YONDER COME DAY

*Exploring the Collective Witness of the
Formerly Enslaved*

Jasmine L. Holmes

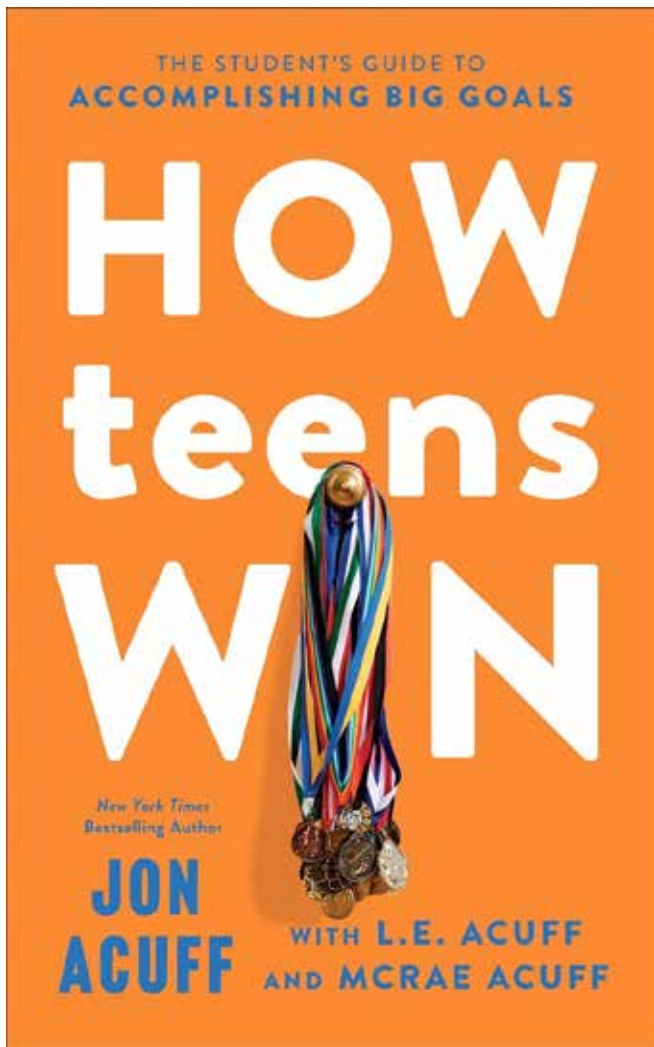

**A Compelling Picture of American History Woven from First-
Person Accounts of the Formerly Enslaved**

- Author has written for *Christianity Today* and *Relevant* and been featured on popular podcasts like *Here's Where It Gets Interesting* with Sharon McMahon and *That Sounds Fun* with Annie F. Downs
- Author has a growing and highly engaged social media following of 50,000
- Author interweaves narrative nonfiction and firsthand accounts of slavery to bring history to life in an accessible way

As our nation has experienced a renewal of reckoning with the reality of slavery in our past and the continued struggle for equality and liberation in the present, many previously untold stories have come to light. But not every story. Some histories remain shrouded, waiting for someone to uncover them and make them known. Incredibly, some of them have been hiding in plain sight for decades.

Yonder Come Day brings these hidden histories into the light in an unconventional yet powerful way. Drawing from the recorded interviews of more than 3,000 formerly enslaved people from across the South collected in the 1930s, Jasmine L. Holmes creates a compelling "collective memoir" unlike anything you've read. The story follows Little One, a composite character who guides the modern-day reader through the experience of slavery. As she grows from Little One to Lonely One to Lovely One to Grandmama, she exposes both harsh truths and an irrepressible spirit, helping us better understand the love, resilience, and faithfulness necessary to survive the evils of our nation's original sin.

Teachers, historians, and anyone doing the work of reconciliation will find that *Yonder Come Day* is the vital resource they didn't even know they were missing.

60 Devotions for the Foster Parent's Heart

Jamie C. Finn

60 Devotions to Keep a Foster Parent Grounded in God's Word

- Author has a social media reach of more than 100,000
- Author is a sought-after speaker, appearing over a dozen times yearly at events for foster and adoptive parents
- Author is the creator of the largest online foster parent support group

Though the words "foster care" are not in the Bible, the act of caring for the vulnerable is clearly important to God. Perhaps nowhere is that kind of tender attention and care for the vulnerable more evident than in the act of fostering a child. But as foster parents pour themselves into the children God has called them to care for, they may find themselves feeling emptied, in need of being refreshed and reinvigorated for the day to come.

With 60 devotions written especially for foster parents by a foster parent, *Filled* offers a special boost of spiritual energy and encouragement particular to the unique joys and challenges faced by those who open their homes and hearts to kids in need of love. Each reading includes Scripture, a real-life anecdote from the author's experience as a foster parent, an explanation of the biblical text, and suggestions for continued reading.

