance for biblical studies. The new edition has been substantially revised and updated to reflect major advances in Septuagint studies. Appendixes offer helpful reference resources for further study.

Using Greek for Formation and Ministry

Many who study biblical Greek despair of being able to use it routinely, but veteran instructor Rodney Whitacre says there is hope! By learning to read Greek slowly, students can become fluent one passage at a time and grasp the New Testament in its original language. Whitacre explains how to practice meditation on Scripture (lectio divina) in Greek, presenting a workable way to make Greek useful in life and ministry. Ideal for classroom use and for group or individual study, this book helps students advance their knowledge of Greek and equips them to read the original texts with fluency and depth.

Old Testament Theology

R. W. L. Moberly

A top Old Testament theologian probes what is necessary to understand and appropriate the Hebrew Bible as a fundamental resource for Christian theology and life today. This volume models a way of doing Old Testament theology that takes seriously both the nature of the biblical text as ancient text and the questions and difficulties that arise as believers read this text in a contemporary context. Baker Publishing Group has been a member of the Green Press Initiative since 2005. We are proud to be industry leaders, printing 40% of our new books on recycled paper. The first Evangelical publisher to take part in the Green Press Initiative, Baker Publishing Group urges other Christian publishers to take seriously God's mandate to be good stewards of the earth and to join this worthy initiative to spare our forests as we spread the Christian message through our books. For more information on the Green Press Initiative, visit www.greenpressinitiative.org.
