A Practical Theology of the Human Body

- Author is professor of Christian theology at The Southern Baptist Theological Seminary
- Each chapter has five components: topic, big idea, discussion, application, and items for further consideration
- Emphasizes God's purpose for our bodies

We rarely give thought to our bodies until faced with a physical challenge or crisis. We have somehow internalized the unbiblical idea that the immaterial aspect of our being (our soul or spirit) is inherently good while the material aspect (our body) is at worst inherently evil and at best neutral—just a vehicle for our souls to get around. So we end up neglecting or disparaging our bodies, seeing them as holding us back from spiritual growth and longing for the day we will be free of them.

But the thing is, we don't *have* bodies; we *are* our bodies. And God created us that way for a reason. With Scripture as his guide, theologian Gregg Allison presents a holistic theology of the human body from conception through eternity to equip us to address pressing contemporary issues related to our bodies, including how we express our sexuality, whether gender is inherent or constructed, the meaning of suffering, body image, end of life questions, and how to live as whole people in a fractured world.

EXCERPT

We take this phrase for granted, this raising of a son, but it's a heavy term, isn't it? When we say we're raising a child, what we're actually communicating, based on the history of the phrase, is, "I want you. I want you in my life. I'm going to take responsibility for you, and I'm going to give you everything I can to help you grow up and mature into the best person you can be."

So how do we raise a boy into manhood in this day and age? How can we raise a child into adulthood during these difficult times?

You've probably searched out this book because you, like me when I realized a son was on the way, feel overwhelmed at the prospect of raising a child into adulthood. Let me tell you this: you're not alone. I've actually met very few men who, when it comes to raising their kids, feel well-equipped. I've met very few men who, when confronted with the knowledge that they are having a baby, swell up with confidence that they have the skills and tools needed to raise this tiny child all the way up into adulthood.

But while I don't meet a lot of men who are confident, I do meet a lot of men who are determined. You're reading this book, so this is probably you.

You're determined to get it right.

You're determined to pass on a legacy of blessing instead of brokenness.

You're determined to raise a child of consequence.

And because of that determination, because of that desire, I want to affirm you and honor you for your willingness to do the work, for looking around, and for trying to figure out how to raise your child in a God-honoring way.

You're already on the right path.

A Proven Plan to Raise Sons of Integrity, Faith, and Consequence

- **Research-driven by original, timely, and proprietary Barna studies**
- **Practical, simple steps and activities to help dads raise sons with character**
- **Author is a board member of City Collective, a network of incarnational churches committed to multiplying missional church networks in the urban centers of the world**

Self-initiation is killing our young men. Without strong mentors, boys are walking alone into a wilderness of conflicting messages about who they should be as men. It's no wonder that our sons are confused about what the world expects from them and what they should expect of themselves.

The Intentional Father is the antidote. This concise book is filled with practical steps to help men raise sons of consequence—young men who know what they believe, know who they are, and will stand up against the negative cultural trends of our day. Jon Tyson lays out a clear path for fathers and sons that includes specific activities, rites of passage, and significant "marking moments" that can be customized to fit any family.

It's not enough to hope our sons will become *good men*. We need them to be good at *being men*. This book shows how fathers, grandfathers, and other male mentors can lead the way.

The Story of a Civil Rights Legend, Now for Young Readers

- Named by *Christianity Today* as one of the top 50 books that have shaped evangelicals
- Perkins is cofounder of the Christian Community Development Association and director of the John M. Perkins Foundation for Reconciliation and Development
- Tells how Perkins' faith led him to respond to racism and injustice with compassion, vision, and hope

His brother died in his arms, shot by a deputy marshal. He was beaten and tortured by the sheriff and state police. But through it all, he returned good for evil, love for hate, and progress for prejudice, and he brought hope to black and white alike.

The story of John Perkins is a gripping portrayal of what happens when faith thrusts a person into the midst of a struggle against racism, oppression, and injustice. It is about the costs of discipleship—the jailings, the floggings, the despair, the sacrifice. And it is about the transforming work of faith that allowed John to respond to such overwhelming indignities with miraculous compassion, vision, and hope.

Perhaps more now than ever, young people need to read his story. This youth edition of the book *Christianity Today* named as one of the top fifty books that have shaped evangelicals will inspire a new generation to seek justice, love mercy, and walk humbly with God in the face of radical social change.

Cultivate Beauty and Choose Hope in the Midst of Suffering

- Author is the daughter of Clay and Sally Clarkson and a regular guest on the *At Home with Sally Clarkson* podcast, which has exceeded 10 million downloads
- The Clarkson family has a combined social media reach of over 200,000
- Author is a three-time winner of the Frederick Buechner Creative Writing Prize

We live in a broken world. Amid the daily realities of sickness and isolation, disappointment and pain, it can be profoundly difficult to grasp the real goodness of God. But this is where God breaks into our darkness with beauty. In the wonder of creation, in art or film, story or song, in the kindness of his people and the good they create, God breaks into our pain in a tangible way, teaching us to trust his kindness and hope for his healing. Beauty is a voice singing into our suffering, beckoning us toward restoration.

