# Unlock the Key to Lasting and Meaningful Relationships

- Author is a popular radio host in the Houston market on the #1 Christian station in the country
- Author is also a regular guest on *Focus on the Family*, *FamilyLife*, and *Moody Network*
- Unpacks a biblical approach to friendship, loneliness, and identity

In this age of limitless digital connections, we are somehow lonelier than ever. This isn't just bad news—it's dangerous news. Loneliness puts us at greater health risk than smoking or obesity, but we would sooner label ourselves overweight than admit we are lonely. It is a secret that is killing us.

Contrary to all our efforts, the answer is not found in more connections, but deeper ones that mirror God himself as the originator of friendship and the original Friend. *The Art of Friendship* walks with you into a greater understanding of how God has equipped you to be a friend and to have meaningful friendships. With step-by-step guidance, you will begin to strategize how to fulfill your divine calling as a friend. And through God's Word, as you come to understand the depth and width and breadth of God as Friend, you will discover that the spiritual discipline of friendship is both life-changing and life-giving.

EXCERPT

When it comes to knowing what we're afraid of and why we're afraid, we should start by looking at God, not at ourselves. Of course, this seems counterintuitive: *Don't I need to look at myself to grasp why I am the way I am?* But like any sick person who can't discern the nature of their sickness and who can't heal apart from a doctor's diagnosis and treatment, we must look to the Great Physician for help and healing. We must begin with the God who speaks.

Because Jesus is Lord, we don't have to be. Because Christ is on his throne, ruling all things with perfect wisdom and power, we are freed from the crushing pressure and fearfulness of trying to rule ourselves, other people, and circumstances. As we learn of Jesus as our Savior *and* our Lord—that he's in control and that he's good—we will learn to trust and obey him in the circumstances that expose how out of control we are.

# Overcoming Fear through a Deeper Understanding of God

- Author is a popular speaker at such conferences as the Gospel Coalition, True Woman, and Revive Our Hearts
- Author is the content manager for Unlocking the Bible, a ministry with 150,000 Facebook likes
- Overcoming fear is a perennial bestselling topic for Christians and seekers
- Appealing hardcover with a two-color interior will draw readers in with its eye-catching look

**W**hat are you afraid of? You could probably fill this page with a list of your fears. Fears about the future; fears about your health, job, and family; fears about inadequacy and failure (and maybe success); fears about how much *fear itself* seems to affect your decisions, plans, and growth in this life.

You might even fear what God thinks about your fears. After all, in his Word God commands us not to be afraid hundreds of times. But how is this possible? We're troubled by evil, we're slammed with bad news, and we can't know what tomorrow will bring. How can we learn to trust God and not be afraid?

Kristen Wetherell is in the fight with you. She is a fearful fellow traveler on the road of the Christian life, making strides alongside you in this battle. In *Fight Your Fears* she carefully searches 10 of God's great and precious promises, equipping you with the practical tools to overcome the fears and anxious thoughts that are robbing you of your joy. Each chapter ends with Scripture exercises, a memory verse, questions to ponder, and a prayer.

Discover truths that will bring peace to your soul as you learn to fear God and nothing else.

# Uncover and Embrace the Empowering Role God Has for Women

- Fitzpatrick speaks regularly at churches and large conferences such as the Gospel Coalition Women's Conference and True Woman
- Bestselling author and popular pastor write in a style that is winsome for women and informative for men, including pastors and other male leaders
- Study questions offer guidance for discussion and relevant perspectives amid #MeToo and #ChurchToo movements

From beginning to end, the Bible affirms women, who have intrinsic value because they are—just as men are—created in the image and likeness of God. *Worthy: Celebrating the Value of Women* offers insights for both women and men as they more fully grasp that truth through the study of Scripture.

Bestselling author Elyse Fitzpatrick and popular pastor Eric Schumacher explore how women fit into the church's redemption story and into the new world, offering women a transformative view of their Maker, themselves, and the church. Men, who might be wondering if they have missed something amid the #MeToo and #ChurchToo movements, also will be informed and encouraged as *Worthy* uncovers the empowering role God has for women without rejecting the complementarian perspective. Study questions and a "Digging Deeper" section will help men and women alike discover how to cherish, value, and honor one another for God's glory.

# Doing Money Better Together

- Based on original research about how men and women think about and deal with money
- Book and research supported by Thrivent Financial, a Christian Fortune 500 company
- Shaunti and Jeff Feldhahn's books have sold over 2 million copies
- Curriculum kit includes 6-session DVD and workbook

Over 90 percent of couples experience some level of tension around money. In fact, money issues are the number one stressor in relationships. So many books try to fix the surface problems, such as how to budget and what to prioritize when it comes to finances, but the issues go much deeper than just a simple spreadsheet.

