THE MENTAL HEALTH HANDBOOK FOR MINISTRY

A Practical Guide for Supporting the Church's Mental and Emotional Well-Being

Dr. Mark Mayfield

Biblical and Clinical Guidance for Understanding and Navigating Common Issues

- Editor has been featured by prominent media such as *Woman's Day*, NBC, and *Reader's Digest*
- Editor is connected with AACC and is editor of *Marriage & Family: A Christian Journal*
- Equips pastors, church leaders, and church members with a quality mental health resource from a biblical worldview

Poor mental and emotional health are two of the great crises of our times, and yet most pastors and ministry leaders are not adequately trained or equipped to understand and come alongside the hurting. As a result, our efforts to help those who are wrestling with mental or emotional health struggles are at best inadequate and at worst harmful.

Combining the best of clinical research with a biblical worldview, *The Mental Health Handbook for Ministry* is a practical and accessible resource to help pastors, church leaders, and others who are called on to offer counsel

- identify the symptoms of particular mental and emotional health challenges
- express love and support to those who are hurting
- recommend healthy coping strategies
- discern when to offer help and when to refer someone to a mental health professional

With chapters dedicated to common manifestations of mental and emotional distress, including depression, anxiety, trauma, suicide, self-harm, addiction, personality disorders, grief, and more, this will quickly become the go-to resource for ministry leaders who long to offer help to the hurting.

GOD LOVES KIDS

A Gospel-Centered Book about Foster Care

Jamie C. Finn

A Gentle and Biblical Explanation of Foster Care for Kids

- Author has a social media reach of more than 100,000
- Author is a sought-after speaker, speaking dozens of times yearly at events for foster and adoptive parents and hosting the largest gathering of foster and adoptive moms in the world
- Author is an experienced foster parent and the founder of a national nonprofit that serves foster parents

God loves kids, and his really good plan is for kids to grow up in loving families with everything they need to be safe, happy, and whole. But the brokenness in the world has caused really big problems in some families. Because God loves these families, he provides people to help them, as well as foster families to welcome the kids who need safe and loving homes. How can we help young kids--kids in foster families, kids in foster care, or kids simply learning--to understand foster care in a gentle and biblical way?

Beautifully illustrated, *God Loves Kids* is a trauma-informed, gospel-centered children's picture book designed to help you navigate difficult conversations about foster care with kids. Beginning with God's initial plan for kids and families, the story introduces, with compassion and sensitivity, the challenges that bring about the need for foster care, what it looks like for foster families to show up for kids, and the different feelings everyone involved in foster care may experience. The book ends where it begins, with the promise that God has a good plan for the kids he loves.

This unique resource helps children understand foster care and how they can trust God and his good plan to redeem every single story.

THE STORY OF THE TRINITY

Controversy, Crisis, and the Creation of the Nicene Creed

Bryan M. Litfin

The Biblical and Historical Basis of the Church's Most Universal Creed

- Author's BPG books have sold more than 46,000 combined copies
- Author is a professor of Bible and theology in the Rawlings School of Divinity at Liberty University

Christians believe in the Trinity--Father, Son, and Holy Spirit. Yet many would be hard-pressed to explain *why* they believe this, or even where it might be found in Scripture. But that doesn't mean we're blindly following a merely human tradition. It just means we don't know the story of how the early church came to understand the triune nature of our God--or why it matters to believers today.

In engaging, accessible prose, *The Story of the Trinity* relates the settings, characters, and conflicts that led to the creation of the Nicene Creed, a simple yet beautiful statement of faith that helped early Christians express their beliefs. Rather than getting bogged down in dry semantics, this book recounts the dynamic story of how the one God revealed himself as trifold in both biblical testaments. The Trinity emerges from the pages of Scripture itself. Litfin unfolds this core doctrine of the church so that it not only makes sense, but it brings glory to God and expresses the true nature of the gospel.

If you've struggled to understand this essential yet often overlooked doctrine, *The Story of the Trinity* invites you to discover one of the most beautiful expressions of God's love for us, laid out in one of the church's most elegant and edifying creeds.

Honest Prayers for Dark Seasons

Justin McRoberts and Scott Erickson

Spiritual Practice for Times of Depression and Despair

- Authors' books have sold more than 150,000 copies
- Authors have a social media reach of nearly 200,000
- Features meaningful reflections and stunning illustrations that honestly address the complicated intersection of mental health and faith

For many of us, the question isn't whether or not we will enter into depression but how to be there when we do. In those low places, we experience disconnection from others, from a meaningful life, and from God, and it can be difficult to know what to think or pray. This is where art and the honest prayers of others can help us name what we're experiencing so we know we're not alone.

In the Low is designed to meet you in the dark and linger there with you as you sit under the weight of depression or despair. Instead of shaming you for how you feel, minimizing your pain, or suggesting quick fixes, Scott Erickson and Justin McRoberts offer you prayers in language and imagery that can help you be honest and vulnerable with yourself and with God.