In *This Beautiful Truth*, Sarah Clarkson shares her own encounters with beauty in the midst of her decade-long struggle with mental illness, depression, and doubt. In a voice both vulnerable and reflective, she paints a compelling picture of the God who reaches out to us in a real and powerful way through the “taste and see” goodness of what he has made and what he continues to create amid our darkness. “To recognize and trust God’s gift in pain,” she writes, “empowers us to create and love as powerful witnesses to God’s healing love in a hopeless world.”

If you want to renew your capacity to recognize and encounter God’s beauty in your life, this hope-filled book will show you the way.

Learn to Live and Lead More Fruitfully in Your Calling

- **Author's books have sold over 400,000 copies**
- **Author has consulted with over 1,200 churches in more than 90 denominations**
- **Offers proven procedures and practices for making a church, ministry, or organization as fruitful as possible**

If most pastors were pressed to describe an average day of ministry, they'd have trouble doing it. In a single day, a pastor may fill many different roles in quick succession, from counselor to theologian to student to CEO to custodian (well, let's hope there's usually someone else available to perform that last role). Some roles come more naturally than others, but every pastor wants to perform each role to the best of their ability.

In *The 10 Key Roles of a Pastor*, church consultant Gary L. McIntosh shows pastors how to

- understand and juggle their many essential roles
- prioritize their time and energy
- manage their people's expectations of them
- and empower others to take up the vital work of the church body

Pastors just starting out in ministry, as well as those who have been at it a while and find themselves overworked and overwhelmed, will value this practical resource. It is also an enlightening read for those in church leadership who would benefit from understanding the pressures their pastor faces on a daily basis.

Learn to Disagree, Resolve the Conflicts You've Been Avoiding, and Create Real Change

- **Author is a featured speaker with the Women Speakers Collective and speaks regularly at conferences and churches**
- **Author has been active in urban, multicultural ministry and justice work in Los Angeles and New York City**
- **Includes questions for reflection and small group discussion at the end of each chapter**

When it comes to disagreement, we are in perpetual fight-or-flight mode. Rather than respond with a posture of compassion and connection, we are encouraged to “resist” others personally and politically. Either we engage in fruitless argument with people who refuse to see things our way or we retreat to our echo chambers where everyone agrees with us. But the real resistance, the kind that helps us grow, is learning to love others—especially those who disagree with us.

If you're tired of seeing your real-life and online communities in turmoil and you long to be an agent of peace, understanding, and reconciliation, it's time to join a new kind of resistance movement—one that pushes us toward personal transformation. Grounded in Scripture and illustrated with compelling true stories, this new book from Ashley Abercrombie will help you gain the confidence to communicate and connect with others, stop avoiding necessary tension, and resolve your internal and external conflicts.

When we make love our habitual reaction to the conflicts and divisions in our lives, we'll find that we can stay true to our convictions without sacrificing our relationships.

Finding Our Worth, Value, and Strength through Stories of the Past and Present

- Author has a combined online reach of over 8 million across all platforms
- Author will promote to her email list of over 100,000
- Author blends her own story with that of the biblical story of Mary and Martha

What do you do when that voice in your head tells you you're not enough? Not smart enough, not pretty enough, not capable enough, not present enough. Where do you turn when the world's promise that you can have it all becomes a crushing expectation that you must do it all, at all times, and keep a smile fixed on your face while you wither inside?

Unpacking the biblical story of Mary and Martha as she shares her own story of recognizing her unique giftedness, Denisse Copeland shares the liberating truth that you have a right to be *you*. Just you, at the feet of Jesus. She shows you how to embrace your identity as a woman set apart, not to do it all but to be exactly who God created you to be. No apologies. No guilt. No compromise.

If you're tired of comparing your life to others as you strive to be all things to all people, *Set Apart* is your invitation to lay your burdens down and abide in Jesus—faithful, free, and fulfilled.

EXCERPT

Today's teenagers can access almost any information. They can instantaneously receive scores of possible answers to just about any question—plus a list of new ones. But they're also growing up in families and churches who shy away from some of their deepest questions about faith and meaning.

One of the reasons young people are drifting from faith is that churches aren't focused on the questions they care about most. Instead, we're pitching answers to questions that aren't anywhere near their strike zone.

We're too often stuck in questions that reflect what happened in the past.

Or are missing what's unfolding in the present.

And are afraid of what's to come in the future.

During a recent Fuller Youth Institute summit, the executive director from a national training organization shared about one high school student who yearned, "I wish the church would stop giving me answers to questions I'm not asking."

The specific questions that he and other teenagers most value might be unique to our time, but questions aren't new to God. By one count of the four gospels, Jesus was asked 183 questions.

That's remarkable, but what's even more remarkable is that Jesus himself asked 307 questions.

The question isn't whether faith is big enough to hold young people's questions. We know it is. The question is whether we will take the time to hear and honor them.