THE LEADER'S DEVOTIONAL

90 Days of Biblical Wisdom for Honoring God in All You Do

David Green with Bill High

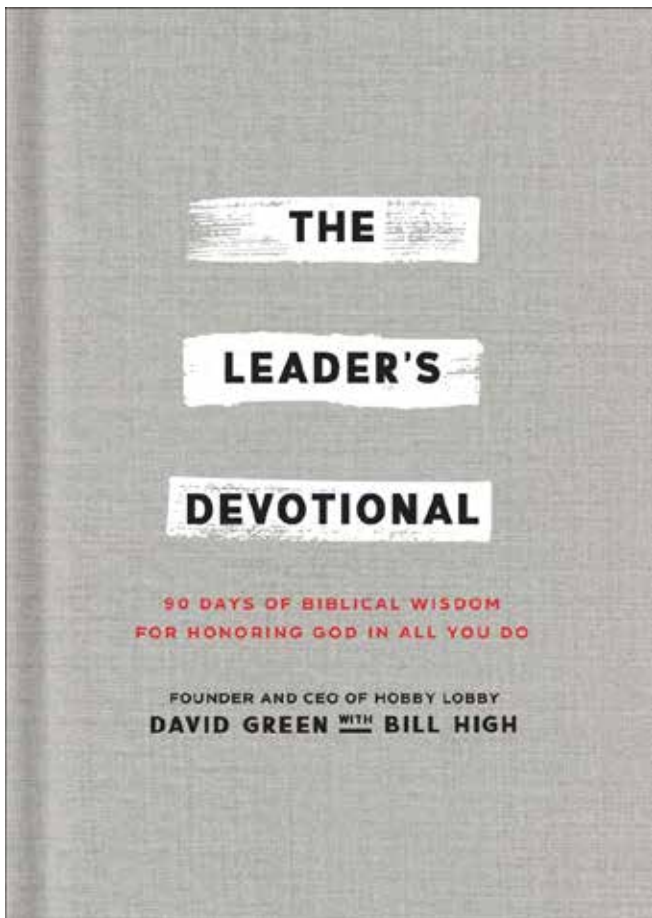

An Inspiring Devotional from the Founder of Hobby Lobby

- *Leadership Not by the Book* has sold more than 90,000 copies
- David Green has appeared on *Fox & Friends*, *The 700 Club*, and other national outlets

If we desire to honor God in all we do, we need to be in his Book every day. Through the Bible, God offers us so much more wisdom for living and leading--and for every domain of life--than anything this world can ever give us.

That's why Hobby Lobby founder and CEO David Green wrote *The Leader's Devotional*. By sharing the biblical principles that are the foundation of his life and leadership, he challenges and encourages each of us to seek God's guidance for our lives, for our families, and for our organizations.

With Scripture, reflection questions, and a short prayer, each devotional hits on a topic that is close to the heart. Do you want to live and work according to God's plans, hear what he's saying to you, and put it into practice? Then this is the devotional for you.

Dr. Andrew J. Bauman is the founder and director of the Christian Counseling Center: For Sexual Health & Trauma (CCC) and a licensed mental health counselor. A former pastor, Andrew now works with men and women to bring healing and wholeness to their sexual and spiritual lives. His mission is to use his unique position to elevate women's voices and expose a disease that desperately needs to be removed from the church's body.

SAFE CHURCH

How to Guard against Sexism and Abuse in Christian Communities

Dr. Andrew J. Bauman

Listening to Women about How to Make Church More Inclusive

- Provides practical solutions to create a more equitable church environment based on interviews and survey data from nearly 3,000 women
- Author is a regular conference speaker who has also appeared on more than 100 radio shows and popular podcasts such as *Bare Marriage*, *The Allender Center Podcast*, and *The Steve Brown Show*
- "This book will haunt you--and it should. It is the right book at the right time."--Sheila Wray Gregoire, author of *The Great Sex Rescue* and founder of *Bare Marriage*

If the past few years have taught us anything, it's that by and large the church has failed women. From sexual abuse scandals involving high-profile pastors, to decades-long systemic cover-ups of sexual harassment and mistreatment, to harmful theology that has driven women to leave the church and find community elsewhere, it's clear that something is broken. If we want to fix it, it's time we start listening.

Drawing on new, firsthand research and in-depth interviews, *Safe Church* allows women to voice the pain they have suffered at the hands of insecure leaders who were often unaware of how their words, actions, and attitudes were harming their sisters in Christ. With practical advice on how to create more equity and less sexism and abuse in the church, this honest look at how misogyny masquerades as biblical truth is a vital resource for pastors, church leaders, and anyone who wants to make a meaningful difference in their own Christian community.

She has an active following on Instagram (@sarahwanders) where she hosts regular live read-alouds from the poems, novels, or essays that bring her courage. RECLAIMING QUIET