Featuring poetic prayers for deeper relationships, healing from trauma, a hopeful future, and more, *In the Low* meets you where you are in your journey and calls you deeper into the heart of God--who is not afraid of the dark.

WHAT WE'LL SEE IN HEAVEN

Glimpses of Our Eternal Home from the Bible and the Holy Land

John A. Beck

A Unique Exploration of How the Bible Describes Heaven

- Author's books have sold more than 150,000 copies
- Fascinating biblical and Holy Land insights about heaven and the afterlife
- Includes full-color photos

There are times when eternity presses in and we feel drawn to know more about the place we or our loved ones will be going when this life ends. We don't want guesses or pious platitudes; we want specifics. We want certainty. Heaven, paradise, the new heaven and new earth, the new Jerusalem. Whatever you call it--and the Bible uses all those terms--there has to be real, solid information in the pages of Scripture that paints the full picture, right?

In a word, yes. And *What We'll See in Heaven* was written to bring these biblical pictures of our heavenly home together in one book. Drawing on his decades of teaching, study, and travel in the Holy Land, John A. Beck points us to the many Bible passages that unpack the realities of heaven using the things of this earth the original Middle Eastern audience would have understood, including

- royal settings, such as throne rooms and banquets
- daily living, such as the design of a Galilean home and the nature of Roman citizenship
- the natural world, such as relationships between animals and humans
- the human experience--those things we see, do, and experience every day that will be reflected in our life to come

Whether you're experiencing the grief of bereavement and long to know what your loved one is seeing and doing, or you're just curious about the eternal home that awaits you, this book will bring comfort, peace, and encouragement.

THE LEGACY LIFE

How to Build Generations of Influence and Impact

David Green with Bill High

Live a Life that Makes a Difference for Generations

- *Leadership Not by the Book* sold more than 90,000 copies
- Author is the founder and CEO of Hobby Lobby and has appeared on *Fox and Friends*, CBN, CBS, Joni Lamb, and other national media outlets
- A clear call to a countercultural, biblical view of personal and family life

We all want to live a life that matters--a life of meaning and significance. The problem is, when we think of a life that makes a difference, we think way too small. Our lives can and should make an impact today--and we should also be working toward building a legacy that lasts for generations to come.

Rejecting the current work-hard-then-retire mindset, David Green, founder and CEO of Hobby Lobby, and Bill High call us to a biblical view of ourselves and our families--a generational mindset. With a paradigm-changing perspective, this book helps you

- develop a legacy perspective on your life and family
- articulate and live out your mission and values
- recover from failures and celebrate successes
- tell your stories from generation to generation

It may feel strange at first, but when you shift your mindset to understand your life in generational terms, you'll discover that while you are not the story, you are part of a story that matters for eternity.

Live a Life That Makes a Difference for Generations

- *Leadership Not by the Book* sold more than 90,000 copies
- Author is the founder and CEO of Hobby Lobby and has appeared on *Fox and Friends*, CBN, CBS, Joni Lamb, and other national outlets
- 90 devotions help readers develop a countercultural, biblical view of personal and family life

Do you want to live a life that matters more? More than your career, more than the kids you raised, more than the individual acts of kindness and charity you may have performed? How about a life that matters for eternity? Though that may sound like a lofty goal reserved for only the most saintly of people, it is possible for anyone to achieve.

Through 90 powerful readings, *The Legacy Life Devotional* challenges and equips you to live a countercultural, biblical life that matters for generations to come.

Building off the concepts in *The Legacy Life*, founder and CEO of Hobby Lobby David Green shares daily devotional thoughts about how to

- develop a legacy perspective on your life and family
- articulate and live out your mission and values
- recover from failures and celebrate successes
- tell your stories from generation to generation

It may feel strange at first, but when you shift your mindset to understand your life in generational terms, you'll discover that while you are not the story, you are part of a story that matters for eternity.

Let's face it: people are often disappointing. Sometimes they're downright hurtful. And in our reactionary culture, it's easy to feel wronged, offended, and weighed down when people trample our feelings. But living in hurt and resentment can steal our God-given joy. The good news? We actually have more control over how other people make us feel than we might think.

In *You Can Let Go*, Alexandra Hoover dives deep into our willingness to be offended, uncovering our wounded pride, our insecurities, and our misplaced trust in the things (and people) of this world. With great compassion, she helps us

- get to the root of why we feel offended
- understand why certain offenses hit harder than others
- find our identity in Christ rather than in how others view or treat us
- handle offenses with confidence, grace, and acceptance
- turn our insecurities into sources of empowerment
- embrace a life marked by deep acceptance and emotional freedom

Offense is something that we can not only get over but also live free from. Discover how to make peace with what's happened in the past and learn to live unoffendable.