How to Understand, Guide, and Communicate with This Generation

- **Authors have tremendous credibility with church and ministry leaders and a robust speaking schedule**
- **Combining data from over 1,200 diverse teens, academic research, and popular culture analyses, the FYI team merges statistics about this generation with rich stories from real young people today**
- **Authors are the executive director and senior director of content of Fuller Youth Institute**
- ***Growing Young* has sold over 75,000 copies**

Today's teenagers are the most anxious, creative, and diverse generation in history—which can make it hard for us to relate. And while every teenager is a walking bundle of questions, three rise above the rest:

- Who am I?
- Where do I fit?
- What difference can I make?

Young people struggle to find satisfying and life-giving answers to these questions on their own. They need caring adults willing to lean in with empathy, practice listening, and gently point them in the direction of better answers: they are enough because of Jesus, they belong with God's people, and they are invited into God's greater story.

In this book, which is based on new landmark research from the Fuller Youth Institute and combines in-depth interviews with data from 1,200 diverse teenagers, Kara Powell and Brad M. Griffin offer pastors, youth leaders, mentors, and parents practical and proven conversations and connections that help teenagers answer their three biggest questions and reach their full potential.

A Great Resource for Studying the Life of Paul

- A fascinating guide to the life and ministry of Paul
- Helpful maps and photos illuminate a life that included great triumph and great hardship
- An easy to understand, convenient format

The life and ministry of the apostle Paul was a sprawling adventure covering thousands of miles on Roman roads and treacherous seas as he boldly proclaimed the gospel of Jesus to anyone who would listen, be they commoners or kings. His impact on the church and indeed on Western civilization is immeasurable.

From his birth in Tarsus to his rabbinic training in Jerusalem to his final imprisonment in Rome, *An Illustrated Guide to the Apostle Paul* brings his remarkable story to life. Drawing from the book of Acts, Paul's many letters, and historical and archaeological sources, this fully illustrated resource explores the social, cultural, political, and religious background of the first-century Roman world in which Paul lived and ministered. It sheds light on the places he visited and the people he met along the way. Most importantly, it helps us understand how and why Paul was used by God in such extraordinary ways.

Pastors, students, and anyone engaged in Bible study will find this an indispensable and inspiring resource.

PAPER

- Author's TV show and radio podcast have a reach of over 100 million homes

- Author's personal adoption story has been featured on *The Steve Harvey Show*

Sam Collier's story started with rejection. When he and his twin sister were born, their biological mother gave them up for adoption. Though Sam loved his adoptive family, he sometimes felt like a puzzle missing crucial pieces. But God reached into Sam's life and showed him that he didn't have to write his own story, because it was really God who was telling *his* story through Sam.

In this deeply personal yet remarkably universal book, Sam Collier tells his inspiring story of abandonment, sacrifice, gratitude, and rescue, revealing how God is always doing something bigger and better than we might imagine. He has a purpose and a plan for every single one of us, and he is always telling his greater story through our trials, our relationships, and our triumphs.

If you're in the middle of a challenging time and long to know that God is working through it, Sam's story will teach you how to see the big picture, even when there are pieces missing.

EXCERPT

Parents everywhere face the same issues. We all want to raise kids *with* character instead of kids who *are* characters, but we often don't get quite what we expect. However, there *is* a way to rear a successful child in today's entitled world, a son or daughter who will wisely and confidently blaze a unique trail into adulthood. But the secret of that success starts with you, parent. No one else will do.

Want children who are patient and kind, humble and thankful, and respectful of you, themselves, and others? Who have a hard work ethic, not giving up until a job is done, even if others say it's impossible? Who succeed in all areas of life—personally, professionally, and relationally—to the best of their ability?

You can't force your kids to be grateful for everything you do, but you can raise successful kids with a healthy self-image and good doses of responsibility and accountability. These children will grow into adults you can be proud of and who stay even-keeled in life's stormy seas, even acting as ship captains for others.

There's a bonus too. Down the road, those children will *want* to return home to you, with perhaps a partner or a cherub or two in tow. Then, oh, the rollicking stories you can tell around that family dinner table to your grandkids.

Trust me, I know. I've got five kids and four grandkids circulating in and out of my beloved bride Sande's and my home in Arizona, livening up the atmosphere. It doesn't need to be a holiday, a birthday, or any special occasion for them to return home. They come just because they can and they want to.

So keep turning the pages of this book. It *is* possible to raise a successful child in a "whatever" generation.

I guarantee it.

- Author speaks more than 50 times a year at men's retreats and conferences
- Author is a John Maxwell certified life coach, ordained pastor, and credentialed outdoorsman

Every boy has dreams of the man he will become—exploring the world, fighting the enemy, and being dangerous for good. He imagines himself as the hero, the expert, the one others look up to. In this hard-hitting book, world-class hunter, adventurer, and popular speaker Brent Henderson takes men on a journey to some of the most dangerous and deadly places on earth. Along the way, he helps each man discover that the most powerful force in the universe can be found in his spirit, where God resides. He shows men how to recover what's been lost by answering their biggest questions: *Who am I really? Where does my value come from? and Am I enough?*

The perfect gift for Father's Day, *The Roar Within* will set men free and equip them to live lives of purpose, courage, and confidence.