Cultivating a Life of Holy Attention

Sarah Clarkson

Replace Constant Activity with God-Ordained Rhythms of Stillness

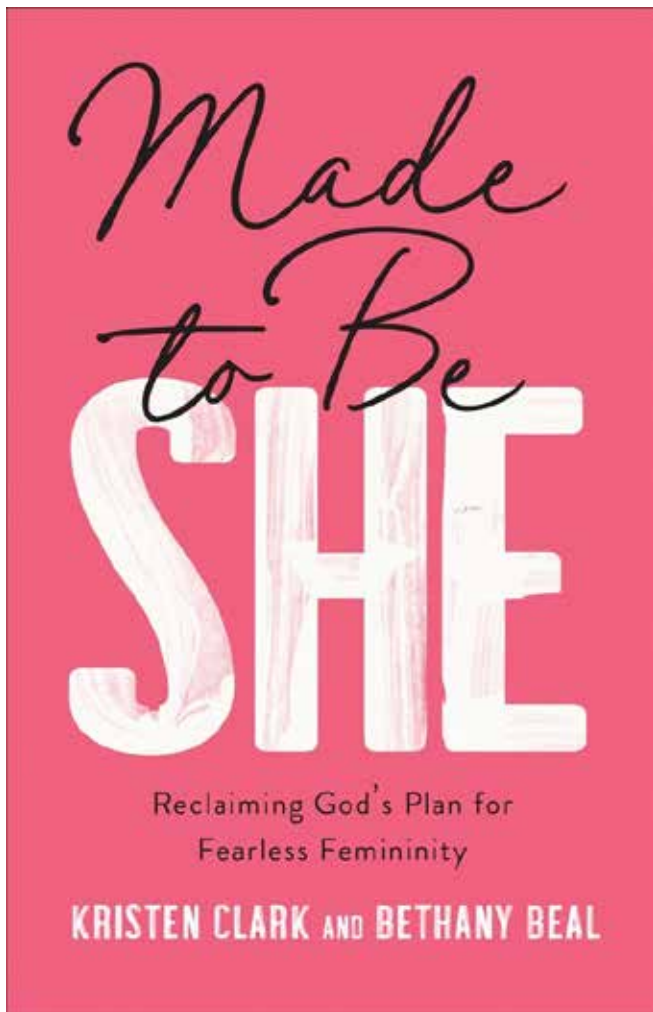

- Author is the daughter of Clay and Sally Clarkson and a regular guest on the *At Home with Sally Clarkson* podcast, which has exceeded 4 million downloads
- Author is three-time winner of the Frederick Buechner Creative Writing Prize
- Will appeal to readers of Wendell Berry, Lauren Winner, and Tish Harrison Warren

In a noisy world, the cultivation of quiet may feel like a luxury you do not have. But it is also vital to your spiritual life. When we spend our days distracted by social media, news, entertainment, and jam-packed schedules, we make it nearly impossible to experience the kind of thought life that allows us to grow into the people God created us to be--to become more and more like Jesus. We're too busy and distracted to notice the people and situations God has placed in our path for our spiritual benefit.

Reclaiming Quiet is your invitation to discover the profound joy of resisting our cultural obsession with distraction and instead cultivating a life of holy attention. With practical strategies to add stillness, listening, and rest into your daily rhythms, this book shows you how to

- care for your inner life
- listen to the voice of God in the everyday
- stay grounded in the now while looking with hope and expectation to the future

You're more than a viewer, a user, or a consumer. You are a child of God, a recipient of his grace, a disciple who is seeking to follow him more closely. It's time to reclaim all that. It's time to seek out some holy quiet.

MADE TO BE SHE

Reclaiming God's Plan for Fearless Femininity

Kristen Clark and Bethany Beal

An Empowering, Gospel-Centered Vision of Femininity for Today's Women

- Authors' previous books have sold more than 85,000 copies
- Authors have a combined online reach of more than 1 million
- Includes a discussion guide at the end of each chapter

What does it mean to be a woman? What makes her *her*? Why are there differences between men and women? What do we lose as progressive movements try to erase those differences? And where do we go from here?

With insight and passion, the founders of Girl Defined Ministries confront the confusion of our culture and the conflicting voices of the feminist movement in order to bring clarity to the biblical womanhood found in God's Word. This book will help you sort through the noise to develop a clear understanding of who God made you to be so you can stand firm and fearless despite the shifting winds of our society.

With a discussion guide at the end of each chapter to help you dig deeper, this book makes an excellent choice for women's book clubs and Bible study groups or the perfect read to share with a friend over coffee.

THE FIVE MARKS OF A MAN DEVOTIONAL

60 Days to a Powerful Life

Brian Tome

60 Devotions to Help Men Dig Deeper into Scripture and the Principles of Godly Manhood

- The *Five Marks of a Man* book and *Tactical Guide* have sold 50,000 copies
- Author is the pastor of Crossroads Church in Cincinnati and has a social media following of nearly 700,000
- 60 devotions that each include a key verse, a prayer, and a challenge

What you practice is what you'll perfect. This is true in sports, in art, and in the primal pursuit of becoming a man.

You don't become a man when you turn 18, buy your first home, or achieve financial independence. All men live by the five marks, and all boys avoid them.

Men have a vision.

Men take a minority position.

Men are team players.

Men work.

Men are protectors.

A companion to the bestselling book of the same name, *The Five Marks of a Man Devotional* isn't a sit-and-get devotional. It's a get-up-and-go guide to building the most transcendent, exhilarating, and impactful life possible. Created to get you working toward the goal, each reading contains Scripture, a short thought, a prayer, and two challenges designed to build muscle in living life by the marks.

Because it's not what you *think* but what you *do* that gives your life power. It's time to get moving.

In *The Mark of a Man*, beloved author Elisabeth Elliot examines and celebrates the many characteristics of manhood that were exemplified in the life of Christ. Jesus's life demonstrated the distinctive traits of responsibility, sacrifice, courage, obedience, initiative, forgiveness, and endurance. Men who seek to follow him do well to walk the same path.

It will be a guide to both men and women on understanding the unique ways that men can stand strong in their divinely appointed roles, even in a confused culture.

