We *want* to live with joy. But life is hard. Culture tells us to ignore the hard and focus on the positive. But science shows that actually makes us more depressed and physically ill. In her transparent, hopeful way, Jillian Benfield shows how we can live with the joy Jesus promises--not by ignoring our dark circumstances and emotions, but by practicing a truer way of living: embracing the "&" in life.

Through sharing psalms, scientific findings, personal stories, and journaling prompts, Jillian offers encouraging, practical ways we can be real about our hard things & be grateful for the good things. She shows how we can be honest about our hardships & aware of God's goodness. We can acknowledge our pain & keep our eyes open to the beauty still unfolding. We can be overwhelmed, grieving, stressed, angry, confused, and unsure & we can be grateful.

Because the truth is, life is hard & life is beautiful. True gratitude is found at this intersection & leads to the joyful, abundant life God promises--no matter what is going on around us.

- Never-before-published content from Tozer's sermons
- With millions of copies in print, Tozer continues to be one of the most influential voices in Christianity today
- Author of the bestselling classic *The Pursuit of God*

Culture is saturated in self-interest and self-preservation, and the church has become complacent--and complicit. Many Christians want God to move--but only if *they* don't have to move. In an age of spectacle and opulence, we've lost sight of sacrifice and obedience.

In this never-before-published compilation of teachings, A.W. Tozer turns to Bible passages and stories like Abraham and Isaac, unpacking them to reveal spiritual truths crucial to a lifetime of fruitfulness and power: unwavering obedience. With wisdom and practical insight, he reveals how to

- surrender completely to Jesus without compromise
- obey even when shrouded in confusion and questions
- stay the course when your surrender and obedience are challenged
- live each day in full obedience to Christ

When you are committed to a life of non-negotiated obedience, you will discover a power in your Christian life that you didn't know before--and can't explain now. Obedience will cost you everything. But it will give you everything God has intended for you.