It's easy to look at other moms and think they are killing it at motherhood, when in reality they are struggling and doubting themselves just like you. Before we even get started, I need you to know something: I love my kids but I have not always *loved* or *liked* being a mom.

When my boys turned into toddlers who wouldn't listen, I panicked inside. All the other moms looked like they knew what they were doing. Secretly, I wondered, *What is wrong with me?*

I was young and my expectations were high. Almost daily, I compared the failure I felt like on the inside to other moms' "all together" image on the outside.

One afternoon, I filled my journal with scribbled words, tears, and prayers. I was ready to quit. It had been a hard day, running too many errands with two small children. No matter how many times I told my five-year-old he needed to be content and said, "No I am not buying you any toys!" he was not content. Then he started climbing in and out of the shopping cart to entertain himself and possibly to annoy his little brother. When I threatened him with consequences, he smiled and sat quietly in the cart, for about sixty seconds.

... When we got to the checkout line, that led to more begging for pocket-sized-toys, bubble gum and candy bars strategically placed at eye-level for all sizes of children. Could it get any worse?

After I got the boys fed and down for naps, I decided to it was time to convince J.J. to fire me as a mom. But after I thought about it, I knew he wouldn't cooperate, so I decided to find some pink construction paper in our craft box and write "I QUIT!" and turn in my own pink slip.

PAPER

The Bible uses the word *Christian* to describe followers of Jesus a grand total of three times. But there's another identifier that fills the pages of the New Testament—a word we've mistakenly reserved for the halo-wearing elite, losing something profound in the process.

Saints.

Wrapped in this ancient word is a divine invitation to discover who God created you to be and awaken to the life you were meant to know. Using Scripture and stories from his own experience, Addison Bevere makes a compelling case that the life you desire is found in the mystery of this sacred identity.

If you want to exchange lifeless religion for the wonder of following Jesus, this book will spur you onward in your journey. Now in paper.

Shift Your Soul to Peace

- Invites readers to a 30-day experiment cultivating deep peace and joy through simple practices
- Author regularly speaks, contributes, and appears as a guest on local, national, and international platforms
- A former White House staffer, international banker, and entrepreneur, Wyma is a mother of five

How often in a given day do you feel rushed, judged, put upon, or ignored? It's tempting to respond to the slights and indignities of life with bitterness, resentment, frustration, or sadness. But what if there's a better way?

Enter *The Peace Project* and its potent mixture of practicing thankfulness, kindness, and mercy. With short, digestible chapters and plenty of practical application, *The Peace Project* demonstrates that lasting inner peace comes from outward practices—seeing others, as well as ourselves, not as obstacles to overcome or objects against which to compete or compare but as people of great worth.

This is no *if-then* theology where God's grace is earned by our actions. It's a chance to dive headfirst into the endless depths of his peace where we can actually, finally, somehow breathe. Welcome to the less-than-perfect, sometimes hilarious, consistently magical journey of practicing thankfulness, kindness, and mercy with Kay, her kids, and some brave friends.

It *can*.

Drawing on the call in Romans 12 to “be transformed by the renewing of your mind,” pastor and speaker John F. EXCERPT

I love hearing your ideas and dreams for the future!

Life has a way of beating dreams out of young men. That's why he needs to know you're genuinely interested in his ideas, aspirations, and thoughts about impossible deeds. When I was young, I thought I would be a policeman, a cowboy, a boxer. . . you name it, and I thought about being one of those! Kids have all kinds of wonderful, wild, crazy thoughts. Then they become teenagers and still have them. Don't be the parent with all the reasons 'why not.' Be the parent who invites conversation about the possibilities.

I still remember talking with my mother when I was eighteen about my "plans"—my big plans to become a professional boxer. Inside, she was probably thinking, "I don't want my son to have his brains bashed in!" But she just sat there, smiling, listening with rapt interest as I told her all about it. (It's Sugar Ray Leonard's fault!) The only problem was . . . well, just about everything! But that didn't make her stomp on my thoughts. If I was excited about it, she was excited to hear about it. And, to this day, I have an untarnished record as a boxer! W-O, L-O. Haha! Thanks, Mom!

No, I didn't get into the ring, ever, and that "dream" floated into thin air along with so many others. Your son was created with a dream to become a hero, fight a battle, climb a mountain, and cross a sea to the unknown, uncharted waters.

How One Woman's Search for Answers Exposed a Baby-Selling Ring

- There is a strong and growing interest in true crime stories throughout America
- The author recently appeared as investigative lead on the TLC docuseries *Taken at Birth*
- This book combines compelling personal stories with a true crime investigation into baby trafficking

From the 1940s through the 1960s, young pregnant women entered the front door of a clinic in a small North Georgia town. Sometimes their babies exited out the back, sold to northern couples who were desperate to hold a newborn in their arms. But these weren't adoptions—they were transactions. And one unethical doctor was exploiting other people's tragedies.