GIVE THEM GRACE

*Leading Your Kids to Joy and Freedom through
Gospel-Centered Parenting*

Elyse M. Fitzpatrick and Jessica Thompson

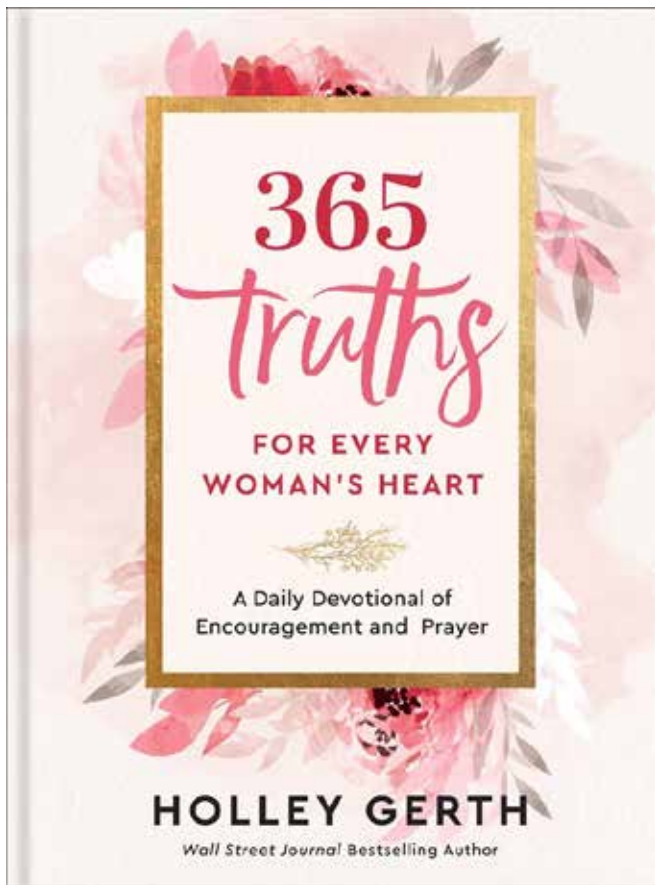

How Grace-Based Parenting Can Free You and Your Children

- Previous editions have sold more than 150,000 copies
- Includes new chapters on gender and mental health, updates throughout, and a foreword by Jamie Ivey
- Empowers parents and caregivers to parent with freedom, joy, and grace for themselves and their children

What is our purpose in parenting? Is it to keep our kids alive and healthy? To raise responsible adults who will be kind people, loving friends, and good citizens? Or maybe we'd just be happy if our kids would clean up their rooms and stop antagonizing each other. While all of these are honorable goals, when we focus entirely on fixing our kids' behavior we can miss the most important role a parent has: to show them the love and grace of Christ.

Give Them Grace gives you the gospel foundation to parent from a place of joy, freedom, and peace. This newly revised edition reflects what Elyse and Jessica have learned in their own parenting journeys in the last decade and includes two new chapters on parenting with grace in regard to your children's mental health and gender.

This isn't a "how-to" manual; it's a call to remember, speak, and rest in the gospel as you model Jesus to your children. Because this is the good news of parenting: it's not about getting things right all the time--it's about grace.

Perreux-Dominguez focuses on three aspects of God's vision for the church: that it would be *sacred* (biblically based), *soft* (trauma-informed), and *safe* (justice-centered). Each section of the book explores what these mean for the church using biblical teaching, practical instruction, and stories from her own experiences. She unpacks practical steps the body of Christ can take to realize this vision and cultivate a lifestyle of being a sanctuary, including repentance, sanctification, showing Christ's compassion, healing injustices, and being advocates.

Be ready to take the first step to guide the church back to its foundational call to be a sacred, soft, and safe place for all people--and discover how to live in the radical way of Jesus.

Calling Churches to Reflect the Love and Care of Christ

- Langberg's previous book *Redeeming Power* has sold more than 20,000 copies
- Author is an internationally recognized psychologist and counselor with more than 50 years of experience
- Author cofounded the Global Trauma Recovery Institute and has ties to the American Association of Christian Counselors (AACC)