PASTORAL CONFESSIONS

The Healing Path to Faithful Ministry

Jamin Goggin

Bolster Your Church's Health and Your Own Through Personal Vulnerability

- Author is director of content at Purpose Driven Connection and is responsible for developing and creating content for Healthy Church, Pastors.com, and Daily Hope
- Author is a frequent speaker and has appeared at venues such as Saddleback Church and The Gospel Coalition

In an age of pastoral abuse, scandal, and failure, many pastors feel pressured to appear sinless. They are tempted to conceal their sin rather than risk vulnerability or disqualification from ministry. But concealing sin is spiritually dangerous, for both the pastor and the church. Unconfessed sin leads to guilt, shame, exhaustion, and loneliness. Instead, God invites pastors to confess, repent, and be healed, just like every other Christian.

Using the seven deadly sins as a framework, *Pastoral Confessions* offers burdened and burned-out pastors a healthy way forward out of the quagmire of hidden sins. With great vulnerability and refreshing honesty, pastor Jamin Goggin writes of his own temptations and sins, especially those that uniquely appeal to the pastor's heart and plague the pastoral profession. He shows pastors how to integrate regular confession to God and others, leading to a more hopeful, fruitful, and virtuous life and ministry.

- Author has more than half a million highly engaged social media followers and a growing email list of 50,000 subscribers with a 50% average open rate
- Author reaches 100 million people daily as cohost on TBN

Isabella loves to dance and sing, so when she sees auditions posted for the Christmas pageant at church, she dreams of landing the perfect part--the Christmas angel with a sparkling halo, flowing white robe, and her very own wings.

But things don't go quite as planned. She does get a part. The little drummer . . . *girl*? Drummers don't wear sparkling halos, flowing white robes, *or* wings! Will this be the most disappointing Christmas ever?

Filled with witty rhymes and whimsical illustrations, *The Little Drummer Girl* helps children ages 3 to 5 understand how an awful day can turn into the greatest day of all. This unique telling of the Christmas story from the perspective of a little girl delivers an entertaining message of hope, humor, and the power of God's love, as shown through his gift of Jesus--not just at Christmas but every day.

- Beautifully designed, giftable keepsake

1 out of 25 Americans has had a near-death experience. Do they reveal the Heaven of the Bible?

In *Imagine Heaven*, bestselling author John Burke compares more than one hundred gripping stories of near-death experiences to what Scripture says about our biggest questions of Heaven: *Will I be myself? Will I see friends and loved ones? What will Heaven look like? What is God like? What will we do forever? What about children and pets?*

Burke shows how the common experiences shared by thousands of near-death survivors—including doctors, college professors, bank presidents, people of all ages and cultures, and even blind people—point to the exhilarating picture of Heaven promised in the Bible. This thrilling journey into the afterlife will make you feel like you've been there, forever changing the way you view the life to come—and the way you live your life today.

This beautifully designed deluxe edition makes the perfect gift for anyone who longs to know more about heaven.

Maddie Joy Fischer

Experience Freedom and Abundance by Trusting God

- Author writes for Sadie Robertson Huff's organization
- Visually stunning packaging includes 4-color interior
- Fresh voice writing on a topic many young people struggle with

If you feel like fear, anxiety, and worry have taken over your thought life or your spirit, you're not alone. But you also weren't meant to live this way. God wants more for you--*promises* more for you. He wants you to live free from fear, to have victory over your anxiety, to face the future with hope rather than worry. He wants you to rest in and rely on Him in times of trouble. He even shows you how in His Word.

With compassion born from personal experience, Maddie Joy Fischer invites you on a 60-day journey to overcome the fears that are currently overcoming you. Diving into God's Word, she shows you that freedom from fear doesn't mean you'll never be afraid again. It means that you no longer give fear the authority to consume your thoughts, make your decisions, and dictate your future. The application questions and prompts help you put these devotions into practice so you can see and feel a real difference in your spirit from day one.

- Author has written for the *New York Times*, *Christianity Today*, and *Ekstasis*, and has appeared on the BBC and *The After Party* podcast
- Will appeal to readers of Kate Bowler, Russell Moore, John Mark Comer, and Tyler Stanton
- Unique, distinctly faith-informed angle into the national conversation about anxiety

Every era has its challenges, but ours seem to be majoring in anxiety. Bombarded (via screens) by constant global conflicts, rancorous politics, and church scandals, today we endure seemingly endless external stressors. The reasons are easy to find--division in politics and the pews, caring for kids or aging parents, and the rapid impact of social media on our psyches, to name a few. While exploring these origins may hold some benefit, Sara Billups is concerned with *right now*: How do we live well in the presence of pervasive personal and collective anxiety?

The dissonance between Jesus saying "Do not worry" and her heart's inability to stop worrying led Sara to seek out spiritual rhythms and practices that create a holistic, holy response to the anxiety brimming in our bodies, our churches, and our society.

Nervous Systems offers helpful, doable daily practices for anxiety in the large and small trials in our lives. This collection of personal and cultural observations invites us to *let go* in the presence of our anxiety. Join Sara in learning how, with God's help, to face anxiety head-on rather than trying to pray it away or, worse, grin and bear it.