Jane Blasio was one of those babies. At six, she learned she was adopted. At fourteen, she first saw her birth certificate, which led her to begin piecing together details of her past. Jane undertook a decades-long personal investigation to not only discover her own origins but identify and reunite other victims of the Hicks Clinic human trafficking scheme. Along the way she became an expert in illicit adoptions, serving as an investigator and telling her story on every major news network.

Taken at Birth is the remarkable account of her tireless quest for truth, justice, and resolution. Perfect for book clubs, as well as those interested in inspirational stories of adoption, human trafficking, and true crime.

Discover the Influence You Can Have through Your God-Given Strengths

- **(in)courage has a social media reach of over 1.5 million, and DaySpring has over 3.4 million**
- **Combined 700,000 email list between (in)courage and DaySpring**
- **Six-session study designed for both individual and small group use**

In today's social media-saturated world, the word *influence* conjures up images of beautifully curated Instagram feeds or women who lead from the stage and have thousands of followers. It's measured by the number of likes and shares and how well we can get people to imitate us. Influence has almost become synonymous with fame and power, and if we're honest, many of us long to have it.

But in its purest form, influence is simply the capacity to affect change on someone. It is the ability to impact others for a certain purpose. And from a biblical perspective, influence is the right and responsibility of everyone who follows Christ.

Courageous Influence will guide you in the journey of living the impact you were made to have through this six-session study. Let's turn the world's idea of influence on its head and become the courageous women of influence God calls us to be.

Wisdom and Practices for Holding on to Hope in a Chaotic World

- Will appeal to readers of Emily P. Freeman and Shauna Niequist
- Author is a gifted communicator and frequent speaker at women's events such as MOPS
- Offers simple practices to help readers experience hope

When we are in the darkness—whatever that is in our own particular story—the temptation is to believe that it's over, it's always going to feel this way, we will never be anywhere else or feel anything other than we do now. We fear the darkness, and for good reason. But it is in the darkness that new life begins.

With an openhanded spirit and openhearted vulnerability, Leeana Tankersley reveals the darkest chapter of her own story, the thing she never thought would happen and could do nothing to prevent. Along the way she shares how waiting patiently in the darkness allowed something incredible to take root within her: a defiant and hard-won hope that is not dependent on happy endings.

If you have lost your faith, your family, your health, your home, your security, your business, or your very self, Leeana wants you to know that you are not alone or forgotten. You are not doomed to stagnation or stasis. You are not worth less than you once were. Against every last odd, you can hope anyway.

Overcome Fear for Good

MASS

The Bible calls us to not be afraid, and of course we all *want* to live without fear. But how?

Using her own story as a catalyst, Maria Furlough shows you *how* to overcome fear for good. She calls you to make a list of your fears, to choose to bring those fears to God rather than acting on them, and to trust God with the future. She shows how when we give God full control over our lives, choosing his sovereignty over our own ability, we can break the cycle of fear, grow through suffering, and trust God to fulfill his promises of protection and peace.

Ever grow weary of all the bad news? Each time we flip on the evening broadcast, we hear of more turmoil, unrest, poverty, sickness, and devastation. Escaping to social media doesn't paint any prettier a picture. There we witness a near-constant scroll of snark and sarcasm—at best. At worst, we see the outright hurling of hate.

While recently complaining about all the ugliness I see, I became convicted that my irritation spilling out verbally really accomplished nothing. Nothing at all. Perhaps I need to stop talking and start acting instead.

William Lonsdale Watkinson, an English Wesleyan minister, once said, "It is far better to light the candle than to curse the darkness."

Yes! That's it. *We need to be lighting candles.*

This little book is full of 101 simple, yet powerful, ideas that I pray will spark some love and spur on some good deeds. Let's do our part in outshining the negativity and hatred. Not so others will look at us and think we are oh-so-humanitarian and utterly amazing, but so that they will think of God.

It's time we stopped cursing the darkness. Go grab a candle. I'll snatch one too. Together, we can count on God to provide us with a spiritual spark that will enable us to show to the watching world his goodness and glory.

- "This tender, personal book is a timely read for a lonely, doubting generation."—Emily P. Freeman, *Wall Street Journal* bestselling author of *The Next Right Thing*

It may sound counterintuitive to stay with our aches and disappointment. We prefer comfort, so our default response is to withdraw, avoid, numb, and neurotically fix. But what if Jesus is pulling out a chair and whispering, *Stay?*

Anjuli Paschall invites you to stop running from your pain and to discover that the deep end of your story is the way to intimacy with Christ. She extends a daring invitation to stay with your everyday aches, your guilt, your loneliness, your anger, your anxiety, your longings, and even your apathy. True power and transformation are found in the very places we resist the most.

It's here, in the staying, where we move from merely knowing in our heads that God loves us to believing it in our hearts.

Stay is an invitation to sit with God at the table of your soul—and be free.