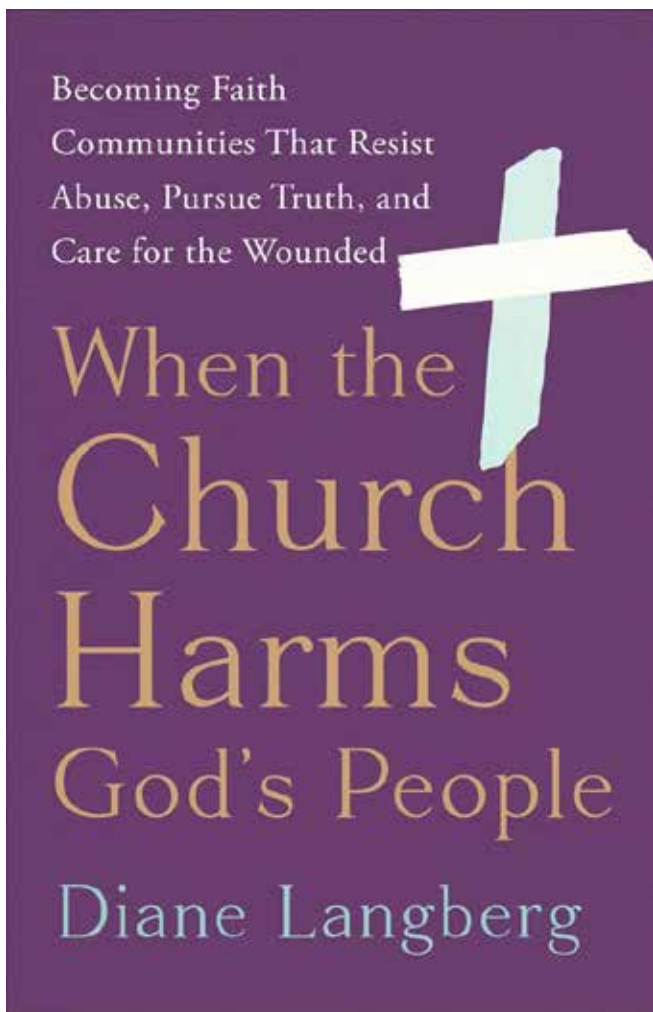

Internationally recognized psychologist Diane Langberg has come face to face with the crushing trauma of sexual abuse, trafficking, domestic abuse, and rape-- and its cover-up.

Even more tragic, she has encountered it all within Christian communities and the church.

As a highly respected trauma scholar and psychologist working in the United States and around the world for more than 50 years, she envisions a better way.

In *When the Church Harms God's People*, Langberg unveils what she has learned about how churches cause harm and why Christian communities often foster unhealthy leaders who end up hurting rather than protecting God's people. She also offers hope for the future, describing how churches can reflect Christ not just in what they teach but also in how they care for themselves and others.

This book is an invaluable tool for leaders and laypeople alike who want to help the church resist abuses of power and become a safe place for survivors.

YOUR JESUS IS TOO AMERICAN

Calling the Church to Reclaim Kingdom Values over the American Dream

Steve Bezner

Returning to Kingdom Values and Confronting Idols of Power and Influence

- Foreword by Beth Moore
- Bezner is senior pastor of Houston Northwest Church
- Author teaches at Baylor's Truett Theological Seminary

The American church faces a discipleship crisis. Instead of following the values of Jesus, many Christians are chasing after what our culture prizes: power, money, and political influence.

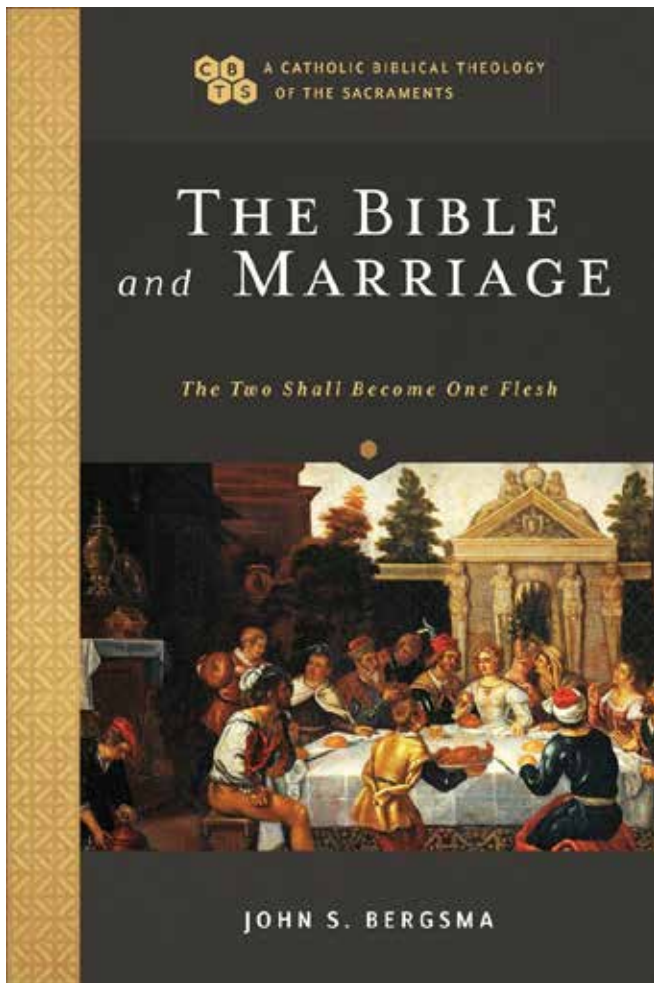

In *Your Jesus Is Too American*, Baptist pastor Steve Bezner invites Christians to rediscover what Jesus treasured and incorporate those kingdom values into the church's witness.

With a pastoral voice, Bezner shares the lessons he has been teaching in his church community for 11 years—humble service rather than worldly success, healing relationships across religious and ethnic divides, repairing harm against marginalized groups, giving generously, and providing a political witness rooted in the local church. Bezner shows that Jesus's vision of discipleship points the way toward a different way of being in the world.

The book offers a welcome perspective for church leaders and congregants alike who are frustrated with the way many churches pursue values that are not in line with Jesus's teachings and are worried about the American church's credibility crisis. It includes a foreword by Beth Moore.