How do men and women view money differently? What do most couples fight about? How can they get on the same page? What questions should men/women ask their significant others before marriage? There are emotional and spiritual components to finances that most couples ignore. How can you agree on a budget if you disagree with each other on the basic purpose of money?

*Thriving in Love and Money* is based on original research Shaunti and Jeff Feldhahn have conducted to get to the heart of these issues. And just as they did with their best-selling books *For Women Only* and *For Men Only*, they will use this research to provide the answers and insights you need to break the tension and provide the unity you're looking for. Let this book deepen your understanding of each other, leading to clear communication, peace as a couple, and better financial decision-making.

# A.W. Tozer on Encountering God Face-to-Face

- Pulled from a sermon series, this material has never been available in print before now
- Begins with the story of Moses to teach readers how to experience God's power and holiness
- Tozer continues to be one of the most influential pastors in recent history

Many people believe in God and believe that God is everywhere, but they have yet to experience his presence. What did it mean for Moses to encounter God at the burning bush? How did it change his life and his perception of God? What is keeping you from experiencing his presence in your life?

It was in that burning bush experience that Moses began to understand and appreciate the sacredness of worship. Through this book, Tozer teaches how proper worship has to be equal to the one we are worshiping, so if we are worshiping God, we must do it on his terms. This means having a spirit of reverence and holiness—like Moses taking off his shoes and kneeling before him.

The bush's fire did not frighten Moses, but rather it poured the essence of sacredness into his life, giving him an experience he had never had before. Let this book teach you how, like Moses, to kneel and worship before God's holy fire.

# Discover Soul-Level Happiness That Can Weather Any Storm

- Author is an influential Bible teacher whose study methods have been adopted widely
- She has been endorsed by Chrystal Evans Hurst, Elyse Fitzpatrick, Holley Gerth, and others
- An ideal book for small groups—features insights from the Psalms, as well as discussion questions

How do some people do it? They rise above the circumstances and distractions of life and remain consistently happy. Even in tough times they have a quiet sense of peace about them. Examining the Bible and her own life, Katie Orr has discovered that deep happiness and satisfaction are only possible when we are rooted in God and pursuing his good and specific purpose for each of us.

*Secrets of the Happy Soul* is your invitation into a deeper, more fruitful relationship with God and his Word. As Katie walks you through key teachings from the book of Psalms, you will recognize how the world's definition of happiness pales compared to the daily delights God has in store for you. Draw closer to him, and your soul will go from lonely to connected, from overwhelmed to level and led, from aimless to commissioned and unique. God doesn't promise a storm-free life, but he is the anchor every happy soul needs.

EXCERPT

**Answers Unseen**

I prayed for strength for today.  
 Did You hear my request, Lord?  
 Do You see my need?  
 I don't feel stronger, more vibrant,  
 more alive.

Does that mean You didn't  
 answer?  
 Or is Your strength invisible,  
 a kind I can't feel?  
 Are You working in me in ways I can't  
 see or touch or feel?