Dig into Scripture to Un-hurry Your Hurry-Sick Heart

- **Author's online platform and sales continue to grow, book after book**
- **Learning how to slow down is a constant battle in our culture**
- **Contains powerful lessons from the author's experience of moving from the fast-paced world of journalism to farm life**

We want to believe that a slower life is possible, but we're afraid of what we'll miss if we don't keep up the pace. So we bend to the pressure and miss the gift of rest and slowness. What if we could move from a place of depleting hurry to grasp the high reward of good things grown slowly?

In this Bible study, which accompanies a trade book by the same name, Jennifer Dukes Lee helps readers dig deep into Scripture to reveal how land is a picture of our slow growth into claiming the promises of God. The land is more than a backdrop for the Bible. It is a central part of the magnificent narrative, from the very beginning when Creator God used dirt to make life on a farm called Eden. Jennifer weaves these biblical lessons into her own experience of the importance of land, gleaned from her fifth-generation farm. The land—both then and now—teaches us how to un-hurry our hurry-sick hearts.

EXCERPT

I spent my life simply riding the coattails of my father's relationship with God. My dad started a church with ten people in a house that now has twelve-thousand members. He has a radio broadcast on over a thousand stations, in over a hundred and thirty countries. He was the Chaplain for the Dallas Mavericks and the Dallas Cowboys. He has done a lot, and I was satisfied as a kid watching his relationship with God.

But as I got older, as I matured, I wanted to have my own relationship with God. I realized in college that riding the coattails of his relationship with God was not going to be enough for me. It was not going to sustain me. It was not going to keep me from the wrong crowds and the wrong people and the wrong places—that what he did was great for him and would be a credit to him, but it is of no credit to me.

At some point, we have to live our lives understanding that we have a purpose and significance in the Kingdom of God. We have to decide that NOW is the time for me to experience God all for myself. How does God want to use me? Why am I here? What is my divine design?

Now is *your* time. If you will be steadfast and un-moveable, and always abound in what God is calling you to do, you'll see that it will not be in vain. "Now" means, not later. "Now" means, don't wait.

God wants to do great things.

Don't Let Fear or Procrastination Keep You from God's Calling

- Author speaks frequently to large audiences, working alongside his father in their church and ministry
- Author is chaplain of the Dallas Cowboys and has a strong outreach to young men
- Powerful message of inspiration to young Christians to seize the day God has given them

God has a purpose for you *right now*.

You may think you're not ready to make a difference in God's Kingdom or that you're too young for others to take seriously. But that's not what God thinks.

At some point, you have to understand your own purpose and significance in the kingdom of God. How does God want to use *you*? This book uses the Old Testament leader Joshua as a model for stepping up to God's big calling. Before Joshua, Moses was the one who had spoken to God, performed miracles, and challenged Pharaoh. But at some point, Joshua had to come out to the front. So what did he do? How did he step up? And what steps can you take to seize "now" for yourself?

Now is *your* time. If you will be steadfast and unmovable, and always abound in what God is calling you to do, you'll see that it will not be in vain. He has a plan, a destiny for your life. *Now* means "not later." *Now* means "don't wait." God wants to do great things.

A.W. Tozer on Spiritual Leadership

- Pulled from his sermons, this material has never been available in print before now!
- Uses Titus to show Christ's model of leadership
- Tozer continues to be one of the most influential pastors in recent history

As a Christian, does your leadership approach look any different from that of those who don't follow Christ? In the Bible, God showed us what leadership looks in his kingdom, and at first a lot of it seems upside-down. The first shall be last. The master shall be the servant. But how can we apply these counterintuitive truths in our own world today? The first step, it turns out, is to become a good follower—a disciple of Christ who always lets him take the lead.

Rather than focusing on the nuts and bolts of management, *Lead Like Christ* looks closely at how leaders can better imitate the greatest leader of all. Looking to the example of Christ, regardless of the setting, is the only way to create the relationships, loyalty, and cohesion you need to lead well. This step of humility and obedience is not easy, but it will result in powerful, long-lasting change in both your own leadership role today as well as in God's eternal kingdom.

Three Bestselling Andrew Murray Books in One Wisdom-Filled Volume

- Includes *Humility*, *Abiding in Christ*, and *Living a Prayerful Life*
- Andrew Murray is a classic writer still beloved by Christians today
- *Humility* has sold over 100,000 copies
- Edited for today's reader

Andrew Murray is a nineteenth-century writer whose words still inspire today.

- In *Humility*, Murray calls all Christians to turn from pride, empty themselves, and study the character of Christ to be filled with his grace. It is often called the best work on the topic ever written.
- *Abiding in Christ* invites you to listen to words from Scripture, read a daily meditation, pray, and surrender yourself anew to Christ. This thirty-one-day devotional is as timely now as it was in 1895, when it was first published.
- *Living a Prayerful Life* outlines the way to overcome prayerlessness, which Murray believed was the greatest roadblock to spiritual growth. In his familiar devotional style, he then offers inspiring and practical guidelines for becoming a prayer warrior, including examples from the prayer lives of the apostle Paul, George Muller, and Hudson Taylor.

The wisdom in these pages will encourage and equip you to live a life of humility, surrender, and prayer, bringing you closer to the one who created you and longs to be with you.