PSALMS IN AN AGE OF DISTRACTION

Experiencing the Restorative Power of Biblical Poetry

Ethan C. Jones

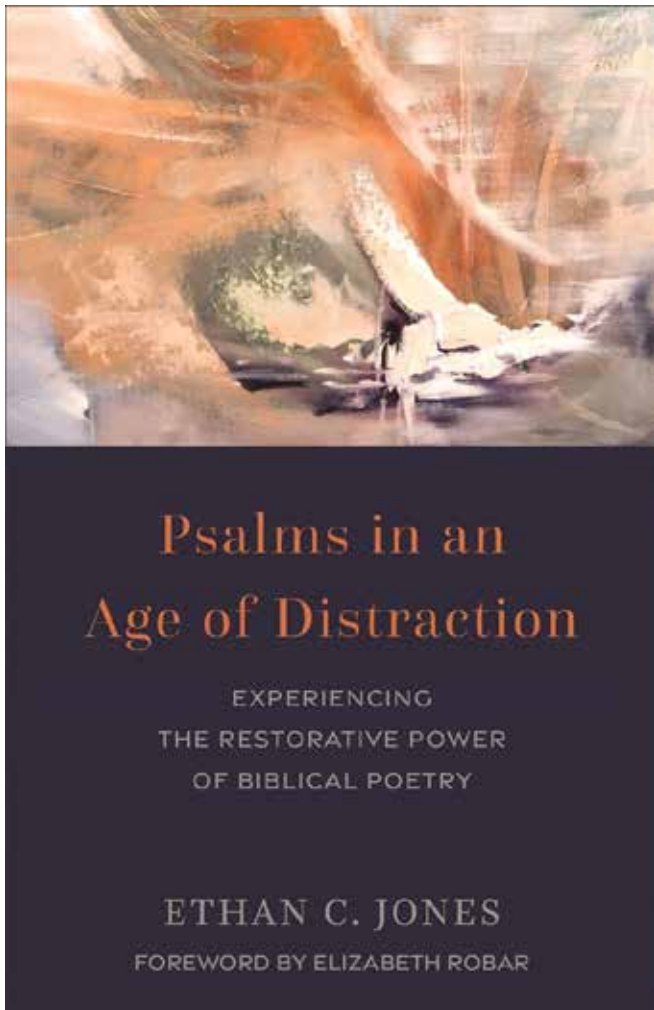

What the Psalms Can Teach Us about Having an Attentive and Flourishing Life

- Shows how the poetry of the psalms shapes its readers and helps them love well
- Explores how to read Scripture amid modern distractions and technology
- Connects the Psalms with the desire for a more focused life

The psalms endure. Throughout the centuries, Christians have read, prayed, and sung this rich collection of poems. But in our current age of distraction, the daily rhythms of modern life revolve more around screens than biblical texts.

This book argues that the psalms are poetry for the soul, poetry that shapes us. Beyond highlighting the poetry of the Psalter, the book attends to the theological freight of these poems. As such, we learn to read Scripture more attentively and love God and the world well. The first part of the book explores how we can read the psalms amid the pull of modern distractions. The second part moves psalm by psalm, showing what these poems can teach us about living in a more focused, attentive way.

This engaging book demonstrates how our thoughts, emotions, and worship of the triune God are sharpened and deepened through the psalms. In an era of dimly lit faces and multitasking, the poetry of Psalms remains ready to train our ears, steady our hearts, and teach us to pray so that we might flourish in Christ. The book includes a foreword by Elizabeth Robar.

ENGAGING JESUS WITH OUR SENSES

An Embodied Approach to the Gospels

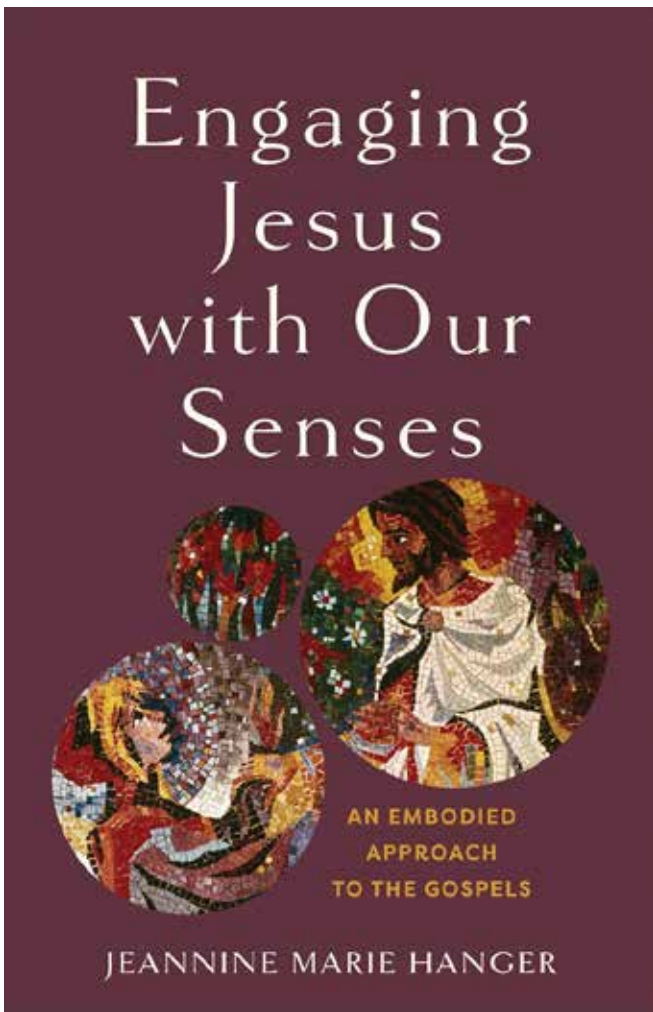

Jeannine Marie Hanger

Reading the Gospels in a More Embodied Way

- Connects readers' sensory experiences with those of ancient readers
- Emphasizes the richness of embodiment for understanding Jesus
- Provides an engaging entry into the historical contexts of the Gospels