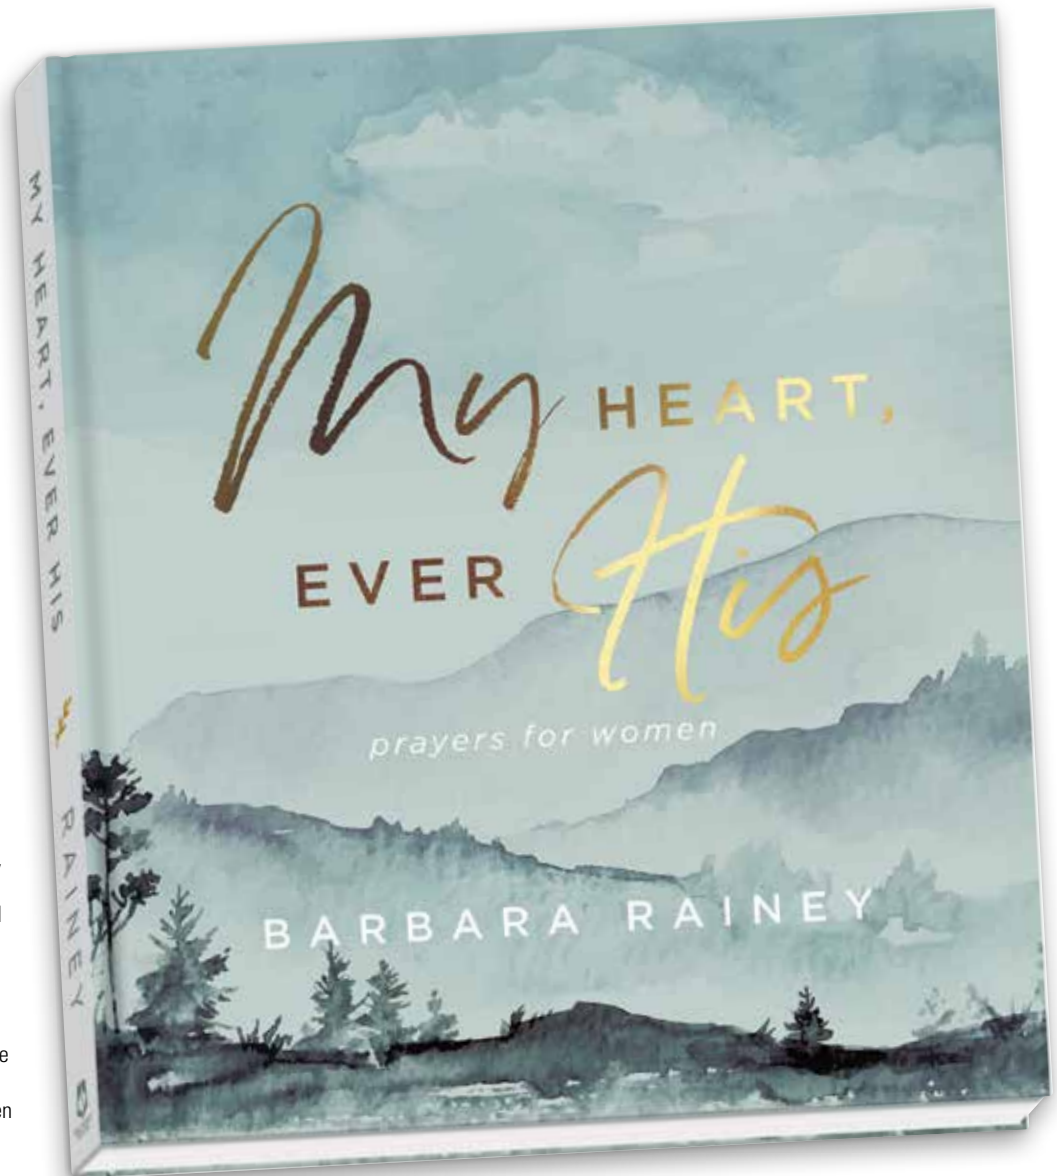

Do not lose heart, You remind me.  
 Though my outer visible body is  
 decaying,  
 not performing for me as I desire  
 and wish,  
 my heart is being changed  
 day by day.

You alone see our hidden work there,  
 our cooperative partnership.  
 Your heart nudges mine; "Trust Me."  
 My quiet choice, "Yes, Lord,"  
 is unseen.

But perhaps not.  
 Maybe You are measuring my growth  
 like we parents measure our children's  
 growing stature.  
 Are You recording my baby faith steps in  
 one of Your books?  
 Nothing is hidden from Your sight.

Though I don't feel renewed strength,  
 I do feel comforted by the thought  
 that You are pleased, Abba Father, that I  
 come to You.

Lord, help me rest in knowing You  
 always hear my every prayer.  
 And help me trust You with Your invisible  
 heart work,  
 to remember the things which are unseen  
 are eternal.  
 Amen.

# Surrender Your Heart to the One Who Made It

- Thoughtfully crafted prayers draw readers closer to God
- Bestselling author with over 1 million copies sold
- Two-color interior and beautiful packaging make this ideal for gift-giving occasions like Mother's Day

As we search for meaning in our world of shallow online relationships and glamorized selfies, many are returning to traditional and liturgical churches. The repeated words, benedictions, and historic hymns connect us to saints who have gone before, giving us a sense of belonging, richness, and transcendence. Written prayers, once cast off as archaic, are now welcomed as guides to tune our hearts to the heart of God.

In *My Heart, Ever His* Barbara Rainey shares 40 prayers for women. They can meditate on one prayer throughout the week or read a prayer a day for 40 days as a way to express the longing of our hearts to our Father who loves us even as he sees who we truly are. Like the psalms of David, these prayers are honest, sometimes raw. Barbara uses these transparent expressions of common experiences to encourage us to surrender to Christ and help us see God as he *is*, not as we assume him to be.

*My Heart, Ever His* provides a stepping-stone to help you become more transparent with God and discover his welcoming embrace.