Learn How to Pray Scripture over Your Family and Yourself

- **Author co-leads Million Praying Moms, which has an online reach of 250,000 moms and an email list of 56,000**
- **Includes stories and advice from other writers who will also help promote the book**
- **For moms with kids of all ages**

This book was sparked by a simple question to thousands of moms: "If you believe you should be praying but you aren't, why not?" Their answers revealed seven common challenges and beliefs moms have, including

- I don't know what or how to pray
- I don't know if my prayers really matter
- I can't pray until I get my life together
- I'm so busy!

The answer Brooke McGlothlin has seen in her years as a prayer mentor is to pray Scripture over your family and yourself. God's Word is living and active (Hebrews 4:12) and does exactly what God purposes (Isaiah 55:11). This means nothing is more powerful and faith-building than praying God's Word for those you love. Complete with prayers for specific everyday situations, this book will have you making prayer your first and best response to every aspect of family life.

Why Christians Should Be the Strongest Defenders of Religious Freedom—for All

- Author has written for *National Review*, *Time*, *The Gospel Coalition*, *Public Discourse*, *First Things*, and *Christianity Today*
- Author is an emerging SBC leader, has a large social media following, and speaks regularly at conferences and forums
- Foreword by Robert P. George

Christians are often thought of as defending only their own religious interests in the public square. They are viewed as worrying exclusively about the erosion of their freedom to assemble and to follow their convictions, while not seeming as concerned about publicly defending the rights of Muslims, Hindus, Jews, and atheists to do the same.

Andrew T. Walker, an emerging Southern Baptist public theologian, argues for a robust Christian ethic of religious liberty that helps the church defend religious freedom for everyone in a pluralistic society. Whether explicitly religious or not, says Walker, every person is striving to make sense of his or her life. The Christian foundations of religious freedom provide a framework for how Christians can navigate deep religious difference in a secular age. As we practice religious liberty for our neighbors, we can find civility and commonality amid disagreement, further the church's engagement in the public square, and become the strongest defenders of religious liberty for all. Foreword by noted Princeton scholar Robert P. George.

Detox Your Faith from the Habits and Mindsets of Western Culture

- **Author's previous book was named a best book of the year by Missio Alliance, Leadership Journal, Englewood Review of Books, and Hearts and Minds Bookstore**
- **Author is a regular contributor to Missio Alliance and Christianity Today and has been the keynote speaker at many national gatherings**
- **Foreword by Walter Brueggemann**

Western culture is in a tailspin and Christian faith is entangled in it: we do kingdom things in empire ways. Western approaches to faith leave us feeling depressed, doubting, anxious, and burned out. We know something is wrong with the way we do faith and church in the West, but we're so steeped in it that we don't know where to begin to break old habits.

Popular pastor and speaker Mandy Smith invites us to detox from the deeply ingrained habits of Western culture so we can do kingdom things in kingdom ways again. She explores how we can be transformed by new postures and habits that help us see God already at work in and around us. The way forward isn't more ideas, programs, and problem-solving but in Jesus's surprising invitation to the kingdom through childlikeness. Ultimately, rediscovering childlike habits is a way for us to remember how to be human.

Unfettered helps us reimagine how to follow God with our whole selves again and join with God's mission in the world. Foreword by Walter Brueggemann.

Discover the Theological Wisdom of Overlooked Women

- Author shares her story growing up as a second-generation Cuban-American
- Armas has a growing social media platform, podcast listenership, and blog readership

What if some of our greatest theologians wouldn't be considered theologians at all?

Kat Armas, a second-generation Cuban-American, grew up on the outskirts of Little Havana, Miami's famed Cuban neighborhood. Her earliest theological formation came from her grandmother, her *abuelita*, who fled Fidel Castro's regime and raised three children alone after her husband passed away. Combining personal storytelling with biblical reflection, Armas shows us how voices on the margins—those often dismissed, isolated, and oppressed because of their gender, socioeconomic status, or lack of education—have more to tell us about Christian faith than we realize.

Abuelita Faith tells the story of unnamed and overlooked theologians in society and in the Bible—mothers, grandmothers, sisters, and daughters—whose survival, strength, resistance, and persistence teach us the true power of faith and love. The author's exploration of abuelita theology will help people of all cultural and ethnic backgrounds reflect on the abuelitas in their own lives and ministries and on ways they can live out abuelita faith in their day-to-day lives.

A Deep Dive into the Heart and Mind of an Autistic Christian

- **Author is an English professor, editor-in-chief of *Relief* journal, and writes and speaks regularly on neurodiversity**
- **1 in 59 children is diagnosed with autism (Centers for Disease Control and Prevention)**
- **Suicide rates among autistic people are nearly 10 times higher than those of their non-autistic peers**

Nearly everyone knows someone on the autism spectrum, whether it's a niece or nephew, a student in their classroom, a coworker, or a sibling, spouse, or child. One in 59 children is diagnosed with autism, according to the CDC, and autism is reported across racial, ethnic, and socioeconomic groups. Yet most of what people think they know about autism is wrong.