Jesus took on flesh--he was embodied. And the Gospels use multisensory language to reveal that his teaching, ministry, and interactions with people engaged the senses. Consider the raging storm on the Sea of Galilee, the perfume filling the house as Mary anointed Jesus's feet, the significance of touch as Jesus healed people. Jesus even described himself in sensory terms--as the bread of life, the light of the world, the vine to whom his disciples are connected. Our physical senses are crucial to gaining knowledge of the world around us. Yet when it comes to Bible reading, we often reduce it to a mere cognitive experience, ignoring the Psalmist's invitation to "taste and see that the Lord is good."

This book offers a fresh way to read the Gospels with an emphasis on embodiment, focused on a life abiding in Christ. The goal is a greater, more tangible knowledge of God. Jeannine Hanger points to the importance of engaging our physical senses in Bible reading, shows an approach to doing so with an emphasis on sparking the imagination, and looks at how utilizing our primary senses plays out in reading the Gospels. Each chapter includes sensory practices and questions for personal reflection.

REDEMPTIVE SERVICE

Loving Our Neighbors Well

Lisa P. Stephenson and Ruthie Wienk

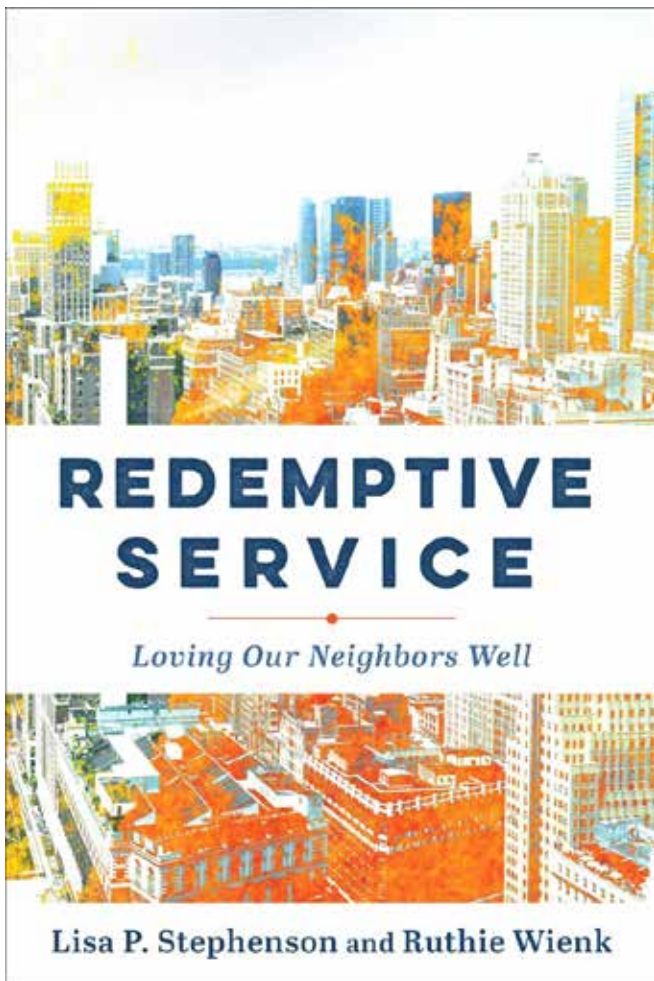

An Introduction to Christian Service and the Pursuit of Justice

- Authors combine expertise in Christian theology and sociology
- Articulates the biblical, theological, and sociological foundations of Christian service
- Suitable as a main text in Christian service courses

This book introduces readers to redemptive service, benevolence, and the pursuit of justice. Bringing together expertise in Christian theology and sociology, Lisa Stephenson and Ruthie Wienk write from the conviction that service to others--especially those who are disenfranchised and impoverished--is central to our identity and mission as Christians.

Redemptive Service articulates the biblical, theological, and sociological foundations of service and explains why it is an important part of true Christian identity. The authors use the parable of the good Samaritan to frame redemptive service as a twofold process. First, true Christian service must emerge from a genuine love of our neighbor, which can only come about when service emerges from a Christian worldview. Second, our vision must be accompanied by intentional and informed action. We must discern and respond to the cries for help that surround us through relief, development, and advocacy work.

The authors highlight why we should engage in service while providing readers with a framework to use when deciding whom to serve and how to serve well.

The Spirit who inspired the authors of the New Testament is at work today around the globe, as evidenced by the explosive growth of Pentecostal, charismatic, and renewalist movements. Written by pastorally sensitive biblical scholars from the Spirit-filled tradition, these commentaries explore how God works in the biblical texts and how Christians can expect God to work today, even if in new or culturally surprising ways. Series editors are Holly Beers, Westmont College, and Craig S. Keener, Asbury Theological Seminary.

In this addition to the series, senior scholar Ben Witherington III engages 2 Corinthians in its ancient setting and explores its message for Spirit-filled Christians today. Images, illustrations, and sidebars on Pentecostal/charismatic/revival history or insights are included.