On the Spectrum debunks myths with a realistic yet hope-filled deep dive into the heart, mind, and life of a Christian. Daniel Bowman, a novelist, poet, and professor, received an autism diagnosis at age 35 after experiencing a time of crisis in his personal and professional life. For him, the diagnosis shed light on his experience in a new, life-giving way. In this captivating book, Bowman reveals new insights into autism, relationships, faith, and the gift of neurodiversity.

Rather than viewing autism as a deficiency, Bowman teaches readers—through stories of his heartbreaks and triumphs—authentic ways to love their neighbors as themselves, including their autistic neighbors who are fearfully and wonderfully, if differently, made.

Christian Formation as a Defining Feature of the Church

This book shows that theology is both integrally related to formation in Jesus Christ and shapes our understanding of the world. Christian formation is incomplete and impossible without theological formation, because Christ transforms our hearts and minds, attuning them to the reality of God. As the authors explore the deep connections between theology and the life of the Christian, they emphasize Christian formation as a defining feature of the church, arguing that theology must be integrally connected to the church's traditions and practices.

A Commentary on Joshua by a Leading Theologian

Paul Hinlicky, a leading systematic theologian widely respected for his contributions in contemporary dogmatics, offers a theological reading of Joshua in this addition to the Brazos Theological Commentary on the Bible series. Hinlicky compares and contrasts the politics of purity and the politics of redemption in an innovative and illuminating way and locates the book of Joshua in the postexilic genesis of apocalyptic theology. As with other series volumes, this commentary is designed to serve the church, providing a rich resource for preachers, teachers, students, and study groups.

A Leading New Testament Scholar Offers an Accessible Argument for Miracles

- **Author is highly respected in academic, evangelical, and charismatic circles**
- **Suitable as a textbook but also accessible to church leaders and laypeople**
- **Includes accounts that provide compelling evidence of verifiable miracles**

Do miracles still happen today? This book demonstrates that miraculous works of God have been part of the experience of the church around the world since Christianity began and that they continue into the present. Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today, including many accounts that offer evidence of verifiable miracles.

This book gives an accessible and concise overview of one of Keener's most significant research topics. Keener's earlier two-volume work on miracles stands as the definitive work on the topic, but its size and scope are daunting to many readers. This work summarizes Keener's basic argument but contains substantial new material, including new accounts of the miraculous. It is suitable as a textbook but also accessible to church leaders and laypeople.

A Respected Physicist Reconciles Human Evolution and Original Sin

The question of the “historical Adam” is a flashpoint for many evangelical readers and churches. Respected physicist Loren Haarsma—who has studied, written, and spoken on science and faith for decades—shows it is possible both to affirm what science tells us about human evolution and to maintain belief in the doctrine of original sin. Haarsma argues that there are several possible ways of harmonizing evolution and original sin, taking seriously both Scripture and science. He presents a range of approaches without privileging one over the others, examining the strengths and challenges of each.

A Major Contribution to Pauline Scholarship

This major contribution to Pauline scholarship by a widely-respected New Testament scholar is the culmination of over 40 years of teaching on Paul. Brendan Byrne demonstrates that topics often discussed in Pauline studies and Christian theology go astray when the significance of the last judgment falls from view. Offering a fresh Catholic perspective that engages with centuries of Protestant interpretation, this book recaptures the significance of the motif of the last judgment for the interpretation of Paul.

A Biblical-Theological Approach for Responding to God in Difficult Times

- **Author is a widely respected biblical theologian, creative thinker, and public speaker**
- **Reinforces the church's resurgent interest in lament as an appropriate response to God**
- **Explores the rich biblical tradition of vigorous prayer, including the lament psalms, as a resource for faith**

It is traditional to think we should praise Abraham for his willingness to sacrifice his son as proof of his love for God. But have we misread the point of the story? Is it possible that a careful reading of Genesis 22 could reveal God was not pleased with Abraham's silent obedience?

Widely respected biblical theologian, creative thinker, and public speaker J. Richard Middleton suggests we have misread and misapplied the story of the binding of Isaac and shows that God desires something other than silent obedience in difficult times. Middleton focuses on the ethical and theological problem of Abraham's silence and explores the rich biblical tradition of vigorous prayer, including the lament psalms, as a resource for faith. Middleton also examines the book of Job in terms of God validating Job's lament as "right speech," showing how the vocal Job provides an alternative to the silent Abraham.

This book provides a fresh interpretation of Genesis 22 and reinforces the church's resurgent interest in lament as an appropriate response to God.

BAKER PUBLISHING GROUP has been a member of the Green Press Initiative since 2005. We are proud to be industry leaders, printing 40% of our new books on recycled paper. The first Evangelical publisher to take part in the Green Press Initiative, Baker Publishing Group urges other Christian publishers to take seriously God's mandate to be good stewards of the earth and to join this worthy initiative to spare our forests as we spread the Christian message through our books. For more information on the Green Press Initiative, visit www.greenpressinitiative.org.