TYPES OF ECCLESIOLOGY

Five Theological Approaches

David Emerton

Articulates Different Theological Approaches to Understanding What the Church Is

- Provides an overview of the landscape of ecclesiology
- Offers a fivefold typology of contemporary approaches to the doctrine of the church
- Shows why it is important to ask what the church is before asking what the church does

Types of Ecclesiology introduces the study of the doctrine of the church. It illuminates the breadth of contemporary ecclesiological thought by articulating five approaches to ecclesiology.

Avoiding denominational alignments, David Emerton charitably elucidates the logic and concerns driving each type. He argues that ecclesiology must account theologically for the unique nature of the church before considering its activities. We must ask what the church is before asking what the church does.

Professors will find a valuable orienting text, students will grasp the stakes of contemporary debates, and scholars surveying ecumenical ecclesiology will discover an illuminating structural framework. Doing the work of the church requires discerning its essence, and this timely volume insightfully examines what is at the heart of the body of Christ.

THE ART OF PREACHING OLD TESTAMENT POETRY

Steven D. Mathewson

A Guide for Effectively Preaching the Old Testament Poetic Books

- Introduces foundational issues and offers basic methodology and preaching strategies
- Gives preachers confidence to preach the oft-neglected poetic books of the Old Testament
- Makes scholarship on the poetic books accessible for pastors and pastors-in-training

Preachers often struggle with preaching Old Testament poetry. They are uncertain how to preach the highly emotive poems in Psalms, the one-liners in Proverbs, the tedious conversations in Job, the esoteric observations about life in Ecclesiastes, and the confusing love poems in the Song of Songs.

Here leading pastor theologian Steven Mathewson instructs and inspires preachers to preach some of the most challenging--and some of the richest--material in the Old Testament. This companion to his successful *The Art of Preaching Old Testament Narrative* guides readers through preaching the oft-neglected Old Testament poetic books. Mathewson introduces foundational issues and offers basic methodology and preaching strategies that are faithful to the text and sensitive to its listeners. Highlighting Mathewson's skill at bringing the riches of the Old Testament to bear on the life of the church, this book makes scholarship on the poetic books accessible for pastors and pastors-in-training. It also includes sample sermons.

GRACE AND SOCIAL ETHICS

Gift as the Foundation of Our Life Together
Angela Carpenter

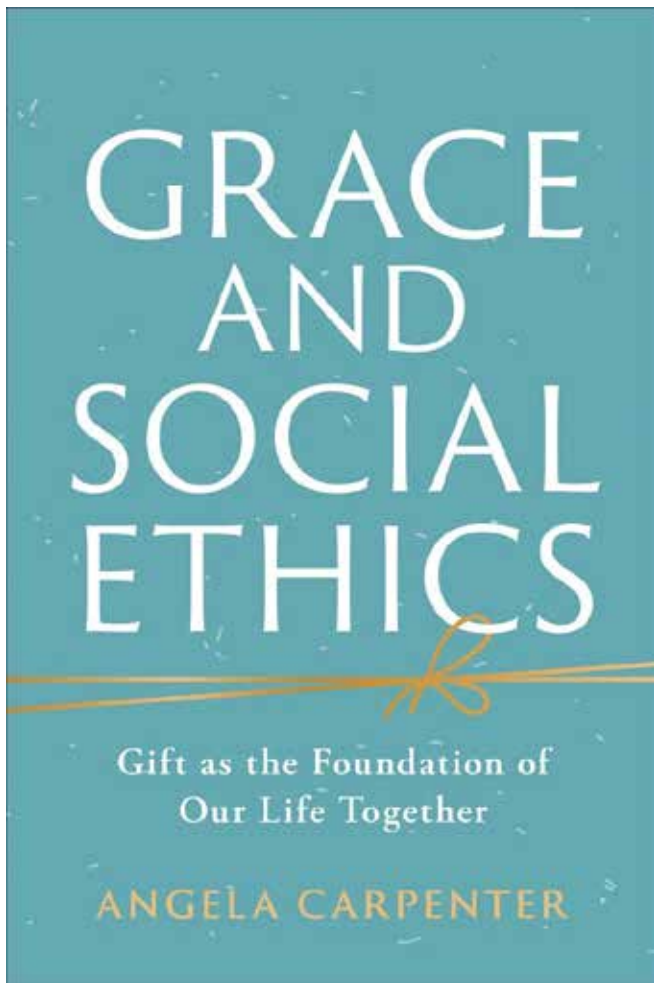

How Grace Is the Foundation of Christian Ethical Action

- Brings together Reformed theology and human sciences to develop a theology of a graced identity
- Examines three key areas of social ethics: criminal justice, labor practices, and gun control
- Speaks to a division in American Protestantism between Christians who focus on personal salvation and those who emphasize social justice

Grace and Social Ethics demonstrates why the doctrine of grace has significant implications for social ethics and for Christian engagement with culture. The book reframes Christian social ethics by illuminating how grace shapes human identity and community.

Angela Carpenter integrates theology and social science to articulate a vision of human persons as constituted by gift rather than merit. This graced anthropology compellingly bridges theology and contemporary research on human dependence and mutuality. Carpenter insightfully applies this graced identity to pressing issues in social ethics such as criminal justice, labor practices, and gun violence.

Scholars and students of theological ethics as well as pastors seeking resources for moral formation will find illuminating perspectives in this integrative work, which situates social justice imperatives within God's gracious purposes.
